

FINAL TERMS

UK MiFIR Product Governance – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Products has led to the conclusion that: (i) the target market for the Products is only professional clients as defined in the FCA Handbook Conduct of Business Sourcebook (COBS); and (ii) subject at all times to the paragraph immediately below, all channels for distribution of the Products to professional clients are appropriate. Any person subsequently offering, selling or recommending the Products (a distributor) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Products (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels. For the avoidance of doubt, the Issuer is not a manufacturer or a distributor for the purposes of UK MiFIR and COBS, as applicable.

The Products may be sold only to professional investors which are permitted to access and trade in the Products through the professional investors only segment of the Main Market of the London Stock Exchange (or another market operated by a UK recognised investment exchange) on which the Products are listed. Notwithstanding any listing of the Products on any such UK market, under no circumstances shall the Products be sold or distributed to a “retail client” (as defined in COBS) in the United Kingdom, nor marketed (including “communicating” and/or “approving a financial promotion”, as such terms are defined in COBS) if such marketing is addressed to or disseminated in such a way that it is likely to be received by such a retail client. Similarly, no key information document required by Regulation (EU) No 1286/2014 as it forms part of assimilated law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Products or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Products or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Issue of

21Shares Ethereum Staking Exchange Traded Product (AETH) - 20,000 Products (the **Products**)

pursuant to the Issuer’s

Exchange Traded Products Programme

This document constitutes the Final Terms of the Products described herein.

The Products may be sold only to professional investors which are permitted to access and trade in the Products through the professional investors only segment of the Main Market of the London Stock Exchange (or another market operated by a UK recognised investment exchange on which the Products are listed). An offer of the Products may not be made by the Issuer or by Authorised Offerors to any retail investor in the UK, where:

- (a) the expression "**retail investor**" means a person who is one (or more) of the following:
- (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of "assimilated law" as defined in the European Union (Withdrawal) Act 2018 (as amended or supplemented from time to time) (the **EUWA**);
 - (ii) a customer within the meaning of the provisions of the FSMA, and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or
 - (iii) not a qualified investor as defined in Article 2 of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA (the **UK Prospectus Regulation**); and
- (b) the expression an "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Products to be offered so as to enable an investor to decide to purchase or subscribe for the Products.

In addition, and notwithstanding any listing of the Products on any UK market, under no circumstances shall the Products be sold or distributed to a "retail client" (as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**)) in the United Kingdom, nor marketed (including "communicating" and/or "approving a financial promotion", as such terms are defined in COBS) if such marketing is addressed to or disseminated in such a way that it is likely to be received by such a retail client. Similarly, no key information document required by Regulation (EU) No 1286/2014 as it forms part of assimilated law by virtue of the EUWA (the "**UK PRIIPs Regulation**") for offering or selling the Products or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Products or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

Neither the Issuer nor any Authorised Participant has authorised, nor do they authorise, the making of any offer of Products in any other circumstances.

Terms used herein shall be deemed to be defined as such for the purposes of the General Terms and Conditions of the Products (the **Conditions**) issued by 21Shares AG (the **Issuer**) set forth in the Base Prospectus dated 08 May 2025 (the **Base Prospectus**), which together constitute a base prospectus for purposes of Regulation (EU) 2017/1129 as it forms part of "assimilated law" as defined in the European Union (Withdrawal) Act 2018 (as amended or supplemented from time to time) (the **UK Prospectus Regulation**). This document constitutes the Final Terms of the Products described herein solely for the purposes of Article 8(5) of the UK Prospectus Regulation and must be read in conjunction with the Base Prospectus (and any supplement thereto). Full information on the Issuer and the offer of the Products is only available on the basis of the combination of these Final Terms, the relevant General Terms and Conditions and the Base Prospectus. The Base Prospectus (together with any supplement thereto) is available for viewing at the registered office of the Issuer and on the website of the Issuer (<https://21shares.com/ir/prospectus>) by selecting Base Prospectus. The Final Terms will be available for viewing at the registered office of the Issuer and on the website of the Issuer (<https://21shares.com/ir/final-terms>) by selecting Base Prospectus and then Final Terms and the respective Security Code.
