STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This quarterly report on Form 10-Q includes "forward-looking statements" that generally relate to future events or future performance. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expect," "intend," "plan," "anticipate," "believe," "estimate," "predict," "potential" or the negative of these terms or other comparable terminology. All statements (other than statements of historical fact) included in this report that address activities, events or developments that will or may occur in the future, including such matters as movements in the digital asset markets and indexes that track such movements, the operations of ARK 21Shares Bitcoin ETF (the "Trust"), the plans of 21Shares US LLC (the "Sponsor"), as the sponsor of the Trust, and references to the Trust's future success and other similar matters, are forward-looking statements. These statements are only predictions. Actual events or results may differ materially. These statements are based upon certain assumptions and analyses the Sponsor and ARK Investment Management LLC (the "Sub-Adviser") have made based on their perception of historical trends, current conditions and expected future developments, as well as other factors appropriate in the circumstances.

Whether or not actual results and developments will conform to the Sponsor and the Sub-Adviser's expectations and predictions, however, is subject to a number of risks and uncertainties, including the special considerations discussed in this report, general economic, market and business conditions, changes in laws or regulations, including those concerning taxes, made by governmental authorities or regulatory bodies, and other world economic and political developments. Consequently, all the forward-looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that actual results or developments the Sponsor and the Sub-Adviser anticipate to occur will be realized or, even if substantially realized, that they will result in the expected consequences to, or have the expected effects on, the Trust's operations or the value of its common shares of beneficial interest (the "Shares").

Should one or more of these risks discussed in "Risk Factors" herein or in Part I, Item 1A. "Risk Factors" in our Annual Report on Form 10-K filed on March 2, 2026, for the period ended December 31, 2025 (the "Annual Report"), or other uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those described in forward-looking statements. Forward-looking statements are made based on the Sponsor's and the Sub-Adviser's beliefs, estimates and opinions on the date the statements are made, and neither the Trust, the Sponsor nor the Sub-Adviser is under a duty or undertakes an obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, other than as required by applicable laws. Moreover, neither the Trust, the Sponsor, the Sub-Adviser, nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. Investors are therefore cautioned against placing undue reliance on forward-looking statements.

1. Organization

The ARK 21Shares Bitcoin ETF (the "Trust") is a Delaware statutory trust, formed on June 22, 2021, pursuant to the Delaware Statutory Trust Act ("DSTA"). The Trust operates pursuant to an Amended and Restated Trust Agreement (the "Trust Agreement"). CSC Delaware Trust Company, a Delaware trust company, is the trustee of the Trust (the "Trustee"). The Trust is managed and controlled by 21Shares US LLC (the "Sponsor"). The Sponsor is a limited liability company formed in the state of Delaware on June 16, 2021, and is a wholly owned subsidiary of 21co Holdings Limited. The ultimate parent company of 21co Holdings Limited is FalconX Holdings Limited ("FalconX"). Coinbase Custody Trust Company, LLC ("Coinbase"), BitGo Bank & Trust, N.A. ("BitGo"), BitGo New York Trust Company, LLC ("BitGo New York"), and Anchorage Digital Bank N.A. ("Anchorage", and, together with Coinbase, BitGo and BitGo New York, as the context may require, the "Custodians" and each a "Custodian") are the custodians for the Trust and hold all of the Trust's bitcoin on the Trust's behalf. The transfer agent (the "Transfer Agent"), the administrator for the Trust (the "Administrator"), and the cash custodian (the "Cash Custodian"), is Bank of New York Mellon.

The Trust is an exchange-traded fund that issues common shares of beneficial interest (the "Shares") representing fractional undivided beneficial interests in its net assets that trade on the Cboe BZX Exchange, Inc. (the "Exchange"). The Shares were listed for trading on the Exchange on January 11, 2024, under the ticker symbol "ARKB".

The Trust's investment objective is to seek to track the performance of bitcoin, as measured by the performance of the CME CF Bitcoin Reference Rate—New York Variant (the "Pricing Benchmark"), adjusted for the Trust's expenses and other liabilities. CF Benchmarks Ltd. is the administrator for the Pricing Benchmark (the "Pricing Benchmark Provider"). The Pricing Benchmark is designed to reflect the performance of bitcoin in U.S. dollars. In seeking to achieve its investment objective, the Trust holds bitcoin at its Custodians and values its Shares daily based on the Pricing Benchmark. On June 30, 2026, the Sponsor provided notice to the Pricing Benchmark Provider of the termination, effective August 31, 2026, of the licensing agreement between the Sponsor and the Pricing Benchmark Provider relating to the use of the Pricing Benchmark. The Sponsor intends to enter into a licensing agreement with FTSE International Limited ("FTSE") on or about August 24, 2026, whereby FTSE will provide each of the Sponsor, the Trust, and their affiliates a non-exclusive, non-transferable, non-sub-licensable, worldwide license to access, view and use FTSE index data to develop, create, calculate, settle, maintain or support and market the Trust.

ARK Investment Management LLC (the "Sub-Adviser") is the sub-adviser of the Trust and provides assistance in the marketing of the Shares. The Trust's Shares are neither interests in nor obligations of the Sponsor, the Sub-Adviser, or the Trustee.

On December 12, 2023, the Sponsor, in its capacity as seed capital investor (the "Seed Capital Investor"), subject to conditions, purchased six Shares at a per-Share price of $16.67 (the "Initial Seed Shares"). Total proceeds to the Trust from the sale of the Initial Seed Shares were $100. Delivery of the Initial Seed Shares was made on December 12, 2023. The Initial Seed Shares were redeemed for cash on or about January 5, 2024.

On January 9, 2024 (the "Seed Capital Purchase Date"), the Seed Capital Investor purchased initial seed creation baskets comprising 30,000 Shares (the "Seed Creation Baskets") at a per-Share price of $15.63. Total proceeds to the Trust from the sale of the Seed Creation Baskets were $468,806. On January 9, 2024, the Trust purchased 10 bitcoins with the proceeds of the Seed Creation Baskets by transacting with a bitcoin counterparty, which is a designated third party, who may be an Authorized Participant or an affiliate of an Authorized Participant and with whom the Sponsor has entered into an agreement on behalf of the Trust (a "Bitcoin Counterparty"), to acquire bitcoin on behalf of the Trust in exchange for cash provided by the Sponsor in its capacity as Seed Capital Investor. These Seed Creation Baskets were redeemed for cash on or about January 19, 2024.

Effective June 12, 2024, the Sponsor, on behalf of the Trust, entered into a Master Purchase and Sale Agreement for Digital Assets (the "FalconX Bravo Agreement") with FalconX Bravo, Inc. ("FalconX Bravo"), a registered swap dealer and a subsidiary of FalconX. The FalconX Bravo Agreement governs spot purchase and sale transactions in digital assets conducted on a principal-to-principal basis. Transactions are executed at prevailing market prices and are subject to customary terms and conditions.

On June 2, 2025, the Trust announced that the Sponsor approved a three (3)-for-one (1) share split (the "Share Split") of all of the Trust's outstanding Shares. In connection with the Share Split, every one Share that was held by the Trust's beneficial owners (the "Record Holders") at the close of business on June 12, 2025, automatically split into three Shares after market close on June 13, 2025. The Share Split became effective at market open on June 16, 2025. Following the Share Split, the Shares continued to trade under the ticker symbol "ARKB" under the same CUSIP, and the total net asset value ("NAV") of the Trust did not change as a result of the Share Split. In addition, each Record Holder continued to hold the same percentage of the Trust's outstanding Shares as held immediately prior to the Share Split, and the Share Split did not modify the rights or preferences of the Shares. The investment objective, strategy, and underlying holdings of the Trust remained unchanged.

The statements of assets and liabilities and schedules of investment on June 30, 2026, and the statements of operations, and changes in net assets for the three months and six months ended June 30, 2026 and 2025, have been prepared on behalf of the Trust and are unaudited. In the opinion of management of the Sponsor of the Trust, all adjustments (which include normal recurring adjustments) necessary to present fairly the financial position and results of operations for the six months ended June 30, 2026, and for all interim periods presented, have been included. In addition, interim period results are not necessarily indicative of results for a full-year period.

The fiscal year-end of the Trust is December 31st.

2. Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP" or "GAAP").

The Trust qualifies as an investment company solely for accounting purposes and not for any other purpose and follows the accounting and reporting guidance under the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 946, Financial Services - Investment Companies, but is not registered, and is not required to be registered, as an investment company under the Investment Company Act of 1940, as amended (the "1940 Act"). The Trust uses fair value as its method of accounting for bitcoin in accordance with its classification as an investment company for accounting purposes.

As an investment company for accounting purposes, the Trust is exempt from the requirement to present a statement of cash flows pursuant to ASC Topic 230, Statement of Cash Flows. Accordingly, a statement of cash flows has not been presented.

Accounting Estimates

The preparation of the financial statements in conformity with US GAAP requires the Trust to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ materially from such estimates as additional information becomes available or actual amounts may become determinable. Should actual results differ from those previously recognized, the recorded estimates will be revised accordingly with the impact reflected in the operating results of the Trust in the reporting period in which they become known.

Cash

Cash includes non-interest bearing, non-restricted cash maintained with one financial institution that does not exceed U.S. federally insured limits.

Investment Valuation

US GAAP defines fair value as the price the Trust would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. The Trust's policy is to value investments held at fair value.

The Trust identifies and determines the bitcoin principal market (or in the absence of a principal market, the most advantageous market) for GAAP purposes consistent with the application of the fair value measurement framework in FASB ASC 820 – Fair Value Measurement. A principal market is the market with the greatest volume and activity level for the asset or liability. The determination of the principal market will be based on the market with the greatest volume and level of activity that can be accessed. The Trust obtains relevant volume and level of activity information and based on initial analysis will select an exchange market as the Trust's principal market. The NAV and NAV per Share will be calculated using the fair value of bitcoin based on the price provided by this exchange market, as of 4:00 p.m. ET on the measurement date for GAAP purposes. The Trust will update its principal market analysis periodically and as needed to the extent that events have occurred, or activities have changed in a manner that could change the Sponsor's determination of the Trust's principal market.

Various inputs are used in determining the fair value of assets and liabilities. Inputs may be based on independent market data ("observable inputs") or they may be internally developed ("unobservable inputs"). These inputs are categorized into a disclosure hierarchy consisting of three broad levels for financial reporting purposes. The level of a value determined for an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly, including quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not considered to be active, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3: Unobservable inputs, including the Trust's assumptions used in determining the fair value of investments, where there is little or no market activity for the asset or liability at the measurement date.

(Amounts in thousands)	Fair Value	Level 1	Level 2	Level 3
June 30, 2026 (Unaudited)				
Assets				
Investment in bitcoin	$ 1,889,314	$ 1,889,314	$ –	$ –

(Amounts in thousands)	Amount at Fair Value	Fair Value Measurement Using Level 1	Level 2	Level 3
December 31, 2025				
Assets				
Investment in bitcoin	$ 3,305,394	$ 3,305,394	$ –	$ –

The cost basis of the investment in bitcoin recorded by the Trust for financial reporting purposes is the fair value of bitcoin at the time of purchase. The cost basis recorded by the Trust may differ from proceeds collected by the Authorized Participant from the sale of the corresponding Shares to investors.

Investment Transactions

The Trust considers investment transactions to be the receipt of bitcoin for Share creations and the delivery of bitcoin for Share redemptions or for payment of expenses in bitcoin. The Trust records its investment transactions on a trade date basis and changes in fair value are reflected as net change in unrealized appreciation or depreciation on investments and the net change in unrealized appreciation or depreciation on Sponsor Fee payable. Realized gains and losses are calculated using the specific identification method. Realized gains and losses are recognized in connection with transactions including settling obligations for the Sponsor Fee and the in-kind liabilities paid in connection to the Sponsor Fee in bitcoin.

Calculation of NAV and NAV per Share

On each day other than when the Exchange is closed for regular trading (a "Business Day"), as soon as practicable after 4:00 p.m. ET, the NAV of the Trust is obtained by subtracting all accrued fees, expenses and other liabilities of the Trust from the fair value of the bitcoin and other assets held by the Trust based on the Pricing Benchmark price. The Administrator computes the NAV per Share by dividing the NAV of the Trust by the number of Shares outstanding on the date the computation is made.

Federal Income Taxes

The Sponsor and the Trustee will treat the Trust as a "grantor trust" for U.S. federal income tax purposes. Although not free from doubt due to the lack of directly governing authority, if the Trust operates as expected, the Trust should be classified as a "grantor trust" for U.S. federal income tax purposes and the Trust itself should not be subject to U.S. federal income tax. Each beneficial owner of Shares will be treated as directly owning its pro rata Share of the Trust's assets and a pro rata portion of the Trust's income, gain, losses and deductions will "pass through" to each beneficial owner of Shares. If the Trust sells bitcoin (for example, to pay fees or expenses), such a sale is a taxable event to shareholders of the Trust ("Shareholders"). Upon a Shareholder's sale of its Shares, the Shareholder will be treated as having sold the pro rata share of the bitcoin held in the Trust at the time of the sale and may recognize gain or loss on such sale. The Sponsor has reviewed the tax positions as of June 30, 2026, and has determined that no provision for income tax is required in the Trust's financial statements.

Segment Reporting

The Trust operates in one segment. The segment derives its revenues from Trust investments made in accordance with the defined investment strategy of the Trust, as prescribed in the Trust's prospectus. The Chief Operating Decision Maker ("CODM") is the Chief Executive Officer of the Sponsor. The CODM monitors the operating results of the Trust. The financial information that the CODM leverages to assess the segment's performance and to make decisions for the Trust's single segment is consistent with the financial information that is presented within the Trust's financial statements. Segment assets are reflected on the accompanying Statements of Assets and Liabilities as Total assets and the only significant segment expense, the Sponsor Fee, is included in the accompanying Statements of Operations.

4. Trust Expenses

The Trust pays the unitary Sponsor Fee of 0.21% of the Trust's NAV (the "Sponsor Fee"). The Sponsor Fee is paid by the Trust to the Sponsor as compensation for services performed under the Trust Agreement.

The Sponsor Fee accrues daily and is payable in bitcoin weekly in arrears. The Administrator calculates the Sponsor Fee on a daily basis by applying an annualized rate to the Trust's NAV, and the amount of bitcoin payable in respect of each daily accrual is determined by reference to the Pricing Benchmark. The Trust incurred Sponsor Fees for the six months ended June 30, 2026 and 2025 of $2,756,701 and $4,811,499, respectively. The accrued liability at June 30, 2026 and December 31, 2025 was $73,431 and $71,364, respectively.

As partial consideration for receipt of the Sponsor Fee, the Sponsor shall assume and pay all fees and other expenses incurred by the Trust in the ordinary course of its affairs, excluding taxes, but including (i) fees to the Sub-Adviser; (ii) the fee payable to marketing agents for services provided to the Trust (the "Marketing Fee"), (iii) fees to the Administrator, if any, (iv) fees to the Custodians, (v) fees to the Transfer Agent, (vi) fees to the Trustee, (vii) the fees and expenses related to any future listing, trading or quotation of the Shares on any listing exchange or quotation system (including legal, marketing and audit fees and expenses), (viii) ordinary course legal fees and expenses but not litigation-related expenses, (ix) audit fees, (x) regulatory fees, including, if applicable, any fees relating to the registration of the Shares under the Securities Act of 1933, as amended (the "Securities Act") or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), (xi) printing and mailing costs; (xii) costs of maintaining the Sponsor's website and (xiii) applicable license fees (each, a "Sponsor-paid Expense," and together, the "Sponsor-paid Expenses"), provided that any expense that qualifies as an Additional Trust Expense will be deemed to be an Additional Trust Expense and not a Sponsor-paid Expense. There is currently no predetermined cap on the aggregate amount of Sponsor-paid expenses. Should the Trust implement a predetermined cap on aggregate Sponsor-paid expenses, the Trust will notify the owners of the beneficial interests of Shares in a prospectus supplement or in its periodic Exchange Act reports, as applicable.

The Sponsor will not, however, assume certain extraordinary, non-recurring expenses that are not Sponsor-paid Expenses, including, but not limited to, taxes and governmental charges, expenses and costs of any extraordinary services performed by the Sponsor (or any other service provider) on behalf of the Trust to protect the Trust or the interests of Shareholders, any indemnification of the Custodians, Administrator or other agents, service providers or counter-parties of the Trust, the fees and expenses related to the listing, and extraordinary legal fees and expenses, including any legal fees and expenses incurred in connection with litigation, regulatory enforcement or investigation matters (collectively, "Additional Trust Expenses"). Of the Sponsor-paid Expenses, ordinary course legal fees and expenses shall be subject to a cap of $100,000 per annum. In the Sponsor's sole discretion, all or any portion of a Sponsor-paid Expense may be re-designated as an Additional Trust Expense, if among other reasons, the Sponsor determines that a Sponsor-paid Expense is an extraordinary, non-recurring expense of the Trust. The Trust shall not be responsible for paying any fees or expenses associated with the transfer of bitcoin as needed to pay the Sponsor Fee or Additional Trust Expenses.

To the extent that the Sponsor does not voluntarily assume expenses, they will be the responsibility of the Trust. The Sponsor also pays the costs of the Trust's organization and offering. The Trust is not obligated to repay any such costs related to the Trust's organization and offering paid by the Sponsor.

5. Creation and Redemption of Shares

The Trust creates and redeems Shares on a continuous basis but only in one or more Creation Baskets (other than in the case of the Initial Seed Shares) consisting of 5,000 Shares or multiples thereof at the NAV on the date of the creation or redemption. Only Authorized Participants, which are registered broker-dealers who have entered into written agreements with the Sponsor and the Administrator, can place orders.

Authorized Participants may purchase Shares in cash by depositing cash in the Trust's account with the Cash Custodian. This will cause the Sponsor, on behalf of the Trust, to automatically instruct a designated third party, who may be an Authorized Participant or an affiliate of an Authorized Participant, and with whom the Sponsor has entered into an agreement on behalf of the Trust (each such third party, a "Bitcoin Counterparty"), to (i) purchase the amount of bitcoin equivalent in value to the cash deposit amount associated with the order and (ii) deposit the resulting bitcoin amount in the Trust's accounts with the Custodians, resulting in the Transfer Agent crediting the applicable amount of Shares to an Authorized Participant. Authorized Participants may also purchase Shares in-kind. To purchase Shares in-kind, an Authorized Participant delivers, or arranges for the delivery by such Authorized Participant's designee of, bitcoin to the Trust's accounts with a Custodian in exchange for Shares.

When such an Authorized Participant redeems its Shares in cash, the Sponsor, on behalf of the Trust will direct a Custodian to transfer bitcoin to a Bitcoin Counterparty, who will sell the bitcoin to be executed, in the Sponsor's reasonable efforts, at the Pricing Benchmark price used to calculate the Trust's NAV, taking into account any spread, commissions, or other trading costs and deposit the cash proceeds of such sale in the Trust's account with the Cash Custodian for settlement with the Authorized Participant. Any slippage incurred (including, but not limited to, any trading fees, spreads, or commissions), on a cash equivalent basis, will be the responsibility of the Authorized Participant and not of the Trust or Sponsor. Authorized Participants may also redeem Shares in-kind. When such an Authorized Participant redeems Shares in-kind, the Trust, through a Custodian, will deliver bitcoin to the Authorized Participant, or its designee in exchange for Shares.

6. Related Parties

The Sponsor is a related party to the Trust. The Trust's operations are supported by its Sponsor, who is in turn supported by its parent company and affiliated companies and external service providers.

As of June 30, 2026 and December 31, 2025, the Sponsor owned no Shares of the Trust.

The Sponsor arranged for the creation of the Trust and is responsible for the ongoing registration of the Shares for their public offering in the United States and the listing of Shares on the Exchange.

For the six months ended June 30, 2026, the Trust engaged in digital asset trading activity with FalconX Bravo, Inc. ("FalconX Bravo"), a registered swap dealer and a subsidiary of FalconX, which became an affiliated entity in November 2025, consisting of purchases in the amount of $33,282,498 and sales of $10,978,762, respectively.

For the three months ended June 30, 2026, the Trust engaged in digital asset trading activity with FalconX Bravo, consisting of purchases in the amount of $25,672,132 and sales of $0, respectively.

(1) Calculated using average Shares outstanding method.
(2) The amount shown for a Share outstanding throughout the period may not agree with the change in the aggregate gains and losses for such period because of the timing of sales and repurchases of the Trust's Shares in relation to fluctuating market value for the Trust.
(3) Total return is calculated based on the change in the value during the period and is not annualized. An individual shareholder's total return and ratio may vary from the above total returns and ratios based on the timing of contributions to and withdrawals from the Trust.
(4) Annualized.
On June 13, 2025, the Share Split occurred. Historical shares outstanding and NAV per share have been adjusted to reflect the Share Split on a retroactive basis.

8. Commitments and Contingent Liabilities

In the normal course of business, the Trust may enter into contracts that contain a variety of general indemnification clauses. The Trust's maximum exposure under these arrangements is unknown as this would involve future claims that may be made against the Trust which have not yet occurred and cannot be predicted with any certainty. However, the Sponsor believes the risk of loss under these arrangements to be remote.

9. Concentration Risk

Unlike other funds that may invest in diversified assets, the Trust's investment strategy is concentrated in a single asset within a single asset class. This concentration maximizes the degree of the Trust's exposure to a variety of market risks associated with bitcoin and digital assets. By concentrating its investment strategy solely in bitcoin, any losses suffered as a result of a decrease in the value of bitcoin can be expected to reduce the value of an interest in the Trust and will not be offset by other gains if the Trust were to invest in underlying assets that were diversified.

10. Indemnification

The Sponsor will not be liable to the Trust, the Trustee or any Shareholder for any action taken or for refraining from taking any action in good faith, or for errors in judgment or for depreciation or loss incurred by reason of the sale of any bitcoin or other assets of the Trust. However, the preceding liability exclusion will not protect the Sponsor against any liability resulting from its own gross negligence, bad faith, or willful misconduct.

The Sponsor and each of its shareholders, members, directors, officers, employees, affiliates, and subsidiaries will be indemnified by the Trust and held harmless against any losses, liabilities or expenses incurred in the performance of its duties under the Trust Agreement without gross negligence, bad faith, or willful misconduct. The Sponsor may rely in good faith on any paper, order, notice, list, affidavit, receipt, evaluation, opinion, endorsement, assignment, draft, or any other document of any kind prima facie properly executed and submitted to it by the Trustee, the Trustee's counsel or by any other person for any matters arising under the Trust Agreement. The Sponsor shall in no event be deemed to have assumed or incurred any liability, duty, or obligation to any Shareholder or to the Trustee other than as expressly provided for in the Trust Agreement. Such indemnity includes payment from the Trust of the costs and expenses incurred in defending against any indemnified claim or liability under the Trust Agreement.

The Trustee will not be liable or accountable to the Trust or any other person or under any agreement to which the Trust or any series of the Trust is a party, except for the Trustee's breach of its obligations pursuant to the Trust Agreement or its own willful misconduct, bad faith or gross negligence. The Trustee and each of the Trustee's officers, affiliates, directors, employees, and agents will be indemnified by the Trust from and against any losses, claims, taxes, damages, reasonable expenses, and liabilities incurred with respect to the creation, operation or termination of the Trust, the execution, delivery or performance of the Trust Agreement or the transactions contemplated thereby; provided that the indemnified party acted without willful misconduct, bad faith or gross negligence.

11. Subsequent Events

The Trust has evaluated all subsequent events and transactions for potential recognition or disclosure through the date the financial statements were issued and has noted no events requiring adjustment or additional disclosure in the financial statements.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

This information should be read in conjunction with the financial statements and notes included in Item 1 of Part I of this Form 10-Q. This Form 10-Q contains "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act, and such forward-looking statements involve risks and uncertainties. All statements (other than statements of historical fact) included in this Form 10-Q that address activities, events or developments that may occur in the future, the Trust's operations, the Sponsor's plans and references to the Trust's future success and other similar matters are forward-looking statements. Words such as "could," "would," "may," "expect," "intend," "estimate," "predict," and variations on such words or negatives thereof, and similar expressions that reflect our current views with respect to future events and Trust performance, are intended to identify such forward-looking statements. These forward-looking statements are only predictions, subject to risks and uncertainties that are difficult to predict and many of which are outside of our control, and actual results could differ materially from those discussed. Forward-looking statements involve risks and uncertainties that could cause actual results or outcomes to differ materially from those expressed therein. We express our estimates, expectations, beliefs, and projections in good faith and believe them to have a reasonable basis. However, we make no assurances that management's estimates, expectations, beliefs, or projections will be achieved or accomplished. These forward-looking statements are based on assumptions about many important factors that could cause actual results to differ materially from those in the forward-looking statements. We do not intend to update any forward-looking statements even if new information becomes available or other events occur in the future, except as required by the federal securities laws.

Organization and Trust Overview

The Trust is a Delaware statutory trust, formed on June 22, 2021, pursuant to the DSTA. The Trust operates pursuant to the Trust Agreement. The Trust is not registered as an investment company under the 1940 Act and is not a commodity pool for purposes of the Commodity Exchange Act. The Trust is managed and controlled by the Sponsor. The Sponsor is a limited liability company formed in the state of Delaware on June 16, 2021, and is a wholly owned subsidiary of 21co Holdings Limited. The ultimate parent company of 21co Holdings Limited is FalconX. The Sponsor is not subject to regulation by the Commodity Futures Trading Commission as a commodity pool operator with respect to the Trust, or a commodity trading advisor with respect to the Trust. The Trust is an exchange-traded fund that issues common shares of beneficial interest representing fractional undivided beneficial interests in its net assets that trade on the Exchange. The Shares are listed for trading on the Exchange under the ticker symbol "ARKB".

The Trust's investment objective is to seek to track the performance of bitcoin, as measured by the performance of the Pricing Benchmark, adjusted for the Trust's expenses and other liabilities. CF Benchmarks Ltd. is the Pricing Benchmark Provider. The Pricing Benchmark is designed to reflect the performance of bitcoin in U.S. dollars. In seeking to achieve its investment objective, the Trust holds bitcoin at its Custodians and the Administrator values the Shares daily based on the Pricing Benchmark. The Trust is a passive investment vehicle and is not a leveraged product. The Sponsor does not actively manage the bitcoin held by the Trust. On June 30, 2026, the Sponsor provided notice to the Pricing Benchmark Provider of the termination, effective August 31, 2026, of the licensing agreement between the Sponsor and the Pricing Benchmark Provider relating to the use of the Pricing Benchmark. The Sponsor intends to enter into a licensing agreement with FTSE on or about August 24, 2026, whereby FTSE will provide each of the Sponsor, the Trust, and their affiliates a non-exclusive, non-transferable, non-sub-licensable, worldwide license to access, view and use FTSE index data to develop, create, calculate, settle, maintain or support and market the Trust.

The Trust issues Shares only in Creation Baskets of 5,000 or multiples thereof. Creation Baskets are issued and redeemed in exchange for cash or bitcoin. Individual Shares will not be redeemed by the Trust but are listed and traded on the Exchange under the ticker symbol "ARKB." The Trust issues Shares in Creation Baskets on a continuous basis at the applicable NAV per Share on the creation order date.

The Trust pays the unitary Sponsor Fee of 0.21% of the Trust's NAV (the "Sponsor Fee"). The Sponsor agreed to waive the entire Sponsor Fee for (i) a nine-month period which commenced on January 11, 2024 (the day the Trust's Shares were initially listed on the Exchange), or (ii) the first $1 billion of Trust assets, whichever came first. The Trust assets exceeded $1 billion in February 2024, at which time the waiver period ended. The Sponsor Fee is paid by the Trust to the Sponsor as compensation for services performed under the Trust Agreement. The Sponsor Fee accrues daily and is payable in bitcoin weekly in arrears. The Administrator calculates the Sponsor Fee on a daily basis by applying an annualized rate to the Trust's NAV, and the amount of bitcoin payable in respect of each daily accrual is determined by reference to the Pricing Benchmark.

Calculation of NAV and NAV per Share

The NAV of the Trust is used by the Trust in its day-to-day operations to measure the net value of the Trust's assets. The NAV is calculated on each Business Day and is equal to the aggregate value of the Trust's assets less its liabilities based on the Pricing Benchmark price. In determining the NAV of the Trust on any Business Day, the Administrator calculates the price of the bitcoin held by the Trust as of 4:00 p.m. ET on such day. The Administrator also calculates the "NAV per Share" of the Trust, which equals the NAV of the Trust divided by the number of outstanding Shares.

In addition to calculating NAV and NAV per Share, for purposes of the Trust's financial statements, the Trust determines the net asset value of the Trust determined on a GAAP basis (the "Principal Market NAV") and net asset value of the Trust per Share determined on a GAAP basis (the "Principal Market NAV per Share") on each valuation date for such financial statements. The determination of the Principal Market NAV and Principal Market NAV per Share is identical to the calculation of NAV and NAV per Share, respectively, except that the value of bitcoin is determined using the fair value of bitcoin based on the price in the bitcoin market that the Trust considers its "principal market" as of 4:00 p.m. ET on the valuation date, rather than using the Pricing Benchmark.

NAV and NAV per Share are not measures calculated in accordance with GAAP and are not intended as substitutes for Principal Market NAV and Principal Market NAV per Share, respectively.

Critical Accounting Estimates

The financial statements and accompanying notes are prepared in accordance with GAAP. The preparation of these financial statements relies on estimates and assumptions that impact the Trust's financial position and results of operations. These estimates and assumptions affect the Trust's application of accounting policies. Below is a summary of accounting policies on cash and investment valuation. There were no material estimates involving a significant level of estimation uncertainty that had or are reasonably likely to have had a material impact on the Trust's financial condition used in the preparation of the financial statements. In addition, please refer to Note 2 to the Financial Statements included in this report for further discussion of the Trust's accounting policies.

Cash

Cash includes non-interest bearing, non-restricted cash maintained with one financial institution that does not exceed U.S. federally insured limits.

Investment Valuation

The Trust's policy is to value investments held at fair value. The Trust follows the provisions of ASC 820, Fair Value Measurements ("ASC 820"). ASC 820 provides guidance for determining fair value and requires increased disclosure regarding the inputs to valuation techniques used to measure fair value. ASC 820 determines fair value to be the price that would be received for bitcoin in a current sale, which assumes an exit price resulting from an orderly transaction between market participants on the measurement date. ASC 820-10 requires the assumption that bitcoin is sold in its principal market to market participants (or in the absence of a principal market, the most advantageous market).

The Trust utilizes an exchange traded price from the Trust's principal market for bitcoin as of 4:00 p.m. ET on the Trust's financial statement measurement date.

Results of Operations (Amounts in thousands, except price and quantity of bitcoin and Shares outstanding)

As of June 30, 2026, the Trust had a net closing balance of 32,178.2280 bitcoins with a value of $1,885,818, based on the Pricing Benchmark Price of $58,605.41 on June 30, 2026 (CME CF Bitcoin Reference Rate – New York Variant, non-GAAP methodology). As of June 30, 2026, the total market value of the Trust's bitcoin was $1,889,314, based on the price of a bitcoin in the principal market of $58,714.04 on June 30, 2026.

For the Three Months Ended June 30, 2026

The Trust's NAV decreased from $2,388,670 on March 31, 2026 to $1,889,240 on June 30, 2026, a 20.91% decrease. The decrease in the Trust's NAV resulted primarily from a decrease in the price of bitcoin, which fell 13.37% from $67,772.92 on March 31, 2026 to $58,714.04 on June 30, 2026. The decrease in the Trust's NAV was further amplified by a net decrease in outstanding Shares, which fell from 106,210,000 Shares on March 31, 2026 to 97,015,000 Shares on June 30, 2026, a result of 37,780,000 Shares being created and 46,975,000 Shares being redeemed during the period.

Net decrease in net assets resulting from operations for the three months ended June 30, 2026 was $(274,735), consisting of a net change in unrealized depreciation on investment in bitcoin of $(87,975), a net realized loss of $(185,186) on bitcoin sold for the redemption of Shares, a net realized loss of $(287) on bitcoin sold to pay the Sponsor Fee, a net realized gain of $28 on in-kind liabilities paid, a net change in unrealized loss on the Sponsor Fee payable of $(3), and a net investment loss of $(1,312). The Sponsor Fee of $1,312 was the Trust's only expense during the quarter.

For the Three Months Ended June 30, 2025

Net realized and change in unrealized gain on investment in bitcoin for the three months ended June 30, 2025 was $1,200,104, which includes a net change in unrealized appreciation on investment in bitcoin of $859,932, a net realized gain of $339,579 on bitcoin sold for the redemption of Shares, and a net realized gain of $593 on bitcoin sold to pay the Sponsor Fee. The gain was driven by bitcoin price appreciation from $82,444.71 per bitcoin as of March 31, 2025 to $107,753.77 per bitcoin as of June 30, 2025. Net increase in net assets resulting from operations was $1,197,660 for the three months ended June 30, 2025.

For the Six Months Ended June 30, 2026

The Trust's NAV decreased from $3,305,323 on December 31, 2025 to $1,889,240 on June 30, 2026, a 42.84% decrease. The decrease in the Trust's NAV resulted primarily from a decrease in the price of bitcoin, which fell 32.91% from $87,515.28 on December 31, 2025 to $58,714.04 on June 30, 2026. The decrease in the Trust's NAV was further amplified by a net decrease in outstanding Shares, which fell from 113,755,000 Shares on December 31, 2025 to 97,015,000 Shares on June 30, 2026, a result of 57,760,000 Shares being created and 74,500,000 Shares being redeemed during the period.

Net decrease in net assets resulting from operations for the six months ended June 30, 2026 was $(991,577), resulting from a net change in unrealized depreciation on investment in bitcoin of $(674,311), a net realized loss of $(314,085) from bitcoin sold for the redemption of Shares, a net realized loss of $(547) from bitcoin sold to pay the Sponsor Fee, a net realized gain of $118 from in-kind liabilities paid, a net change in unrealized gain on Sponsor Fee payable of $5, and a net investment loss of $(2,757). Other than the Sponsor Fee of $2,757, the Trust had no expenses during the period.

For the Six Months Ended June 30, 2025

The Trust's NAV increased from $4,352,288 on December 31, 2024 to $5,034,361 on June 30, 2025. The increase in the Trust's NAV resulted primarily from an increase in the price of bitcoin of 15.47% (from $93,320.22 per bitcoin on December 31, 2024 to $107,753.77 per bitcoin on June 30, 2025), together with a net increase of 500,000 in the number of Shares outstanding, reflecting 103,035,000 Shares created and 102,535,000 Shares redeemed during the period.

The Trust's net increase in net assets resulting from operations for the six months ended June 30, 2025 was $610,112, consisting of a net change in unrealized depreciation on investment in bitcoin of $(47,364), a net realized gain of $661,158 on bitcoin sold for the redemption of Shares, a net realized gain of $1,129 on bitcoin sold to pay the Sponsor Fee, and a net investment loss of $(4,811). The Sponsor Fee of $4,811 was the Trust's only expense during the period.

Liquidity and Capital Resources

The Trust is not aware of any trends, demands, commitments, events, or uncertainties that are reasonably likely to result in material changes to its liquidity needs. The Trust's only ordinary recurring expense is the Sponsor Fee. The Sponsor agreed to waive the entire Sponsor Fee for (i) a nine-month period which commenced on January 11, 2024 (the day the Trust's Shares were initially listed on the Exchange), or (ii) the first $1 billion of Trust assets, whichever came first. The Trust assets exceeded $1 billion in February 2024, at which time the waiver period ended. In exchange for the Sponsor Fee, the Sponsor has agreed to assume the ordinary fees and expenses incurred by the Trust, including but not limited to the following: fees charged by the Sub-Adviser, Administrator, the Custodians, the Transfer Agent and the Trustee, the Marketing Fee, the Exchange's listing fees, typical maintenance and transaction fees of the Depository Trust Company ("DTC"), U.S. Securities and Exchange ("SEC") registration fees, printing and mailing costs, website fees, tax reporting fees, audit fees, license fees and expenses, up to $100,000 per annum in ordinary legal fees and expenses. The Sponsor bears expenses in connection with the Trust's organization and initial offering costs.

The Sponsor is not required to pay any extraordinary or non-routine expenses. Extraordinary expenses are fees and expenses which are unexpected or unusual in nature, such as legal claims and liabilities and litigation costs or indemnification or other unanticipated expenses. Extraordinary fees and expenses also include material expenses which are not currently anticipated obligations of the Trust. The Trust will be responsible for the payment of such expenses to the extent any such expenses are incurred. Routine operational, administrative, and other ordinary expenses are not deemed extraordinary expenses. The Trust will sell bitcoin on an as-needed basis to pay the Sponsor Fee.

Off-Balance Sheet Arrangements

The Trust does not have any off-balance sheet arrangements.

Item 3. Quantitative and Qualitative Disclosures about Market Risks

The Trust Agreement does not authorize the Trust to borrow for payment of the Trust's ordinary expenses. The Trust does not engage in transactions in foreign currencies which could expose the Trust or holders of Shares to any foreign currency related market risk. The Trust does not invest in derivative financial instruments and has no foreign operations or long-term debt instruments.

Item 4. Controls and Procedures

The duly authorized officers of the Sponsor performing functions equivalent to those a principal executive officer and principal financial officer of the Trust would perform if the Trust had any officers, have evaluated the effectiveness of the Trust's disclosure controls and procedures, and have concluded that the disclosure controls and procedures of the Trust were effective as of the end of the period covered by this report to provide reasonable assurance that information required to be disclosed in the reports that the Trust files or submits under the Exchange Act, is recorded, processed, summarized and reported, within the time periods specified in the applicable rules and forms, and that it is accumulated and communicated to the duly authorized officers of the Sponsor performing functions equivalent to those a principal executive officer and principal financial officer of the Trust would perform if the Trust had any officers, as appropriate to allow timely decisions regarding required disclosure.

There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures.

Changes in Internal Control over Financial Reporting

During the quarter ended June 30, 2026, there have been no changes in our internal control over financial reporting, as such term is defined in Rules 13a-15(f) and 15(d)-15(f) promulgated under the Exchange Act, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II – OTHER INFORMATION:

Item 1. Legal Proceedings

From time to time, the Trust may be a party to certain legal proceedings in the ordinary course of business. As of June 30, 2026, the Trust was not subject to any material legal proceedings, nor, to our knowledge, are any material legal proceedings threatened against the Trust.

Item 1A. Risk Factors

There have been no material changes to the Risk Factors last reported under "Part I, Item 1A. Risk Factors" of the Trust's Annual Report on Form 10-K for the period ended December 31, 2025 and under "Part II, Item 1A. Risk Factors" of the Trust's Quarterly Report on Form 10-Q for the period ended March 31, 2026.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

a) None.

b) Not applicable.

c) The Trust does not purchase Shares directly from its Shareholders. In connection with its redemption of Creation Baskets held by Authorized Participants, the Trust redeemed 9,395 Creation Baskets (comprising 46,975,000 Shares) during the quarter ended June 30, 2026. The following table summarizes the redemptions of Shares by Authorized Participants during the period:

Period	Total Shares Redeemed	Average Price Per Share	Maximum number of shares that may yet be purchased
April 1, 2026 – April 30, 2026	15,050,000	$ 24.43	N/A
May 1, 2026 – May 31, 2026	19,315,000	$ 26.17	N/A
June 1, 2026 – June 30, 2026	12,610,000	$ 20.61	N/A

Market Information

The Shares are listed on the Exchange under the symbol "ARKB" and have been listed since January 11, 2024.

Holders

As of June 30, 2026, there was approximately one DTC participating shareholder of record of the Trust. Because most of the Trust's Shares are held by brokers and other institutions on behalf of shareholders, we are unable to estimate the total number of shareholders represented by these record holders.

Item 3. Defaults Upon Senior Securities

None.

Item 4. Mine Safety Disclosures

Not applicable.

Item 5. Other Information

No officers or directors of the Sponsor have adopted, modified or terminated trading plans under either a Rule 10b5-1 or non-Rule 10b5-1 trading arrangement (as such terms are defined in Item 408 of Regulation S-K of the Securities Act) for the quarter ended June 30, 2026.

Exhibit 31.1

Certification by Principal Executive Officer

Pursuant to Section 302 of the Sarbanes-Oxley Act of 2002

I, Russell Barlow, certify that:

1. I have reviewed this Quarterly Report on Form 10-Q of ARK 21Shares Bitcoin ETF;

2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;

3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;

4. The registrant's other certifying officer(s) and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:

   (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;

   (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;

   (c) Evaluated the effectiveness of the registrant's disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and

   (d) Disclosed in this report any change in the registrant's internal control over financial reporting that occurred during the registrant's most recent fiscal quarter (the registrant's fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting; and

5. The registrant's other certifying officer(s) and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant's auditors and the audit committee of the registrant's Board of Directors (or persons performing the equivalent functions):

   (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant's ability to record, process, summarize and report financial information; and

   (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant's internal control over financial reporting.
