

## FORM OF FINAL TERMS

**MIFID II PRODUCT GOVERNANCE** – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Products has led to the conclusion that: (i) the target market for the Products is eligible counterparties, and professional clients and retail clients, each as defined in Directive 2014/65/EU, as amended (**MiFID II**) and all channels for distribution of the Products are appropriate, including investment advice, portfolio management, non-advised sales and pure execution services, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Products (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Products (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. For the avoidance of doubt, the Issuer is not a manufacturer or distributor for the purposes of MiFID II.
