Item 1.01 Entry into a Material Definitive Agreement

On September 11, 2024, ARK 21Shares Bitcoin ETF (the “Trust”) entered into separate custodial services agreements (each, an “Agreement” and, collectively, including the agreement with Coinbase Custody Trust Company, LLC (“Coinbase”) where the context may require, the “Agreements”) with each of (i) BitGo New York Trust Company, LLC (“BitGo”), a New York Trust Company and (ii) Anchorage Digital Bank N.A. (“Anchorage”) a South Dakota chartered Trust Company and a federally chartered crypto bank (each, including Coinbase where the context may require, a “Custodian” and, collectively with Coinbase, where the context may require, the “Custodians”). Pursuant to the Agreements, the Custodians will establish and maintain one or more segregated custody accounts, controlled and secured by Custodian, on its books for the receipt, safekeeping, and maintenance of the Trust’s bitcoin holdings. The Agreements require the Trust to indemnify the respective Custodians and certain of their affiliates and services providers against certain losses arising or related to the Trust’s use of the services, breach of an Agreement or violation of applicable law. The Agreements also require the Custodians to maintain reasonable insurance policies and coverage. The Agreements each commenced on September 11, 2024, and will continue for one (1) year, unless earlier terminated in accordance with the terms of each Agreement. After the initial term, the Agreements will automatically renew for successive renewal terms, as established in each Agreement, unless either party notifies the other of its intention not to renew with prior notice.

The sponsor of the Trust, 21Shares US LLC (the “Sponsor”), expects to utilize the Custodian’s services to custody a portion of the Trust’s bitcoin beginning on or about the date of the Agreements.

The Trust’s existing custody arrangement with Coinbase is unaffected by the entry into the each of the Agreements. The Sponsor anticipates utilizing the custodial services of each of Coinbase, Anchorage and BitGo to provide custodial services for the Trust’s bitcoin.

The Sponsor will allocate the Trust’s bitcoin among the Custodians. In determining the amount and percentage of the Trust’s bitcoin to allocate to each Custodian, the Sponsor will consider (i) the concentration of the Trust’s bitcoin at each Custodian, (ii) the Sponsor’s assessment of the safety and security policies and procedures of each Custodian, (iii) the insurance policies of each Custodian, (iv) the fees and expenses associated with the storage of the Trust’s bitcoin at each Custodian, (v) the fees and expenses associated with the transfer to or from the accounts at each Custodian, and (vi) any other factor the Sponsor deems relevant in making the allocation determination. The Sponsor does not intend to disclose the amount or percentage of the Trust’s bitcoin held at any of the Custodians, and the Sponsor may change the allocation between the Custodians at any time in its sole discretion and without notice to shareholders of the Trust (the “Shareholders”). The fees and expenses associated with the transfer of bitcoin between the accounts at each Custodian will be borne by the Sponsor, not the Trust or the Shareholders. Transfers of bitcoin between the accounts at each Custodian will generally occur “on-chain” over the Bitcoin network. On-chain transactions are subject to all of the risks of the Bitcoin network, including the risk that transactions will be made erroneously and are generally irreversible.

BITGO CUSTODIAL SERVICES AGREEMENT

This Custodial Services Agreement (this “Agreement”) is made as of the later date of the signatures below (the “Effective Date”) by and between:

21Shares US LLC, as Sponsor to the trusts listed in Schedule B (“CLIENT”) a
Delaware Limited Liability Company

and Custodian. This Agreement governs Client’s use of the Custodial Services and the Wallet Services (each as defined below, and collectively, the “Services”) provided or made available by Custodian.

Definitions:

- (a) “Agreement” means this Custodial Agreement, as it may be amended from time to time, and includes all schedules and exhibits to this Custodial Agreement, as they may be amended from time to time.
- (b) “Applicable Law” means any applicable statute, rule, regulation, regulatory guideline, order, law, ordinance or code; the common law and laws of equity; any binding court order, judgment or decree; any applicable industry code, rule, guideline, policy or standard enforceable by law (including as a result of participation in a self-regulatory organization), and written official interpretations of any of the foregoing that are binding on the applicable party.
- (c) “Authorized Persons” means any person authorized by the Client to give Instructions to the Custodian or perform other operations through the Company Site on behalf of the Client (i.e. viewer, admin, enterprise owner, viewer with additional video rights, etc.).
- (d) “Custodian” means BitGo New York Trust Company, LLC, a New York limited purpose trust company fiduciary licensed to act as custodian of Client’s Digital Assets on Client’s behalf.
- (e) “Digital Asset(s)” means digital assets, currencies, virtual currencies, tokens, coins, or securities held for Client under the terms of this Agreement.
- (f) “Fiat Currency” means certain fiat currencies, such as U.S. Dollars.

1. SERVICES.**1.1. Custodian.**

Client authorizes, approves, and directs Custodian to establish and maintain one or more segregated custody accounts, controlled and secured by Custodian, on its books (each a “Custodial Account”), pursuant to the terms of this Agreement, for the receipt, safekeeping, and maintenance of supported Digital Assets, as well as Fiat Currency (“Custodial Services”) on Client’s behalf.

1.2. Wallet Software and Non-Custodial Wallet Service.

- (A) Custodian also provides Client with the option to create non-custodial wallets that support certain Digital Assets via an API and web interface (“Wallet Services”). Wallet Services are provided by BitGo, Inc, an affiliate of Custodian (“BitGo Inc.”). Wallet Services provide access to wallets where BitGo Inc. holds a minority of the keys, and Client is responsible for holding a majority of the keys (“Client Keys”).
-

- (B) The Wallet Services do not send or receive money or digital assets. The Wallet Services enable Client to interface with virtual currency networks to view and transmit information about a public cryptographic key commonly referred to as a blockchain address. As further set forth in Section 3.5, Client assumes all responsibility and liability for securing the Client Keys. Further, Client assumes all responsibility and liability for creation, storage, and maintenance of any backup keys associated with accounts created using the Wallet Services.
- (C) Client's use of the Wallet Services is subject to the terms and conditions set forth at <https://www.bitgo.com/terms> (the "Wallet Terms"), as they may be amended from time to time. In the event of a conflict between the Wallet Terms and the terms of this Agreement, the terms of this Agreement shall control.

1.3. Fiat Services.

- (A) Client may elect to store Fiat Currency with Custodian ("Fiat Services"). To use the Fiat Services, Client must link the Custodial Account with account(s) at a depository institution ("Bank") that has been approved by Custodian (each a "Client Bank Account"). All Fiat Currency deposits to and withdrawals from the Custodial Account must be processed through the approved Client Bank Account. Custodian has no right, interest, or title in such Fiat Currency. Custodian hereby confirms that the Fiat Currency is not an asset on the balance sheet of Custodian.
- (B) Custodian will hold any permitted Fiat Currency received by Custodian on behalf of Client, at Custodian's sole discretion, in one or more omnibus deposit accounts that Custodian has established with Banks (each an "Omnibus Account"). Each Omnibus Account shall be titled in the name of Custodian for the benefit of its customers and shall be maintained separately and apart from Custodian's business, operating, and reserve accounts. Each Omnibus Account constitutes a banking relationship between Custodian and Bank and shall not constitute a custodial relationship between Custodian and Bank and does not create or represent any relationship between Client and any Bank.
- (C) Client acknowledges and agrees that Custodian may hold some or any portion of Fiat Currency in accounts that may or may not receive interest or other earnings. Client hereby agrees that the amount of any such interest or earnings attributable to such Fiat Currency may be retained by Custodian as additional consideration for its services under this Agreement, and nothing in this Agreement entitles Client to any portion of such interest or earnings. In addition, Custodian may receive earnings or compensation for an Omnibus Account in the form of services provided at a reduced rate or similar compensation. Client agrees that any such compensation shall be retained by Custodian, Client is not entitled to any portion of such compensation, and no portion of any such compensation shall be paid to or for Client.
- (D) Wire Transfers. Wire deposits sent before 4 PM ET by domestic or international wire from a Client Bank Account will typically settle and be credited to Custodian's Omnibus Account on the same day or next business day. Wire withdrawals initiated before 4 PM ET will typically be processed on the same day or next business day. Wire deposits may not be credited and wire withdrawals may not be processed outside of normal banking hours. Client agrees and understands that wire deposit settlement times and wire withdrawal transfer times are subject to factors outside of Custodian's control, including, among other things, processes and operations related to the Client Bank Account and the Custodian's Bank.

1.4. Third-Party Payments.

The Custodial Services are not intended to facilitate third-party payments of any kind, which shall include the use of both Fiat Currency or Digital Assets. As such, Custodian has no control over, or liability for, the delivery, quality, safety, legality or any other aspect of any goods or services that Client may purchase or sell to or from a third party (including other users of Custodial Services) involving Digital Assets that Client intends to store, or have stored, in Client's Custodial Account.

1.5. API Access.

- (A) Most Services are provided through <https://www.bitgo.com/> or any associated websites or application programming interfaces ("APIs") (collectively, the "Company Site"). Client may elect to utilize the APIs either directly or indirectly within an independently developed application ("Developer Application").
- (B) All API-based Services are subject to the terms and conditions set forth at <https://www.bitgo.com/legal/services-agreement> (the "API Terms"), as they may be amended from time to time. In the event of a conflict between the API Terms and the terms of this Agreement, the terms of this Agreement shall control. If Client exceeds a usage limit, Custodian will use commercially reasonable efforts to provide notice to Client (and may provide notice if Client is likely to exceed such limit) and may provide assistance to seek to reduce Client usage so that it conforms to that limit. If Client is unable or unwilling to abide by the usage limits, Client will reasonably negotiate to enter into order forms for additional quantities of the applicable Services promptly or pay Custodian's invoices for excess usage based upon BitGo's then-current standard rates.

1.6. Fees.

The fees associated with the Services shall be calculated, invoiced and paid in accordance with Schedule A ("Fee Schedule"). Custodian reserves the right to revise its Fee Schedule at any time following the Initial Term, provided that Custodian will provide Client with at least sixty (60) days' advance notice of any such revision. Within such 60-day period, Client may terminate this Agreement immediately upon notice to Custodian in accordance with Section 5.4 and discontinue the Services hereunder at no additional charge to Client.

1.7. Acknowledgement of Risks.

- (A) General Risks; No Investment, Tax, or Legal Advice; No Brokerage. CLIENT ACKNOWLEDGES THAT CUSTODIAN DOES NOT PROVIDE INVESTMENT, TAX, OR LEGAL ADVICE, NOR DOES CUSTODIAN BROKER TRANSACTIONS ON CLIENT'S BEHALF. CLIENT ACKNOWLEDGES THAT CUSTODIAN HAS NOT PROVIDED AND WILL NOT PROVIDE ANY ADVICE, GUIDANCE OR RECOMMENDATIONS TO CLIENT WITH REGARD TO THE SUITABILITY OR VALUE OF ANY DIGITAL ASSETS, AND THAT CUSTODIAN HAS NO LIABILITY REGARDING ANY SELECTION OF A DIGITAL ASSET THAT IS HELD BY CLIENT THROUGH CLIENT'S CUSTODIAL ACCOUNT AND THE CUSTODIAL SERVICES OR THE WALLET SERVICES. ALL DEPOSIT AND WITHDRAWAL TRANSACTIONS ARE EXECUTED BASED ON CLIENT'S INSTRUCTIONS, AND CLIENT IS SOLELY RESPONSIBLE FOR DETERMINING WHETHER ANY INVESTMENT, INVESTMENT STRATEGY, OR RELATED TRANSACTION INVOLVING DIGITAL ASSETS IS APPROPRIATE FOR CLIENT BASED ON CLIENT'S INVESTMENT OBJECTIVES, FINANCIAL CIRCUMSTANCES, AND RISK TOLERANCE.

(B) Material Risk in Investing in Digital Currencies. CLIENT ACKNOWLEDGES THAT:

- (1) VIRTUAL CURRENCY IS NOT LEGAL TENDER, IS NOT BACKED BY THE GOVERNMENT, AND ACCOUNTS AND VALUE BALANCES ARE NOT SUBJECT TO FEDERAL DEPOSIT INSURANCE CORPORATION OR SECURITIES INVESTOR PROTECTION CORPORATION PROTECTIONS;
- (2) LEGISLATIVE AND REGULATORY CHANGES OR ACTIONS AT THE STATE, FEDERAL, OR INTERNATIONAL LEVEL MAY ADVERSELY AFFECT THE USE, TRANSFER, EXCHANGE, AND VALUE OF VIRTUAL CURRENCY;
- (3) TRANSACTIONS IN VIRTUAL CURRENCY MAY BE IRREVERSIBLE, AND, ACCORDINGLY, LOSSES DUE TO FRAUDULENT OR ACCIDENTAL TRANSACTIONS MAY NOT BE RECOVERABLE;
- (4) SOME VIRTUAL CURRENCY TRANSACTIONS SHALL BE DEEMED TO BE MADE WHEN RECORDED ON A PUBLIC LEDGER, WHICH IS NOT NECESSARILY THE DATE OR TIME THAT THE CUSTOMER INITIATES THE TRANSACTION;
- (5) THE VALUE OF VIRTUAL CURRENCY MAY BE DERIVED FROM THE CONTINUED WILLINGNESS OF MARKET PARTICIPANTS TO EXCHANGE FIAT CURRENCY FOR VIRTUAL CURRENCY, WHICH MAY RESULT IN THE POTENTIAL FOR PERMANENT AND TOTAL LOSS OF VALUE OF A PARTICULAR VIRTUAL CURRENCY SHOULD THE MARKET FOR THAT VIRTUAL CURRENCY DISAPPEAR;
- (6) THERE IS NO ASSURANCE THAT A PERSON WHO ACCEPTS A VIRTUAL CURRENCY AS PAYMENT TODAY WILL CONTINUE TO DO SO IN THE FUTURE;
- (7) THE VOLATILITY AND UNPREDICTABILITY OF THE PRICE OF VIRTUAL CURRENCY RELATIVE TO FIAT CURRENCY MAY RESULT IN SIGNIFICANT LOSS OVER A SHORT PERIOD OF TIME;
- (8) THE NATURE OF VIRTUAL CURRENCY MAY LEAD TO AN INCREASED RISK OF FRAUD OR CYBER ATTACK;
- (9) THE NATURE OF VIRTUAL CURRENCY MEANS THAT ANY TECHNOLOGICAL DIFFICULTIES EXPERIENCED BY THE LICENSEE MAY PREVENT THE ACCESS OR USE OF A CUSTOMER'S VIRTUAL CURRENCY; AND
- (10) ANY BOND OR TRUST ACCOUNT MAINTAINED BY THE CLIENT FOR THE BENEFIT OF ITS CUSTOMERS MAY NOT BE SUFFICIENT TO COVER ALL LOSSES INCURRED BY CUSTOMERS.

(C) CLIENT ACKNOWLEDGES THAT USING DIGITAL ASSETS AND ANY RELATED NETWORKS AND PROTOCOLS, INVOLVES SERIOUS RISKS. CLIENT AGREES THAT IT HAS READ AND ACCEPTS THE RISKS LISTED IN THIS SECTION 1.6, WHICH IS NON-EXHAUSTIVE AND WHICH MAY NOT CAPTURE ALL RISKS ASSOCIATED WITH CLIENT'S ACTIVITY. AS BETWEEN CLIENT AND CUSTODIAN, IT IS CLIENT'S DUTY TO LEARN ABOUT ALL THE RISKS INVOLVED WITH APPLICABLE DIGITAL ASSETS AND ANY RELATED PROTOCOLS AND NETWORKS. CUSTODIAN MAKES NO REPRESENTATIONS OR WARRANTIES REGARDING THE VALUE OF DIGITAL ASSETS OR THE SECURITY OR PERFORMANCE OF ANY RELATED NETWORK OR PROTOCOL.

2. CUSTODIAL ACCOUNT.

2.1. Registration; Authorized Persons

- (a) To use the Custodial Services, Client must create a Custodial Account by providing Custodian information as reasonably requested. Custodian may, in its sole discretion, refuse to allow Client to establish a Custodial Account, limit the number of Custodial Accounts, and/or decide to subsequently terminate a Custodial Account.
- (b) Client will maintain an updated and current list of Authorized Persons at all times on the Company Site and will reasonably promptly notify Custodian of any changes to the list of Authorized Persons by updating the list on the Company Site, including for termination of employment, or otherwise. Client shall make available all necessary documentation and identification information, as reasonably requested by Custodian to confirm: (i) the identity of each Authorized Person; (ii) that each Authorized Person is eligible to be deemed an “Authorized Person” as defined in this Agreement; and (iii) the party(ies) requesting the changes in the list of Authorized Persons have valid authority to request changes on behalf of Client.

2.2. General.

The Custodial Services allow Client to deposit supported Digital Assets from a public blockchain address to Client’s Custodial Account, and to withdraw supported Digital Assets from Client’s Custodial Account to a public blockchain address, in each case, pursuant to Instructions Client provides through the Company Site (each such transaction is a “Custody Transaction”). The Digital Assets stored in Client’s Custodial Account will not be commingled with other Digital Assets unless expressly permitted by Client and will be held in custody pursuant to the terms of this Agreement. Custodian reserves the right to refuse to process or to cancel any pending Custody Transaction: as required by Applicable Law; to enforce transaction, threshold, and condition limits; or if Custodian reasonably believes that the Custody Transaction may violate or facilitate the violation of any Applicable Law, regulation or rule of a governmental authority or self-regulatory organization. Custodian cannot reverse a Custody Transaction which has been broadcast to a Digital Asset network.

2.3. Instructions.

- (a) Custodian acts upon instructions (“Instructions”) given by Authorized Persons that are received and verified by Custodian in accordance with its procedures and this Agreement.
- (b) Instructions will be required for any action requested of the Custodian. Instructions shall continue in full force and effect until canceled (if possible) or executed.
- (c) The Custodian shall be entitled to rely upon any Instructions it receives from an Authorized Person (or from a person reasonably believed by the Custodian to be an Authorized Person) pursuant to this Agreement.
- (d) The Custodian may assume that any Instructions received hereunder are not in any way inconsistent with the provisions of organizational documents of the Client or of any vote, resolution, or proper authorization and that the Client is authorized to take the actions specified in the Instructions.

- (e) Client must verify all transaction information prior to submitting Instructions to the Custodian. The Custodian shall have no duty to inquire into or investigate the validity, accuracy or content of any Instructions.
- (f) If any Instructions are ambiguous, incomplete, or conflicting, Custodian may refuse to execute such Instructions until any ambiguity, incompleteness, or conflict has been resolved. Custodian may refuse to execute Instructions if, in its sole opinion, such Instructions are outside the scope of its duties under this Agreement or are contrary to any Applicable Law.
- (g) Client is responsible for Losses (as defined below) resulting from inaccurate Instructions (e.g., if Client provides the wrong destination address for executing a withdrawal transaction). Custodian does not guarantee the identity of any user, receiver, requestee, or other party to a Custody Transaction. Custodian shall have no liability whatsoever for failure to perform pursuant to such Instructions except in the case of Custodian's gross negligence, fraud, or willful misconduct.

2.4. Digital Asset Deposits and Withdrawals.

- (a) Client acknowledges that Custodian offers Custodial Services only for specific Digital Assets. The list of supported Digital Assets is currently available at: <https://www.bitgo.com/resources/integrations>, and includes Bitcoin, Ether, USDC, and Solana, among others. The foregoing list or foregoing URL may be updated or changed from time to time in Custodian's sole discretion. Custodian will provide prior written notice to Client if it ceases to support Bitcoin, Ether USDC, or Solana.
- (b) Client must initiate any withdrawal request through Client's Custodial Account to a Client wallet address. Custodian will process withdrawal requests for amounts under \$250,000, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period without video verification, to a Client-whitelisted address which has been previously used to which Client has made a withdraw to at least once. The time of such a request shall be considered the time of transmission of such notice from Client's Custodial Account. Custodian reserves the right to request video verification for any transaction or series of transactions under the threshold of \$250,000. Custodian will require video verification for withdrawal requests greater than \$250,000 or requests made to a new address, either in a single transaction or aggregated in a series of transactions, during a rolling 24 hour period; provided, Custodian can require video calls for amounts less than \$250,000 if it deems necessary for security, compliance, or any other purposes in its sole discretion. The initiation of the 24 hour time period to process the withdrawal request shall be considered at the time at which client completes video verification.
- (c) As further set forth in Section 3.5, Client must manage and keep secure any and all information or devices associated with deposit and withdrawal procedures, including YubiKeys and passphrases or other security or confirmation information. Custodian reserves the right to charge or pass through actual network fees (e.g., miner fees or validator fees) to process a Digital Asset transaction on Client's behalf. Custodian will notify Client of the estimated network fee at or before the time Client authorizes the transaction.

2.5. Digital Asset Access Time.

- (A) Custodian requires up to 24 hours (excluding weekends and US federal holidays) between any request to withdraw Digital Assets from Client's Custodial Account and submission of Client's withdrawal to the applicable Digital Asset network.

- (C) Custodian reserves the right to take additional time beyond the 24 hour period if such time is required to verify security processes for large or suspicious transactions. Any such processes will be executed reasonably and in accordance with Custodian documented protocols, which may change from time to time at the sole discretion of Custodian.
- (D) Custodian makes no representations or warranties with respect to the availability and/or accessibility of the Digital Assets. Custodian will make reasonable efforts to ensure that Client initiated deposits are processed in a timely manner, but Custodian makes no representations or warranties regarding the amount of time needed to complete processing of deposits which is dependent upon factors outside of Custodian's control.

2.6. Supported Digital Assets.

The Custodial Services are available only in connection with those Digital Assets that Custodian supports (list currently available at <https://www.bitgo.com/resources/integrations>), which includes Bitcoin, Ether, USDC, and Solana, among others. The Digital Assets that Custodian supports may change from time to time in Custodian's discretion. Custodian assumes no obligation or liability whatsoever regarding any unsupported Digital Asset sent or attempted to be sent to it, or regarding any attempt to use the Custodial Services for Digital Assets that Custodian does not support. Custodian may, from time to time, determine types of Digital Assets that will be supported or cease to be supported by the Custodial Services. Custodian will provide Client with prompt prior written notice, no shorter than one hundred and eighty (180) days', before ceasing to support either Bitcoin, Ether, USDC, or Solana, unless Custodian is required to cease such support sooner to comply with Applicable Law or in the event such support creates an urgent security or operational risk in Custodian's reasonable discretion (in which event Custodian will provide as much notice as is practicable under the circumstances). Under no circumstances should Client attempt to use the Custodial Services to deposit or store any Digital Assets that are not supported by Custodian. Depositing or attempting to deposit Digital Assets that are not supported by Custodian may result in such Digital Asset being unretrievable by Client and Custodian.

2.7. Advanced Protocols.

Unless specifically announced on the Custodian or Company website, Custodian does not support airdrops, side chains, or other derivative, enhanced, or forked protocols, tokens, or coins which supplement or interact with a Digital Asset supported by Custodian (collectively, "Advanced Protocols"). Client shall not use its Custodial Account to attempt to receive, request, send, store, or engage in any other type of transaction involving an Advanced Protocol. Custodian assumes absolutely no responsibility whatsoever in respect to Advanced Protocols.

2.8. Operation of Digital Asset Protocols.

- (A) Custodian does not own or control the underlying software protocols which govern the operation of Digital Assets supported on the Custodian platform. By using the Custodial Services, Client acknowledges and agrees that (i) Custodian is not responsible for operation of the underlying protocols and that Custodian makes no guarantee of their functionality, security, or availability; and (ii) the underlying protocols are subject to sudden changes in operating rules (a.k.a. "forks"), and (iii) that such forks may materially affect the value, function, and/or even the name of the Digital Assets that Client stores in Client's Custodial Account. In the event of a fork, Client agrees that Custodian may temporarily suspend Custodian operations with respect to the affected Digital Assets (with or without advance notice to Client) and that Custodian may, in its sole discretion, decide whether or not to support (or cease supporting) either branch of the forked protocol entirely. Client acknowledges and agrees that Custodian assumes absolutely no liability whatsoever in respect of an unsupported branch of a forked protocol or its determination whether or not to support a forked protocol.

- (B) Client agrees that all “airdrops” (free distributions of certain Digital Assets) and forks will be handled by Custodian pursuant to its fork policy (the “Fork Policy”) (currently available at www.bitgo.com/resources/bitgo-fork-policy). Client acknowledges that Custodian is under no obligation to support any airdrops or forks, or handle them in any manner, except as detailed above and in the Fork Policy. Client further acknowledges that Custodian, at its sole discretion, may update the Fork Policy from time to time and/or the URL at which it is available and Client agrees that Client is responsible for reviewing any such updates. Client is under no obligation to provide notification to Client of any modification to the Fork Policy.

2.9. Account Statements.

- (A) Custodian will provide Client with an electronic account statement every month. Each statement will be provided via the Custodian’s website and notice of its posting will be sent via electronic mail. Each account statement will identify the amount of Client cash and each Digital Asset.
- (B) The Client will have sixty (60) days to file any written objections or exceptions with the Custodian after the posting of a Custodial Account statement online. If the Client does not file any objections or exceptions within a sixty (60)-day period, this shall indicate the Client’s approval of the statement and will preclude the Client from making future objections or exceptions regarding the information contained in the statement. Such approval by the Client shall be full acquittal and discharge of Custodian regarding the transactions and information on such statement.
- (C) To value Digital Assets held in the Custodial Account, the Custodian will electronically obtain USD equivalent prices from digital asset market data with amounts rounded up to the seventh decimal place to the right. Custodian cannot guarantee the accuracy or timeliness of prices received and the prices are not to be relied upon for any investment decisions for the Custodial Account.

2.10. Independent Verification.

If Client is subject to Rule 206(4)-2 under the Investment Advisers Act of 1940, Custodian shall, upon written request, provide Client’s authorized independent public accountant confirmation of, or access to, information sufficient to confirm (i) Client’s Digital Assets as of the date of an examination conducted pursuant to Rule 206(4)-2(a)(4), and (ii) Client’s Digital Assets are held either in a separate account under Client’s name or in accounts under Client’s name as agent or trustee for Client’s clients.

2.11. Support and Service Level Agreement.

Custodian agrees that as part of the services, and at no additional cost to Client, Custodian shall provide reasonable support services in connection with Client’s onboarding. Custodian will use commercially reasonable efforts: (i) to provide reasonable technical support to Client, by email or telephone, during Custodian’s normal business hours (9:30 AM to 6 PM ET); (ii) to respond to support requests in a timely manner; (iii) resolve such issues by providing updates and/or workarounds to Client (to the extent reasonably possible and practical), consistent with the severity level of the issues identified in such requests and their impact on Client’s business operations; (iv) abide by the terms of the Service Level Agreement currently made available at <https://www.bitgo.com/resources/bitgo-service-level-agreement> (as Service Level Agreement or the URL at which it is made available may be amended from time to time); and (vii) to make Custodial Accounts available via the internet 24 hours a day, 7 days a week.

2.12. Clearing and Settlement Services.

- (A) Custodian may offer clearing and settlement services (the “Settlement Services”) that facilitate the settlement of transactions of Digital Assets or Fiat Currency between Client and Client’s trade counterparty that also has a Custodial Account with Custodian (“Settlement Partner”). Client acknowledges that the Settlement Service is an API product complemented by a Web user interface (UI). Clients may utilize the Settlement Services by way of settlement of one-sided requests with counterparty affirmation or one-sided requests with instant settlement; and two-sided requests with reconciliation. Client understands that the Digital Assets available for use within the Settlement Services may not include all of Client’s Digital Assets under custody. For the avoidance of doubt, use of the API product is subject to the terms and conditions set forth in Section 1.4 of this Agreement.
- (B) The Settlement Services allow Client to submit, through the Custodian’s settlement platform, a request to settle a purchase or sale of Digital Assets with a Settlement Partner. Client authorizes Custodian to accept Client’s cryptographic signature submitted by way of the Settlement Services API. When a cryptographic signature is received by way of the Settlement Services along with the settlement transaction details, Client is authorizing Custodian to act on Client’s direction to settle such transaction.
- i) A one-sided request with counterparty affirmation requires Client to submit a request, including its own cryptographic signature on the trade details, via API calls. Custodian will notify the Settlement Partner and lock funds of both parties while waiting for the Settlement Partner to affirm the request. Custodian will settle the trade immediately upon affirmation and the locked funds will be released.
 - ii) A one-sided request with instant settlement requires one side of the trade to submit a request, including cryptographic signatures of both parties to the trade, via API calls. Custodian will settle the trade immediately.
 - iii) A two-sided request with reconciliation requires that both Client and Settlement Partner submit requests via API calls, with each party providing their own cryptographic signatures. Custodian will reconcile the trades and settle immediately upon successful reconciliation.
 - iv) In any one-sided or two sided request, the Settlement Partner must be identified and selected by Client prior to submitting a settlement request.

- v) Client may submit a balance inquiry through the settlement platform, to verify that Settlement Partner has a sufficient balance of Digital Asset to be transacted before the Parties execute a transaction. This balance inquiry function is to be utilized only for the purpose of executing a trade transaction to ensure the Settlement Partner has sufficient fiat currency (funds) or Digital Assets to settle the transaction. Client hereby expressly authorizes and consents to Custodian providing access to such information to Client's Settlement Partner in order to facilitate the settlement.
 - vi) Client and Settlement Partner's Custodial Accounts must have sufficient funds or Digital Assets prior to initiating any settlement request. The full amount of assets required to fulfill a transaction are locked until such order has been completed. All orders are binding on Client and Client's Custodial Account. Custodian does not guarantee that any settlement will be completed by any Settlement Partner. Client may not be able to withdraw an offer (or withdraw its acceptance of an offer) prior to completion of a settlement and Custodian shall not be liable for the completion of any order after a cancellation request has been submitted.
 - vii) Client acknowledges and accepts responsibility for ensuring only an appropriate Authorized Person of its Custodial Account has access to the API key(s).
 - viii) Client further understands and agrees that Client is solely responsible for any decision to enter into a settlement by way of the Settlement Services, including the evaluation of any and all risks related to any such transaction and has not relied on any statement or other representation of Custodian. Client understands that Custodian is a facilitator and not a counterparty to any settlement; and, as a facilitator, Custodian bears no liability with respect to any transaction and does not assume any clearing risk.

IN ADDITION TO THE LIMITATIONS SPECIFIED ABOVE, FOR SO LONG THAT A CUSTODIAL WALLET ADDRESS HOLDS AN EXCESS OF ONE HUNDRED AND FIFTY MILLION US DOLLARS (US\$150,000,000) (THE "CUSTODIAL WALLET THRESHOLD") FOR A PERIOD OF FIVE (5) CONSECUTIVE BUSINESS DAYS OR MORE WITHOUT BEING REDUCED TO THE CUSTODIAL WALLET THRESHOLD OR LOWER, CUSTODIAN'S MAXIMUM LIABILITY FOR SUCH CUSTODIAL WALLET ADDRESS SHALL BE LIMITED TO THE CUSTODIAL WALLET THRESHOLD. AS A BEST PRACTICE, CUSTODIAN RECOMMENDS LIMITING THE VALUE OF DIGITAL ASSETS DEPOSITED IN EACH CUSTODIAL WALLET ADDRESS TO LESS THAN ONE HUNDRED AND TWENTY-FIVE MILLION US DOLLARS (US \$125,000,000.00). IF ELECTED BY CLIENT, AT NO ADDITIONAL COST TO CLIENT, CUSTODIAN WILL PROVIDE CLIENT WITH ALL TECHNICAL ASSISTANCE TO REBALANCE WALLETS TO MEET SUCH LIMITATIONS.

11.4 EXCEPTIONS TO EXCLUSIONS AND LIMITATIONS OF LIABILITY.

THE EXCLUSIONS AND LIMITATIONS OF LIABILITY IN SECTION 11.1 AND SECTION 11.2 WILL NOT APPLY TO CUSTODIAN'S FRAUD, WILLFUL MISCONDUCT, OR GROSS NEGLIGENCE. CUSTODIAN'S LIABILITY FOR GROSS NEGLIGENCE SHALL BE LIMITED TO THE VALUE OF THE AFFECTED DIGITAL ASSETS OR FIAT CURRENCY.

12. MISCELLANEOUS.

12.1. Notice.

All notices under this Agreement shall be given in writing, in the English language, and shall be deemed given when personally delivered, when sent by email, or three days after being sent by prepaid certified mail or internationally recognized overnight courier to the addresses set forth in the signature blocks below (or such other address as may be specified by party following written notice given in accordance with this Section).

12.2. Publicity.

In the event Custodian would like to identify Client as a customer of the Services, including in marketing and/or investor materials, Custodian may provide a written permission request to Client for a limited, revocable license; provided that no such permission shall be required to the extent that the relationship between Client and Custodian is publicly disclosed by Client and Custodian only describes the relationship in substantially similar terms as Client's public disclosure. Notwithstanding anything contained herein or any permission that may be granted on behalf of Client, Client may revoke its consent to any such publicity under this Section at any time and for any reason upon notice, and Custodian will cease any further use of Custodian's name, logos, and trademarks and remove all references and/or postings identifying Custodian as soon as possible. Custodian hereby consents to Client's use of Custodian's name and/or approved logos or promotional materials to identify Custodian as its custodial service provider as contemplated by this Agreement. Notwithstanding the foregoing, Custodian may revoke its consent to such publicity under this Section at any time for any reason, and upon notice, Client will cease any further use of Custodian's name, logos, and trademarks and remove all references and/or postings identifying Custodian as soon as possible.

12.3. Entire Agreement.

This Agreement, any appendices or attachments to this Agreement, the BitGo Privacy Policy, and all disclosures, notices or policies available on the BitGo website that are specifically referenced in this Agreement, comprise the entire understanding and agreement between Client and Custodian as to the Custodial Services, and supersedes any and all prior discussions, agreements, and understandings of any kind (including without limitation any prior versions of this Agreement) and every nature between and among Client and Custodian with respect to the subject matter hereof. Section headings in this Agreement are for convenience only and shall not govern the meaning or interpretation of any provision of this Agreement.

12.4. No Waiver.

The waiver by a party of any breach or default will not constitute a waiver of any different or subsequent breach or default.

12.5. Amendments.

Any modification or addition to this Agreement must be in a writing signed by a duly authorized representative of each of the parties. Client agrees that Custodian shall not be liable to Client or any third party for any modification or termination of the Custodial Services, or suspension or termination of Client's access to the Custodial Services, except to the extent otherwise expressly set forth herein.

12.6. Assignment.

Client may not assign any rights and/or licenses granted under this Agreement without the prior written consent of Custodian. Custodian may not assign any of its rights without the prior written consent of Client; except that Custodian may assign this Agreement without the prior consent of Client to any Custodian affiliates or subsidiaries whereby (a) the ultimate beneficial owners of the Custodian and parties responsible for this Agreement would remain unchanged or (b) pursuant to a transfer of all or substantially all of Custodian's business and assets, whether by merger, sale of assets, sale of stock, or otherwise (a "Change of Control Transaction"); provided, that where permissible pursuant to applicable law, regulation and contractual confidentiality requirements applicable to Custodian and if the Change of Control Transaction has not been publicly announced and reported within the mainstream crypto industry trade press, Custodian shall reasonably attempt to provide at least thirty (30) days prior written notice. Any attempted transfer or assignment in violation hereof shall be null and void. Subject to the foregoing, this Agreement will bind and inure to the benefit of the parties, their successors, and permitted assigns.

12.7. Severability.

If any provision of this Agreement shall be determined to be invalid or unenforceable, such provision will be changed and interpreted to accomplish the objectives of the provision to the greatest extent possible under any applicable law and the validity or enforceability of any other provision of this Agreement shall not be affected.

12.8. Survival.

All provisions of this Agreement which by their nature extend beyond the expiration or termination of this Agreement, including, without limitation, sections pertaining to suspension or termination, Custodial Account cancellation, debts owed to Custodian, general use of the Company Site, disputes with Custodian, indemnification, and general provisions, shall survive the termination or expiration of this Agreement.

12.9. Governing Law.

The laws of the State of New York, without regard to principles of conflict of laws, will govern this Agreement and any claim or dispute that has arisen or may arise between Client and Custodian, except to the extent governed by federal law of the United States of America.

12.10. Force Majeure.

Custodian shall not be liable for delays, suspension of operations, whether temporary or permanent, failure in performance, or interruption of service which result directly or indirectly from any cause or condition beyond the reasonable control of Custodian, including but not limited to, any delay or failure due to any act of God, natural disasters, act of civil or military authorities, act of terrorists, including but not limited to cyber-related terrorist acts, hacking, government restrictions, exchange or market rulings, civil disturbance, war, strike or other labor dispute, fire, interruption in telecommunications or Internet services or network provider services, failure of equipment and/or software, other catastrophe or any other occurrence which are beyond the reasonable control of Custodian.

12.11. Relationship of the Parties.

Nothing in this Agreement shall be deemed or is intended to be deemed, nor shall it cause, Client and Custodian to be treated as partners, joint ventures, or otherwise as joint associates for profit, or either Client or Custodian to be treated as the agent of the other.

**ANCHORAGE DIGITAL BANK
STANDARD TERMS AND CONDITIONS**

Capitalized terms not defined in the Order Form, body of these Terms and Conditions, or supporting Schedules are defined in Schedule A (Definitions).

1. Anchorage Appointment and Provision of the Services.

- 1.1. Appointment. Client appoints Anchorage to provide the Services, including acting as custodian of Client Digital Assets pursuant to this Agreement, and Anchorage hereby accepts such appointment. The Parties agree that for purposes of this Agreement, Anchorage shall be considered to be an “excluded fiduciary” under SDCL 55-1B-2 and shall follow the Directions from Client. Client for such purposes shall be considered to be a Trust Advisor (in its capacity as a custody account holder) under SDCL 55-1B-1(3), and the provisions of such statutes shall apply to the responsibilities of the parties hereunder. Anchorage is a qualified custodian as defined under Investment Advisers Act of 1940 and is chartered by the U.S. Office of the Comptroller of the Currency (“OCC”) to custody Client’s digital assets in trust on Client’s behalf.
- 1.2. Provision of the Services.
- (a) Subject to (i) Client’s successful completion of the account acceptance process as provided in Section 2.1, and (ii) provided that Client is in compliance with this Agreement in all material respects, during the Term, Anchorage will provide the Services to Client.
 - (b) Anchorage will, in its sole discretion, with such determination not to be unreasonably delayed, conditioned or withheld, determine, the requirements for any Direction, including Authenticated Instructions, and whether such requirements have been satisfied as to any Direction. Anchorage is entitled to rely upon information, data, and instructions from Client (or otherwise persons or parties authorized to act on its behalf) related to a Direction in all respects. Client acknowledges that (i) Anchorage’s acceptance of Directions related to Client’s deposit and withdrawal of assets is based on the parameters of Authenticated Instructions and in accordance with Anchorage’s Services requirements; and (ii) Anchorage has no duty to inquire into or investigate the legality, validity, or accuracy of any information, data, or instructions related to a Direction.
 - (c) The Services are available only in connection with those Digital Assets and protocols that Anchorage, in its sole discretion, supports, a list of which as the Effective Date of this Agreement has been provided to Client, which may be amended by Anchorage in its sole discretion, from time to time as discussed herein, and the Parties agree and acknowledge that the list of Digital Assets in the Anchorage application is the most up-to-date list that Anchorage shall support. The type and scope of Services that Anchorage supports for each Digital Asset, and applicable Fees for such Services, may differ. Under no circumstances should Client knowingly attempt to use the Services to store, send, request, or receive Digital Assets and protocols that Anchorage does not support. Anchorage assumes no responsibility in connection with any attempt to use any Account or Vault with Digital Assets that Anchorage does not support, and any such unsupported Digital Assets deposited to or received in any Account or Vault are subject to forfeiture and loss. The Digital Assets that Anchorage supports may change from time to time, based on Anchorage’s sole and absolute discretion. Anchorage will provide reasonable prior written notice to Client in advance if it ceases to support a particular Digital Asset for which Anchorage has provided Services to Client. For the avoidance of doubt, any new Digital Assets supported by Anchorage shall be available in the Anchorage application.

- (d) Client acknowledges that Anchorage will not monitor Digital Assets for actions taken by the issuer of such Digital Asset, if any. Such actions may include an issuer instruction requiring the holder of a Digital Asset to transfer it to a certain location. For the avoidance of doubt, Client is solely responsible for satisfying or responding to any such actions of an issuer.
- (e) Unless acting in accordance with Section 1.2(f) (g), or (j), Anchorage shall only follow the Directions from Client.
- (f) In the event Client enters into any of the following agreements (any such agreement, a “**Client Service Provider Agreement**”):
 - i) A brokerage services agreement with Anchorage Hold, LLC (“**Trader**”), under which Client appoints Trader to act as Client’s agent to issue Directions to Anchorage for the transfer of Client’s Digital Assets or fiat currency to an Account or Vault in the name of, and solely controlled by, Trader or its affiliates, for the purpose of trading, clearing, settling, netting, accounting for, and providing other services in connection with, Client’s Digital Assets or fiat currency;
 - ii) A lending agreement, a loan agreement and security agreement, or other similar agreement, regardless of how titled, with Anchorage Lending CA, LLC (“**Lending**”), under which Client appoints Lending to act as Client’s agent to issue Directions to Anchorage for the transfer of Client’s Digital Assets or fiat currency to or from an Account or Vault in the name of, and solely controlled by, Lending or its affiliates, or an omnibus account held for Client’s benefit, for the purpose of (i) advancing Client’s Digital Assets or fiat currency to Lending; or (ii) borrowing Digital Assets or fiat currency from Lending and providing collateral in connection therewith; or
 - iii) An agency appointment with any other party, under which Client appoints such Third Party (“**Agent**”) to act as Client’s agent to issue Directions to Anchorage for any purpose set forth in the appointment;

then, in the case of (iii), if applicable, Client shall promptly notify Anchorage in writing of any such agency appointment using a reasonable form of notice acceptable to Anchorage. Where Client has duly appointed any of Trader, Lending or Agent (each, a “**Client Service Provider**”) as its agent pursuant to the foregoing agreements or, if applicable, a Control Agreement (each a Client Service Provider Agreement), Client directs Anchorage to follow, and Anchorage shall follow, any Direction initiated by a Client Service Provider related to Digital Assets or Fiat Services as if initiated directly by the Client provided that such Directions followed by Anchorage shall be limited to those contemplated by a Client Service Provider Agreement or otherwise agreed between Client, Client Service Provider and Anchorage, including, without limitation, through an Authenticated Instruction by a Client Service Provider on Client’s behalf.

- (g) In the event Client enters into an account control agreement, vault control agreement, or other similar agreement (regardless of how titled, a “**Control Agreement**”) with Anchorage, a lender (a “**Control Party**”) and any other parties (each, an “**Ancillary Party**”), under which Client directs Anchorage to follow such Control Party’s instructions as described therein, Client directs Anchorage to follow, and Anchorage shall follow, any Direction initiated by such Control Party related to Digital Assets or Fiat Services as if initiated directly by the Client. Directions of a Control Party or Ancillary Party may be initiated by any method contemplated by a Control Agreement or otherwise agreed between a Control Party, Ancillary Party and Anchorage, including, without limitation, through an Authenticated Instruction by a Control Party on Client’s behalf or Ancillary Party on Client’s behalf.
- (h) From time to time, Anchorage may, in its sole discretion, offer Client additional optional services involving settlement services (“**Optional Settlement Services**”). Client may elect to accept the applicable Optional Settlement Service being offered by signing the Settlement Services Addendum attached to this Agreement (as may be amended in connection with the applicable Optional Settlement Service), or by accepting such services in the Anchorage Platform if offered therein. In the event Client accepts Optional Settlement Services, Client agrees to comply with all terms and conditions set forth under the applicable Settlement Services Addendum.
- (i) Client agrees that Client is solely responsible for any gas or network fees necessary for the transfer of Digital Assets pursuant to Client Directions. To the extent a Client’s Digital Assets are unable to be transferred out of the Account due to insufficient gas or network fees necessary for the transfer, Client agrees to deposit additional Digital Assets to permit such transfer, otherwise the Direction to transfer such Digital Assets shall be deemed canceled and void. Anchorage shall not be liable for paying any gas or network fees on behalf of Client, unless otherwise agreed in writing between the parties, and shall not be liable for any canceled Directions due solely to insufficient gas or network fees.
- (j) Vesting Schedules. By custodying Digital Assets from validators, protocols, or token issuers (each a “**Token Issuer**”) with a Vesting Schedule (“**Restricted Assets**”) with Anchorage, Client agrees that Restricted Assets may be subject to the applicable Vesting Schedule imposed by the applicable Token Issuer. Anchorage may, as required by Token Issuer, act in accordance with and comply on a best efforts basis with the applicable Vesting Schedule, such that all Restricted Assets deposited in Client Account or Vault shall remain restricted from withdrawal by Client in accordance with the applicable Vesting Schedule provided by the Token Issuer, and as instructed by the Token Issuer to Anchorage. Accordingly, Client acknowledges and agrees that Client may not be able to withdraw any Restricted Assets from Client Account or Vault until such assets have vested pursuant to the applicable Vesting Schedule as provided by Token Issuer, and in the case of any conflict between Client Directions regarding Restricted Assets and the applicable Vesting Schedule, Anchorage is hereby authorized by Client to act in accordance with the Vesting Schedule.

- (k) Token Issuer Risks. Client acknowledges and agrees that Anchorage is not responsible for decisions made by any Token Issuer, or for any changes to any Vesting Schedule made by the Token Issuer once Client's Restricted Assets are deposited with Anchorage, and Client acknowledges and accepts any risks associated with decisions made by Token Issuer, which are outside of Anchorage's control. If Client causes Anchorage to follow any Client Directions that would result in any of the Client Account(s) being in violation of any applicable Vesting Schedule, Client agrees to indemnify and hold Anchorage harmless against any Claims by the Token Issuer.
- (l) Unless acting in accordance with Section 1.2(j) or (k), Anchorage shall only follow the Directions from Client.
- 1.3. Storage of Digital Assets. Anchorage will receive Digital Assets for storage by generating Private Keys and their Public Key pairs, with Anchorage retaining custody of such Private Keys. Upon receipt, Anchorage will custody the Digital Assets in Client's name or Accounts established for the benefit of the Client, unless otherwise specified in (a) an applicable Client Service Provider Agreement, or (b) instructions provided by a Client Service Provider or a Control Party pursuant thereto. Anchorage shall be deemed to have received a Digital Asset after the Digital Asset's receipt has been confirmed on the relevant Blockchain or otherwise ledged to Anchorage's satisfaction.
- 1.4. Accounting for Digital Assets. At all times, Client owns Digital Assets and fiat currency (if applicable) held by Anchorage on behalf of Client under this Agreement, unless otherwise specified in (a) an applicable Client Services Provider Agreement, or (b) instructions provided by a Client Service Provider or a Control Party pursuant thereto. Client Digital Assets and fiat currency shall be kept separate from the assets of Anchorage and shall not be reflected on Anchorage's balance sheet as assets of Anchorage. Anchorage will record on its books and records all Digital Assets and fiat currency (if applicable) received by it for the Account and will segregate Digital Assets from those of any other person or entity, unless otherwise specified in (i) an applicable Client Service Provider Agreement, or (ii) instructions provided by a Client Service Provider or a Control Party pursuant thereto. Anchorage will provide Client with access to the Technology Platform for transaction records and holdings and will provide Client monthly statements that show balances and transaction records of Client Digital Assets. Upon commercially reasonable notice to Anchorage, Anchorage will provide Client copies of the books and records pertaining to the Client that are in the possession or under the control of Anchorage. The books and records maintained by Anchorage will, to the extent applicable, be prepared and maintained in all material respects as required by applicable Laws.
- 1.5. Authority to Assign or Pledge. Subject to applicable Law, Client's Digital Assets and fiat currency shall not be subject to any right, charge, security interest, lien or claim of any kind in favor of Anchorage or any of its Affiliates or of any creditor of any of them, and Anchorage shall not have the independent right or authority to assign, hypothecate, pledge, encumber or otherwise dispose of any Client Digital Assets or fiat currency. The Digital Assets in the Account and the fiat currency in the Deposit Account, as defined in Section 2.7, are not general assets of Anchorage or of any of its Affiliates and are not available to satisfy claims of any creditors of Anchorage or of any of its Affiliates.
- 1.6. Application of UCC. Except as may be otherwise provided in this Agreement or applicable Law, the Parties agree the relationship between Anchorage and Client is governed by Article 8 of the Uniform Commercial Code, as adopted and implemented under South Dakota law ("UCC"), and that for the purposes of this Agreement, (i) Client is an "entitlement holder" and any Digital Assets credited to the Account for Digital Assets or the Deposit Account for fiat currency, as defined in Section 2.7, shall be treated as a "financial asset" within the meaning of SDCL 57A-8-102(a)(7) and (9); (ii) Anchorage is a "securities intermediary" pursuant to SDCL 57A-8-102(a)(14) with respect to all financial assets held in such securities accounts; (iii) Anchorage maintains its accounts as "securities accounts" pursuant to SDCL 57A-8-501 in the ordinary course of business; and (iv) should Client enter into an agreement with Lending, then instructions given by Lending hereunder are "entitlement orders" pursuant to SDCL 57A-8-507, and Lending is an "entitlement holder" pursuant to SDCL 57A-8-102.

- 1.7. Rights of Use; Limits on Use. Subject to the terms of this Agreement, including compliance with Schedule B (Technical and Equipment Specifications) and Client's confidentiality obligations under Section 8, Anchorage hereby grants to Client a non-sublicensable, non-exclusive, worldwide right during the Term to access the Technology Platform. The foregoing rights grant extends to access and use by Authorized Persons, and for the Anchorage API only, to Third Parties authorized by Client, subject to Section 2.3(b). Client will not, and will use reasonable efforts not to permit Authorized Persons or Third Parties to: (i) directly or indirectly copy, disseminate, display, distribute, publish, sell, or otherwise use or disclose any part of the Technology Platform, or create any works or other materials based on or derived from any part of the Technology Platform; (ii) reverse engineer, decompile, or disassemble the software used in the Technology Platform; (iii) sell, rent, lease, or license Client's right to use the Technology Platform except as may be set out under this Agreement; or (iv) use the Technology Platform or Services in any other way not expressly authorized by this Agreement.
- 1.8. Support and Maintenance. Subject to applicable Law, as part of the Services and at no additional cost to Client, Anchorage will (i) make available the Technology Platform, and (ii) provide other Support Services as described in this Agreement.
- 1.9. Business Continuity Policy. Anchorage shall maintain a business continuity policy applicable to Anchorage's performance of Services.
- 1.10. Forks, Airdrops.
- (a) Should a Fork occur: (i) Anchorage retains the right, in its sole discretion, to determine whether or not to support (or cease supporting) either Forked Network; (ii) in connection with determining to support a Forked Network, Anchorage may suspend certain operations, in whole or in part (with or without advance notice), for however long Anchorage deems necessary, in order to take the necessary steps, as determined in its sole discretion, to perform obligations hereunder with respect to supporting a Forked Network; (iii) Client hereby agrees that Anchorage shall determine, in its sole discretion, whether to support such Forked Network and that Client shall have no right or claim against Anchorage related to value represented by any change in the value of any Digital Asset (whether on a Forked Network or otherwise), including with respect to any period of time during which Anchorage exercises its rights described herein with respect to Forks and Forked Networks; (iv) Anchorage will use commercially reasonable efforts to timely select, in its sole discretion, at least one (1) of the Forked Networks to support and will identify such selection in a written notice.
- (1) With respect to a Forked Network that Anchorage chooses not to support, it may, in its sole discretion, elect to (x) abandon or otherwise not pursue obtaining the Digital Assets from that Forked Network, or (y) deliver the Digital Assets from that Forked Network to Client within a time period as determined by Anchorage in its sole discretion, together with any credentials, keys, or other information sufficient to gain control over such Digital Assets (subject to the withholding and retention by Anchorage of any amount reasonably necessary, as determined in Anchorage's sole discretion, to fairly compensate Anchorage for the efforts expended to obtain and deliver such Digital Assets to Client).

With respect to Forked Networks that Anchorage chooses to support, Client may be responsible for the fees for such support (to be negotiated), and Client acknowledges and agrees that Anchorage assumes no responsibility with respect to any Forked Network and related Digital Assets that it chooses not to support.

- (b) Client acknowledges that Digital Asset values can fluctuate substantially which may result in a total loss of the value of Digital Assets. The supply of Digital Assets available as a result of a Forked Network and Anchorage's ability to deliver Digital Assets resulting from a Forked Network may depend on circumstances or Third Party providers that are outside of Anchorage's control. Anchorage does not own or control any of the protocols that are used in connection with Digital Assets and their related Digital Asset networks, including those resulting from a Forked Network. Accordingly, Anchorage disclaims all liability relating to a Forked Network and any change in the value of any Digital Assets (whether on a Forked Network or otherwise), and makes no guarantees regarding the security, functionality, or availability of such protocols or Digital Asset networks. Client accepts all risks associated with the use of Anchorage's services to conduct transactions, including, but not limited to, in connection with the failure of hardware, software, and internet connections except for any failure of Anchorage's hardware and software due to Anchorage's Bad Acts or breach of applicable law.

- (b) In the event that a Digital Asset network, entity or person (a "Sender") attempts to or does contribute (sometimes called "airdropping" or "bootstrapping") its Digital Assets (collectively, "**Airdropped Digital Assets**") to holders of Digital Assets on an existing Digital Asset network and Client notifies Anchorage in writing of such event, Anchorage may, in its sole discretion, elect to: (i) subject to an airdrop fee to be determined and previously disclosed to Client in writing, support the Airdropped Digital Asset for custody and, if appropriate, reconcile Account(s); (ii) abandon or otherwise not pursue obtaining the Airdropped Digital Assets; or (iii) within a time period as determined by Anchorage in its sole discretion, deliver the Airdropped Digital Assets from that Digital Asset network to Client, together with any credentials, keys, or other information sufficient to gain control over such Airdropped Digital Assets (subject to the withholding and retention by Anchorage of any amount reasonably necessary, as determined in Anchorage's sole discretion, to fairly compensate Anchorage for the efforts expended to obtain and deliver such Airdropped Digital Assets to Client). If Anchorage supports, obtains or delivers Airdropped Digital Assets, such actions will not create any relationship between the Sender and Anchorage, grant any interest or rights to the Sender (including, without limitation, any Third Party beneficiary rights), or subject Anchorage to any obligations as it relates to the Sender.

- 1.11. Generally. Notwithstanding any federal, state or local Law to the contrary regarding any common law or contractual duty, Client agrees that Anchorage will perform only such duties as are expressly set forth herein as Services (including duties and obligations related to carrying out such Services), and no additional duties or obligations shall be implied. Anchorage has the authority to do all acts that Anchorage reasonably determines are necessary, proper, or convenient for it to perform its obligations under this Agreement, and nothing contrary to Section 6.1, Anchorage shall have no obligation to perform acts which it reasonably believes following written advice of qualified counsel in such jurisdiction do not comply with applicable Laws. In providing the Services, Anchorage has no duty to inquire as to the provisions of or application of any agreement or document other than this Agreement, as may be further amended from time to time, notwithstanding its receipt of such agreement or document.

2. Client Responsibilities and Acknowledgements.

2.1. Account Acceptance; Authorized Person Designations.

- (a) Services will be provided only after Client's successful completion of the account acceptance process, including but not limited to the onboarding process in Section 2.3(a), as determined in Anchorage's sole discretion. Anchorage may terminate this Agreement upon fourteen (14) days' prior written notice to the Client due to Client's failure to complete the onboarding process with Anchorage. To complete the acceptance process or any future refresh of information and documents, Client shall, unless prohibited by applicable law, regulation or legal order, provide Anchorage with applicable information and documents reasonably necessary for legal compliance, which include but are not limited to, information necessary for Anchorage's compliance with the Bank Secrecy Act ("BSA"), and all Laws and regulations relating to anti-money laundering ("AML"), Know-Your-Customer ("KYC"), counter-terrorist financing, sanctions screening requirements, or any other legal obligations, in each case, as reasonably determined by Anchorage in its sole discretion. Upon acceptance of Client by Anchorage, Client shall nominate and manage Authorized Persons; provided that if Client has entered into, or at any time enters into, a Client Service Provider Agreement or Control Agreement that (i) contemplates or requires an Authorized Person to be nominated by a Third Party or (ii) can only be reasonably implemented through the use of Authorized Persons that are nominated by a Third Party, then Authorized Persons shall be nominated in accordance with such agreement.
- (b) In order to be approved as an Authorized Person, nominated persons must agree via click-through or by logging into the Anchorage application to data collection permissions and related policies provided in the Anchorage application and Technology Platform, including privacy policies and other terms, which may be amended from time to time. A copy of the then-current versions of such privacy policies and other terms will be provided at the written request of Client. As set forth herein, Client is generally responsible for the actions or inactions of all Authorized Persons at all times, including their intentional or unintentional use of the Services, but not for any coerced actions of such Authorized Persons outside of Client's control. With respect to Client's primary custody Account, Client will initially nominate three (3) or more individuals as Authorized Persons prior to initiation of Client on-boarding by Anchorage, and a minimum of two (2) of three (3) Authorized Persons must approve an Authenticated Instruction. Anchorage reserves the right in its reasonable sole discretion to change the minimum number of Authorized Persons to be designated or which are required to approve a Direction, and if such change is required, Client shall be notified in advance with sufficient time to make required changes to not impact the Services.
- (c) With respect to any Account or Vault opened in connection with a Client Service Provider Agreement or Control Agreement, the applicable Third Party shall nominate the agreed-upon number of individuals as Authorized Persons, and the Quorum shall be determined as required by such agreement. Subsequent to the approval and on-boarding of initial Authorized Persons, Client or an approved Third Party (pursuant to a Client Service Provider Agreement or Control Agreement) may nominate additional Authorized Persons or revoke an Authorized Person's status, each through a Direction to be approved by a Quorum.

- 2.2. Acceptable Devices. Unless expressly agreed upon otherwise, Client shall maintain a separate Acceptable Device for each Authorized Person. The Acceptable Device must have Internet accessibility and meet other technical specifications prescribed by Anchorage in Schedule B.
- 2.3. Authorized Persons; Anchorage API.
- (a) Each person nominated by Client as an Authorized Person must be confirmed by Anchorage as an Authorized Person, such confirmation not to be unreasonably withheld, conditioned or delayed. Authorized Persons may be required to successfully complete the onboarding process and training, which may include (i) installing the Anchorage application onto the person's Acceptable Device; and (ii) training on the Services regarding the creation of Directions or joining a Quorum. Upon completion of Anchorage's reasonable onboarding process and any training, to Anchorage's reasonable satisfaction in its sole discretion, the nominated person will be designated by Anchorage as one of Client's Authorized Persons and their device designated by Anchorage as an Acceptable Device, such that they may create Directions or join a Quorum.
 - (b) As part of the Services, Anchorage may provide Client with access to the Anchorage API, through which Client may permit Third Party access to the Account(s) or Technology Platform. Anchorage shall follow any Directions submitted via the Anchorage API, including Directions for withdrawals and external transfers of Client's Digital Assets, as though such Directions were submitted from and by Client and without additional authentication, unless otherwise specified in this Agreement. Authorized Persons may generate API keys and assign roles to a Third Party, including without limitation, a Third Party application, subject to their compliance with the Anchorage API's Documentation, and applicable Law. Client and all Authorized Persons shall use industry best practices to safeguard any generated Anchorage API keys. Client shall be responsible for all Third Party access to the Account(s) and Directions submitted via the Anchorage API, and Anchorage shall not be liable for following any instructions submitted via an Anchorage API key unless Anchorage's gross negligence, willful misconduct or violation of applicable law caused unauthorized access to or possession of such key.
- 2.4. On-Chain Services. From time to time, Anchorage may, in its sole discretion, offer Client additional optional services involving on-chain transactions (other than deposits and withdrawals included in Anchorage's basic custody service), which may include staking, voting, vesting, signaling, and other activities requiring interaction with the applicable blockchain ("**On-Chain Services**").
- (a) *Offer and Acceptance of On-Chain Services.* Anchorage may offer On-Chain Services by presenting the option to elect such services in the Anchorage application to Authorized Persons of Client. Any offer for On-Chain Services will include the following terms:
 - i) a basic description of the On-Chain Service;
 - ii) a disclosure of the material risks of the On-Chain Service;

 - iv) any other key terms of the On-Chain Service, as applicable (for example, Anchorage will disclose if Digital Assets must be locked for a minimum period and would not be immediately accessible to Client); and
 - v) an option to expressly agree to the On-Chain Service.

Any Authorized Person may accept an On-Chain Service on behalf of Client by clicking on the button indicating the Authorized Person's election of such service ("Agree" or similar) on behalf of Client.

- (b) *Cancellation of On-Chain Services.* Any Authorized Person may cancel an On-Chain Service at any time; provided, however, that in cases where Digital Assets are locked up for a certain period pursuant to the blockchain protocol, Anchorage will release locked Digital Assets when and as permitted by the applicable blockchain protocol. If Client desires to cancel an On-Chain service, Client may do so through the Anchorage application.
- i) Anchorage may discontinue an On-Chain Service at any time without notice for any reason. If Anchorage decides to discontinue an On-Chain Service, Anchorage will reimburse any pre-paid fees, expenses or other amounts (if applicable) in connection with such On-Chain Service and reasonably endeavor to provide as much notice to Client as reasonably possible, however Anchorage shall not be liable for any loss of rewards, slashing, penalty, or additional fees that may be incurred by the Client on the blockchain protocol.
- 2.5. Legal Compliance. Notwithstanding any other provision in this Agreement, Client agrees at all times to (i) fully satisfy Anchorage's reasonable information requests in Anchorage's sole discretion and other requirements, including but not limited to those relating to Authorized Persons or Digital Assets; (ii) notify Anchorage if Client becomes a target of any BSA or Digital Asset related investigation or prosecution, which Client determines, in its sole and absolute discretion, that Anchorage is likely to receive requests from the applicable party; (iv) notify Anchorage of any changes in jurisdiction by Client due to which Anchorage is required to run appropriate KYC, AML, and other required checks pursuant to applicable Law or by the OCC, which may have a material adverse effect on Anchorage or its ability to provide the Services specified herein, which Client determines, in its sole and absolute discretion does not violate applicable law or regulation it is subject to; and (v) provide Anchorage full reasonable cooperation in connection with any inquiry or investigation made or conducted by the OCC as a result of the actions contemplated by this Agreement. Anchorage will have no obligation to provide the Services if Client or Authorized Persons fail to comply with the foregoing to Anchorage's reasonable satisfaction. Client agrees to notify Anchorage reasonably promptly if it becomes aware of any suspicious activity or pattern of activity, or any activity, in each case related to this Agreement, which it knows is in violation of applicable Laws and may have a material adverse impact on its ability to engage in the activities contemplated herein.

If disclosure is required, the Receiving Party shall limit the disclosure of the Confidential Information to only the portions required to be disclosed. Notwithstanding the foregoing, Anchorage may disclose any Confidential Information of Client required by the OCC, or that is required to be provided to, any other state, federal, or international governmental or regulatory body with jurisdiction over Anchorage without prior notice to Client. - a) The Indemnifying Party further agrees to indemnify the other Indemnifying Party for actual, reasonable legal costs and expenses directly related to Client's Account(s) or any related account that are a result of any regulatory inquiry, legal action, litigation, dispute, or investigation whether such situations occur or are anticipated, that arise or relate to the relevant Indemnifying Party. Client further agrees to defend, indemnify and hold Anchorage, its directors, officers, employees and agents, and any financial institution engaged strictly pursuant to this Agreement, provided that such Losses or Claims do not result from a Bad Act (except as otherwise agreed in this Agreement), harmless from and against any Losses or Claims arising from or related to (i) Anchorage's execution of the Directions instituted by Client or anyone acting on Client's behalf or at its direction pursuant to this Agreement (such as a Client Service Provider, Token Issuer, or Control Party), including but not limited to requests for withdrawals by wire transfer made from Client's portion of the Deposit Accounts; (ii) instructions submitted via the Anchorage API, provided that such instructions were submitted pursuant to a validly generated Anchorage API key; (iii) the actions or omissions of any party to whom the Client may have given access to an Anchorage API key; and (iii) acknowledgements in Section 2.6(a)-(r).

Client will be entitled to control the handling of any such Claim and to defend or settle any such Claim, in its sole discretion, with counsel of its own choosing, except that any settlement for other than money damages will be subject to the approval of the Anchorage, which approval will not be unreasonably delayed, conditioned or withheld. The Indemnifying Party may not settle any Claim without the prior written consent of the other Party where such proposed settlement may limit, materially interfere with, or otherwise adversely affect the rights of the other Party herein.

- 10.1. LIMITATION OF LIABILITY. EXCEPT FOR (A) EITHER PARTY'S BAD ACTS, CONFIDENTIALITY OBLIGATIONS UNDER SECTION 8, INDEMNIFICATION OBLIGATIONS UNDER SECTION 9, OR (B) CLIENT'S OBLIGATIONS WITH RESPECT TO RIGHTS TO OR LIMITS ON USE UNDER SECTION 1.7, IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY LOSSES, WHETHER IN CONTRACT, TORT OR OTHERWISE, INCURRED BY THE PARTY, FOR ANY AMOUNT IN EXCESS OF FEES PAID BY CLIENT IN THE TWELVE (12) MONTHS PRIOR TO WHEN THE LIABILITY ARISES. FOR THE AVOIDANCE OF DOUBT, ANCHORAGE SHALL BE LIABLE FOR ANY DAMAGES, OTHER LIABILITIES, OR HARM TO ANY PERSON OR ENTITY RELATING TO SECTION 6.4.

- 10.2. DAMAGES LIMITATION. IN NO EVENT WILL A PARTY BE LIABLE FOR (I) LOSSES WHICH ARISE FROM A PARTY'S COMPLIANCE WITH APPLICABLE LAWS, INCLUDING SANCTIONS LAWS ADMINISTERED BY OFAC; OR (II) SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR LOST PROFITS OR LOSS OF BUSINESS ARISING IN CONNECTION WITH THIS AGREEMENT. IN ADDITION TO THE FOREGOING, ANCHORAGE SHALL NOT BE LIABLE FOR ANY LOSSES WHICH ARISE AS A RESULT OF THE NON-RETURN OF DIGITAL ASSETS THAT CLIENT HAS DELEGATED TO ANCHORAGE OR A THIRD PARTY FOR ON-CHAIN SERVICES, SUCH AS STAKING, VOTING, VESTING, AND SIGNALING, UNLESS SUCH LOSSES OCCUR AS A RESULT OF ANCHORAGE'S FRAUD OR INTENTIONAL MISCONDUCT.

FOR THE AVOIDANCE OF DOUBT, THE LIMITATION OF LIABILITY IN THIS SECTION 10 IS A SEPARATE LIMITATION OF LIABILITY AS TO EACH PARTY AND SHALL NOT INCLUDE ANY AMOUNT PAID BY CLIENTS IN THE AGGREGATE.

11. Dispute Resolution; Binding Arbitration.

- 11.1. Initial Resolution; Mediation. In the event of any dispute, potential claim, question, or disagreement arising from or relating to this Agreement or the breach thereof (collectively, a "**Dispute**"), the aggrieved Party shall notify the other of the aggrieved Party's intent to address and resolve the Dispute, and the specific terms of such Dispute. The Parties shall use their commercially reasonable efforts to promptly settle the Dispute. Such efforts will include, at a minimum, that executives of each Party consult, meet in person, and negotiate with each other in good faith. If the Parties do not resolve the Dispute pursuant to the foregoing paragraph within a period of 30 days following the aggrieved Party's notice, then, upon notice by either Party to the other, the Parties agree to confidentially mediate the Dispute in good faith according to the American Arbitration Association ("**AAA**") Commercial Mediation Procedures in Sioux Falls, South Dakota or another location agreed to by the Parties. The Parties shall work in good faith with the mediator to attempt to complete the mediation within 30 days of such notice.
- 11.2. Arbitration. If the parties do not resolve the Dispute pursuant to the foregoing paragraph, then, upon notice by either Party to the other, the Dispute shall be finally settled by binding arbitration administered by the AAA in accordance with the provisions of its rules applicable to commercial disputes. The arbitration shall be conducted on a confidential basis in Sioux Falls, South Dakota, or another location agreed to by the Parties. The arbitration shall be conducted before a single arbitrator experienced in contract, finance and technology law. Any decision or award shall be in writing and shall provide an explanation for all conclusions of law and fact. The arbitrator may award the prevailing Party on each claim or defense, if any, as determined by the arbitrator, some or all of its Costs, in the arbitrator's sole discretion. "**Costs**" mean all reasonable pre-award expenses of the arbitration, including the arbitrators' fees, administrative fees, out-of-pocket expenses such as copying and telephone, witness fees, and reasonable attorneys' fees.

No Party shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce any agreement to arbitrate shall not constitute a waiver of any rights under this Agreement except to the extent stated herein.

- 11.3. Exception for Protection of Confidential Information. The Parties each agree that the protection of Confidential Information is necessary and reasonable in order to protect the Disclosing Party and its business. The Parties each expressly agree that monetary damages would be inadequate to compensate the Disclosing Party for any breach of its Confidential Information. Accordingly, each Party agrees and acknowledges that any such violation or threatened violation would cause irreparable injury to the Disclosing Party and that, in addition to any other remedies that may be available, in law, in equity or otherwise, the Disclosing Party shall be entitled to obtain injunctive relief against the threatened breach or continued breach by the Receiving Party, without the necessity of proving actual damages.

12. General Provisions.

- 12.1. Independent Contractor. It is understood by the Parties that Anchorage is an independent contractor, and that this Agreement does not create or constitute a partnership, joint venture or employment relationship between the Parties.
- 12.2. No Third Party Beneficiaries. This Agreement is not intended to and shall not be construed to give any Third Party any interest or rights (including, without limitation, any Third Party beneficiary rights) with respect to or in connection with any agreement or provision contained herein or contemplated hereby, except as otherwise expressly provided for in this Agreement.
- 12.3. Publicity and Client Identification. The existence and subject matter of this Agreement, including Fees, is deemed the Confidential Information. Anchorage acknowledges that Client is legally required to disclose certain contents of the Agreement as it relates to filing for trust or exchange-traded funds services, and the Client agrees to cooperate with Anchorage to release only the relevant section in this Agreement as approved in writing by Anchorage, so long as such sections are not required to be disclosed by applicable law, regulation or policy in which case Anchorage approval shall not be required. In each case, Anchorage's consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, for the Term of the Agreement, Client may use Anchorage's name and approved or publicly available trademarks to identify Anchorage as its Digital Asset custodian services provider, and Anchorage may use Client's name and approved or publicly available trademarks to identify Client as a customer of Anchorage with Client's prior written consent. Any use of a Party's trademarks shall be in a form reasonably acceptable to that Party.
- 12.4. Force Majeure. Neither Party will be liable to the other Party for the failure to perform or delay in the performance of its obligations under this Agreement to the extent such failure or delay is caused by or results from a Force Majeure Event. The affected Party will not be held liable by the other Party for such non-performance or delay as long as the fact of the occurrence of such Force Majeure Event is duly proven or is reasonably provable. Notwithstanding the foregoing, if the delay in performance exceeds thirty (30) days, the Party awaiting performance will be permitted to terminate this Agreement upon five (5) days' prior written notice to the other Party, with no further obligation to the Party claiming excusable delay.
- 12.5. Notices. All notices required or permitted under this Agreement will be in writing and delivered by courier, mail, electronic mail, or within the Anchorage application (except for service of legal process which shall be by courier). A Party's email addresses, or physical address may be changed from time to time by either Party by providing written notice to the other in the manner set forth above.

- 12.6. Execution in Counterparts and by Electronic Means. This Agreement may be executed in counterparts and by electronic means and the Parties agree that such electronic means and delivery will have the same force and effect as delivery of an original document with original signatures.
- 12.7. Entire Agreement; Amendment. This Agreement includes all exhibits, schedules, and attachments referenced herein, all of which are incorporated herein by this reference. This Agreement is the final, complete, and entire agreement of the Parties. There are no other promises or conditions in any other agreement, oral or written. This Agreement supersedes and replace, as applicable, any prior promises, agreements, representations, undertakings, or implications whether made orally or in writing between the Parties related to the subject matter of this Agreement, including but not limited to, any prior Master Custody Services Agreements entered into between the Parties which shall be deemed terminated upon the execution of this Agreement. The Agreement may only be modified or amended in writing and signed by both Parties.
- 12.8. Remedies Cumulative. Each Party will have all of the rights and remedies provided by law in addition to the rights and remedies set forth in this Agreement and in any other agreement or writing between the Parties. All of a Party's rights and remedies are cumulative and may be exercised from time to time, and the pursuit of one right or remedy will not constitute an exclusive election or otherwise preclude or limit its pursuit of any other or additional right or remedy.
- 12.9. Severability. If any provision of this Agreement will be held to be invalid or unenforceable for any reason, the remaining provisions will continue to be valid and enforceable. If a court finds that any provision of this Agreement is invalid or unenforceable, but that by limiting such provision it would become valid and enforceable, then such provisions will be deemed to be written, construed and enforced as so limited.
- 12.10. Assignment. No Party may assign any of its rights under this Agreement or delegate its performance under this Agreement without the prior written consent of the other Party; except that Anchorage may assign its rights and delegate its performance under this Agreement to: (i) any entity that acquires all or substantially all of its assets; (ii) any Affiliate that controls, is controlled by, or is under common control with Anchorage; and (iii) any successor in a merger, acquisition, or reorganization, including any judicial reorganization. provided, that, in the case of the preceding clauses (i) and (iii), Client is, if reasonably practicable and permissible pursuant to applicable law and contractual confidentiality provisions, provided reasonable written notice.
- 12.11. Use of Affiliates. Anchorage may use Anchorage Affiliates to provide certain Services as directed by Anchorage and disclosed to Client upon Client's reasonable request. Without limiting the generality of the foregoing, Anchorage hereby discloses that it is a subsidiary of Anchor Labs, Inc., which provides certain technology and administrative services to Anchorage in support of Anchorage's provision of Services hereunder, pursuant to an Intercompany Services Agreement between Anchorage and Anchor Labs, Inc. Anchorage is, and will at all times be, responsible for the acts and omissions of its Affiliates, including Anchor Labs, Inc., and all provisions under this Agreement that are applicable to Anchorage will apply equally to its Affiliates, including Anchor Labs, Inc. For the avoidance of doubt, this section does not apply to Anchorage's use of a Vendor, Fiat Institution, or other service provider.
- 12.12. No Waiver of Contractual Right. The failure of either Party to enforce any provision of this Agreement will not be construed as a waiver or limitation of that Party's right to subsequently enforce and compel strict compliance with every provision of this Agreement. A waiver or consent given on one occasion is effective only in that instance and will not be construed as a bar to or waiver of any other right on any other occasion.
- 12.13. Governing Law. Except to the extent, it is governed by federal banking Law and any other Laws referenced in this Agreement, this Agreement will be governed by and construed exclusively in accordance with the laws of the State of South Dakota, without regard to its conflicts of laws provisions or rules. Subject to Section 11, the Parties hereby agree to submit to the exclusive jurisdiction of any appropriate court located in the State of South Dakota or the United States District Court for South Dakota located in the city of Sioux Falls, South Dakota, as a forum for litigation. Each of the Parties hereto hereby waives all right to trial by jury in any lawsuit, action, proceeding or counterclaim arising out of this Agreement.
- 12.14. Survival. Any expiration or termination of this Agreement will not affect any accrued claims, rights or liabilities of Parties, and all provisions which must survive to fulfill their intended purposes, or by their nature are intended to survive such expiration or termination will survive, including Sections 2 - 12, and the Schedules.

SCHEDULE A DEFINITIONS

“**Account**” means an account established in the name of, or for the benefit of a Client, in which the ownership of Digital Assets is recorded and to which Digital Assets are credited. Each Account is recorded separately on Anchorage’s books and records and has one or more unique wallet addresses. An organization may have one or more Accounts, and an Account may have one or more Vaults. The Authorized Persons and Quorum requirements for each Account may differ from those of other Accounts.

“**Acceptable Device**” means a hardware device with software configuration set forth in Schedule B.

“**Affiliate**” means an entity controlling, controlled by or under common control with a Party.

“**Anchorage API**” means the application programming interface, as such may be modified from time to time, made available by Anchorage as part of the Services.

“**Annual Basis Points**” refers to the annual rate for custody fees. Monthly Custody Fees are charged at the rate of one-twelfth of the listed annual rate.

“**AUC**” or “**Assets Under Custody**” means the average daily balance of Client Digital Assets and NFTs in Anchorage’s custody each month, calculated after the conclusion of each month, where the average daily balance is determined by adding each daily balance and dividing the sum of the daily balances by the number of days in such month (or in the case of the first month, by the number of days in such month following the Fees Commencement Date). For Digital Assets, Daily balances are calculated in U.S. Dollars by applying closing prices, as provided by CryptoCompare.com at the close of each day (UTC), or if unavailable, other reliable, reputable third party pricing sources, selected at Anchorage’s sole discretion, to the end of day holdings in the Account. If such source(s)’ closing prices for certain Digital Assets are unavailable, or Anchorage reasonably determines that such prices are unreliable due to low or inconsistent trading volumes, Anchorage may use fixed pricing for such Digital Assets, which will be determined in Anchorage’s reasonable sole discretion. For NFTs, Daily balances are calculated in U.S. Dollars based on the corresponding NFT collection floor price. NFT collection floor price means the lowest listed price of any NFT within a collection at a given time, as determined by Anchorage at its sole discretion, provided that such floor price may be subject to change when a reliable, reputable third party pricing source, selected at Anchorage’s sole discretion, becomes available.

Where the purpose of an Authenticated Instruction relates to Digital Assets, such an Authenticated Instruction is an Entitlement Order for purposes of the UCC.

Daily balances are calculated in U.S. Dollars based on the corresponding NFT collection floor price.
