## STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This quarterly report on Form 10-Q includes “forward-looking statements” that generally relate to future events or future performance. In some cases, you can identify forward-looking statements by terminology such as “may,” “will,” “should,” “expect,” “intend,” “plan,” “anticipate,” “believe,” “estimate,” “predict,” “potential” or the negative of these terms or other comparable terminology. All statements (other than statements of historical fact) included in this report that address activities, events or developments that will or may occur in the future, including such matters as movements in the digital asset markets and indexes that track such movements, the operations of 21Shares Solana ETF (the “Trust”), the plans of 21Shares US LLC (the “Sponsor”), as the sponsor of the Trust, and references to the Trust’s future success and other similar matters, are forward-looking statements. These statements are only predictions. Actual events or results may differ materially. These statements are based upon certain assumptions and analyses the Sponsor has made based on its perception of historical trends, current conditions and expected future developments, as well as other factors appropriate in the circumstances.

Whether or not actual results and developments will conform to the Sponsor’s expectations and predictions, however, is subject to a number of risks and uncertainties, including the special considerations discussed in this report, general economic, market and business conditions, changes in laws or regulations, including those concerning taxes, made by governmental authorities or regulatory bodies, and other world economic and political developments. Consequently, all the forward-looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that actual results or developments the Sponsor anticipates to occur will be realized or, even if substantially realized, that they will result in the expected consequences to, or have the expected effects on, the Trust’s operations or the value of its common units of beneficial interest (the “Shares”).

Should one or more of these risks discussed in “Risk Factors” or other uncertainties materialize, or should underlying assumptions prove incorrect, actual outcomes may vary materially from those described in forward-looking statements. Forward-looking statements are made based on the Sponsor’s belief, estimates and opinions on the date the statements are made, and neither the Trust nor the Sponsor is under a duty or undertakes an obligation to update forward-looking statements if these beliefs, estimates and opinions or other circumstances should change, other than as required by applicable laws. Moreover, neither the Trust, the Sponsor, nor any other person assumes responsibility for the accuracy and completeness of any of these forward-looking statements. Investors are therefore cautioned against placing undue reliance on forward-looking statements.

## EMERGING GROWTH COMPANY

The Trust is an “emerging growth company” as defined in the Jumpstart Our Business Startups Act of 2012 (the “JOBS Act”). For as long as the Trust is an emerging growth company, unlike other public companies, it will not be required to, among other things: (i) provide an auditor’s attestation report on management’s assessment of the effectiveness of our system of internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002; or (ii) comply with any new audit rules adopted by the Public Company Accounting Oversight Board after April 5, 2012, unless the Securities and Exchange Commission (“SEC”) determines otherwise.

The Trust will cease to be an “emerging growth company” upon the earliest of: (i) it having \$1.235 billion or more in annual gross revenues, (ii) the date on which the Trust is deemed to be a “large accelerated filer,” (iii) it issuing more than \$1.0 billion of non-convertible debt over a three-year period, or (iv) the last day of the fiscal year following the fifth anniversary of its initial public offering.

In addition, Section 107 of the JOBS Act also provides that an emerging growth company can take advantage of the extended transition period provided in Section 7(a)(2)(B) of the Securities Act of 1933, as amended (the “Securities Act”), for complying with new or revised accounting standards. In other words, an emerging growth company can delay the adoption of certain accounting standards until those standards would otherwise apply to private companies. The Trust intends to take advantage of the benefits of the extended transition period.

**21SHARES SOLANA ETF**  
**NOTES TO FINANCIAL STATEMENTS (UNAUDITED)**

**1. Organization**

The 21Shares Solana ETF (the “Trust”) is a Delaware statutory trust, formed on June 3, 2024, pursuant to the Delaware Statutory Trust Act (“DSTA”). The Trust operates pursuant to an Amended and Restated Trust Agreement (the “Trust Agreement”). CSC Delaware Trust Company, a Delaware trust company, is the trustee of the Trust (the “Trustee”). The Trust is managed and controlled by 21Shares US LLC (the “Sponsor”). The Sponsor is a limited liability company formed in the state of Delaware on June 16, 2021, and is a wholly owned subsidiary of Jura Pentium Inc. In November 2025, 21co Holdings Limited, Jura Pentium Inc.’s former ultimate parent company, was acquired by FalconX Holdings Limited, which became the ultimate parent of Jura Pentium Inc. and the Sponsor. Coinbase Custody Trust Company, LLC (“Coinbase”), Anchorage Digital Bank N.A. (“Anchorage”), and BitGo Bank & Trust N.A. (“BitGo” and together with Coinbase and Anchorage, as the context may require, the “Custodian”, “Custodians” and each a “Custodian”) are the custodians for the Trust and hold all of the Trust’s SOL on the Trust’s behalf. The transfer agent (the “Transfer Agent”), the administrator for the Trust (the “Administrator”), and the cash custodian (the “Cash Custodian”), is Bank of New York Mellon. The Trust is a passive investment vehicle that does not seek to generate returns beyond tracking the price of SOL tokens, the native digital asset of the Solana blockchain (“SOL”).

The Trust is an exchange-traded fund that issues units of beneficial interest (the “Shares”) representing fractional undivided beneficial interests in its net assets that trade on the Cboe BZX Exchange, Inc. (the “Exchange”). The Shares are listed for trading on the Exchange under the ticker symbol “TSOL”.

The Trust’s investment objective is to seek to track the performance of SOL as measured by the performance of the CME CF Solana-Dollar Reference Rate -- New York Variant (the “Pricing Benchmark”), adjusted for the Trust’s expenses and other liabilities, and to reflect rewards from staking a portion of the Trust’s SOL, to the extent the Sponsor in its sole discretion determines that the Trust may do so without undue legal or regulatory risk, such as, without limitation, the risk of jeopardizing the Trust’s ability to qualify as a grantor trust for tax purposes. CF Benchmarks Ltd. is the administrator for the Pricing Benchmark (the “Pricing Benchmark Provider”). The Pricing Benchmark is designed to reflect the performance of SOL in U.S. dollars. In seeking to achieve its investment objective, the Trust will hold SOL at its Custodians and will value its Shares daily based on the Pricing Benchmark.

The Trust is an “emerging growth company” as that term is used in the Securities Act of 1933, as amended (the “Securities Act”), and, as such, the Trust may elect to comply with certain reduced public company reporting requirements.

On September 17, 2025, the Sponsor, in its capacity as seed capital investor (the “Seed Capital Investor”), subject to conditions, purchased the initial Seed Creation Baskets comprising 2 Shares at a per-Share price of \$50.00, as described in “Seed Capital Investor.” Total proceeds to the Trust from the sale of these Shares (the “Initial Seed Shares”) were \$100. Delivery of the Seed Shares was made on September 17, 2025.

The statement of assets and liabilities on September 30, 2025, has been prepared on behalf of the Trust and is unaudited. In the opinion of management of the Sponsor of the Trust, all adjustments (which include normal recurring adjustments) necessary to present fairly the financial position and results of operations for the period ended September 30, 2025, have been made.

The fiscal year-end of the Trust is December 31.

**2. Significant Accounting Policies**

**Basis of Accounting**

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP” or “GAAP”).

The Trust qualifies as an investment company solely for accounting purposes and not for any other purpose and follows the accounting and reporting guidance under the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 946, Financial Services - Investment Companies, but is not registered, and is not required to be registered, as an investment company under the Investment Company Act of 1940, as amended. The Trust uses fair value as its method of accounting for SOL in accordance with its classification as an investment company for accounting purposes.

The preparation of the financial statements in conformity with US GAAP requires the Trust to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ materially from such estimates as additional information becomes available or actual amounts may become determinable. Should actual results differ from those previously recognized, the recorded estimates will be revised accordingly with the impact reflected in the operating results of the Trust in the reporting period in which they become known.

**Cash**

Cash includes non-interest bearing, non-restricted cash maintained with one financial institution that does exceed U.S. federally insured limits and with one SOL Custodian.

As of September 30, 2025, the Trust held \$100 at its SOL Custodian for non-recurring test transactions executed for account setup verification purposes.

**Investment Valuation**

US GAAP defines fair value as the price the Trust would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. The Trust's policy is to value investments held at fair value.

The Trust identifies and determines the SOL principal market (or in the absence of a principal market, the most advantageous market) for GAAP purposes consistent with the application of the fair value measurement framework in FASB ASC 820 — Fair Value Measurement. A principal market is the market with the greatest volume and activity level for the asset or liability. The determination of the principal market will be based on the market with the greatest volume and level of activity that can be accessed. The Trust obtains relevant volume and level of activity information and based on initial analysis will select an exchange market as the Trust's principal market. The net asset value ("NAV") and NAV per Share will be calculated using the fair value of SOL based on the price provided by this exchange market, as of 4:00 p.m. ET on the measurement date for GAAP purposes. The Trust will update its principal market analysis periodically and as needed to the extent that events have occurred, or activities have changed in a manner that could change the Sponsor's determination of the Trust's principal market.

Various inputs are used in determining the fair value of assets and liabilities. Inputs may be based on independent market data ("observable inputs"), or they may be internally developed ("unobservable inputs"). These inputs are categorized into a disclosure hierarchy consisting of three broad levels for financial reporting purposes. The level of a value determined for an asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement in its entirety. The three levels of the fair value hierarchy are as follows:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities;

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly, including quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not considered to be active, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3: Unobservable inputs, including the Trust's assumptions used in determining the fair value of investments, where there is little or no market activity for the asset or liability at the measurement date.

	Amount at Fair Value	Fair Value Measurement Using			
		Level 1	Level 2	Level 3	
<b>September 30, 2025* (Unaudited)</b>					
<b>Assets</b>					
Investment in solana	\$ 104	\$ 104	\$ —	\$ —	

\* No comparative table has been provided as the Trust did not have any operations as of September 30, 2024.

The cost basis of the investment in SOL recorded by the Trust for financial reporting purposes is the fair value of SOL at the time of purchase. The cost basis recorded by the Trust may differ from proceeds collected by the Authorized Participant from the sale of the corresponding Shares to investors.

#### Investment Transactions

The Trust considers investment transactions to be the receipt of SOL for Share creations and the delivery of SOL for Share redemptions or for payment of expenses in SOL. The Trust records its investments transactions on a trade date basis and changes in fair value are reflected as net change in unrealized appreciation or depreciation on investments. Realized gains and losses are calculated using the specific identification method. Realized gains and losses are recognized in connection with transactions including redemption of shares and settling obligations for the Sponsor's fee in SOL.

The Trust, through the Custodians, participates in the decentralized computer network that helps to confirm transactions and ensures that those recorded in a blockchain are legitimate. Rewards are calculated based on the amount of the SOL holdings the Trust has made available to the network, the staking yield and other factors. For its contribution to the network, the Trust is rewarded with in-kind assets which constitute staking rewards. Staking rewards are recorded as staking income and are recognized at fair value when earned. Staking rewards are received in general daily at its Custodians' account, as earned. The unbonding period for staked SOL can vary subject to the discretion of the Sponsor's request to unstake such assets. The Trust's staked SOL is unable to be moved on the blockchain or traded during this period. As of September 30, 2025, the Trust had staked \$0 of its SOL holdings.

#### Calculation of NAV and NAV per Share

On each day other than when the Exchange is closed for regular trading (a "Business Day"), as soon as practicable after 4:00 p.m. ET, the NAV of the Trust is obtained by subtracting all accrued fees, expenses and other liabilities of the Trust from the fair value of the SOL and other assets held by the Trust. The Trustee computes the NAV per Share by dividing the NAV of the Trust by the number of Shares outstanding on the date the computation is made.

#### Federal Income Taxes

The Sponsor and the Trustee will treat the Trust as a "grantor trust" for U.S. federal income tax purposes. Although not free from doubt due to the lack of directly governing authority, if the Trust operates as expected, the Trust should be classified as a "grantor trust" for U.S. federal income tax purposes and the Trust itself should not be subject to U.S. federal income tax. Each beneficial owner of Shares will be treated as directly owning its pro rata Share of the Trust's assets and a pro rata portion of the Trust's income, gain, losses and deductions passed through to each beneficial owner of Shares. If the Trust sells SOL (for example, to pay fees or expenses), such a sale is a taxable event to shareholders of the Trust ("Shareholders"). Upon a Shareholder's sale of its Shares, the Shareholder will be treated as having sold the pro rata share of the SOL held in the Trust at the time of the sale and may recognize gain or loss on such sale. The

Sponsor has reviewed the tax positions as of September 30, 2025, and has determined that no provision for income tax is required in the Trust's financial statements.

#### Segment Reporting

The Trust operates in one segment. The segment derives its revenues from Trust investments made in accordance with the defined investment strategy of the Trust, as prescribed in the Trust's prospectus. The Chief Operating Decision Maker ("CODM") is the Sponsor. The CODM monitors the operating results of the Trust. The financial information that the CODM leverages to assess the segment's performance and to make decisions for the Trust's single segment, is consistent with the financial information that is presented within the Trust's financial statements. Segment assets are reflected on the accompanying Statement of Assets and Liabilities as Total assets and the only significant segment expense, the Sponsor fee, is included in the accompanying Statements of Operations.

### 3. Fair Value of Solana

The following represents the changes in quantity of solana and the respective fair value for the period from September 17, 2025 (initial seed creation date) to September 30, 2025\* (Unaudited):

	Quantity of solana	Fair Value
	\$	\$
<b>Beginning balance as of September 17, 2025 (initial seed creation date)</b>	-	-
Solana purchased	0.5000	106
Solana sold	-	-
Net realized gain (loss) on investment in solana sold to pay Sponsor fee	-	-
Net realized gain (loss) on investment in solana sold for redemptions	-	-
Change in unrealized appreciation (depreciation) on investment in solana	-	(2)
<b>Ending balance as of September 30, 2025* (Unaudited)</b>	0.5000	\$ 104

\* No comparative table has been provided as the Trust did not have any operations as of December 31, 2024.

### 4. Trust Expenses

The Trust pays the unitary Sponsor fee of 0.21% of the Trust's SOL holdings. The Sponsor fee is paid by the Trust to the Sponsor as compensation for services performed under the Trust Agreement. The Sponsor fee accrues daily and is payable in SOL weekly in arrears. The Administrator calculates the Sponsor fee on a daily basis by applying an annualized rate to the Trust's total SOL holdings, and the amount of SOL payable in respect of each daily accrual is determined by reference to the Pricing Benchmark. The Sponsor has agreed to pay all operating expenses (except for litigation expenses and other extraordinary expenses) out of the Sponsor fee.

Operating expenses assumed by the Sponsor include (i) the fee payable to the marketing agent for services it provides to the Trust (the "Marketing Fee"), (ii) fees to the Administrator, if any, (iii) fees to the Custodians, (iv) fees to the Transfer Agent, (v) fees to the Trustee, (vi) the fees and expenses related to any future listing, trading or quotation of the Shares on any listing exchange or quotation system (including legal, marketing and audit fees and expenses), (vii) ordinary course legal fees and expenses but not litigation-related expenses, (viii) audit fees, (ix) regulatory fees, including, if applicable, any fees relating to the registration of the Shares under the Securities Act or the Exchange Act, (x) printing and mailing costs, (xi) costs of maintaining the Sponsor's website and (xii) applicable license fees (each, a "Sponsor-paid Expense," and together, the "Sponsor-paid Expenses"), provided that any expense that qualifies as an Additional Trust Expense will be deemed to be an Additional Trust Expense and not a Sponsor-paid Expense. There is currently no predetermined cap on the aggregate amount of Sponsor-paid expenses. Should the Trust implement a predetermined cap on aggregate Sponsor-paid expenses, the Trust will notify the owners of the beneficial interests of Shares in a prospectus supplement or in its periodic Exchange Act reports, as applicable, and on the Sponsor's website.

The Sponsor will not, however, assume certain extraordinary, non-recurring expenses that are not Sponsor-paid Expenses, including, but not limited to, taxes and governmental charges, expenses and costs of any extraordinary services performed by the Sponsor (or any other service provider) on behalf of the Trust to protect the Trust or the interests of Shareholders, any indemnification of the Custodians, Administrator or other agents, service providers or counterparties of the Trust, the fees and expenses related to the listing, and extraordinary legal fees and expenses, including any legal fees and expenses incurred in connection with litigation, regulatory enforcement or investigation matters (collectively, "Additional Trust Expenses"). Of the Sponsor-paid Expenses, ordinary course legal fees and expenses shall be subject to a cap of \$100,000 per annum. In the Sponsor's sole discretion, all or any portion of a Sponsor-paid Expense may be re-designated as an Additional Trust Expense.

To the extent that the Sponsor does not voluntarily assume expenses, they will be the responsibility of the Trust. The Sponsor also pays the costs of the Trust's organization and offering. The Trust is not obligated to repay any such costs related to the Trust's organization and offering paid by the Sponsor.

### 5. Creation and Redemption of Shares

The Trust creates and redeems Shares on a continuous basis but only in Creation Baskets consisting of 10,000 Shares or multiples thereof on the NAV of the date of the creation or redemption. Only "Authorized Participants", which are registered broker-dealers who have entered into written agreements with the Sponsor and the Administrator, can place orders. The Trust engages in SOL transactions for converting cash into SOL (in association with purchase orders) and SOL into cash (in association with redemption orders). The Trust conducts its SOL purchase and sale transactions by, in its sole discretion, choosing to trade directly with third parties (each, a "SOL Trading Counterparty"), who are not registered broker-dealers pursuant to written agreements between such SOL Trading Counterparties and the Trust, or choosing to trade through the Prime Broker acting in an agency capacity with third parties such as through its Coinbase Prime service pursuant to the Prime Broker Agreement. A SOL Trading Counterparty may be an affiliate of an Authorized Participant.

The Authorized Participants may deliver cash or in-kind orders to create Shares and receive cash or in-kind orders when redeeming Shares.

The Trust creates Shares by receiving SOL from a SOL Trading Counterparty that is not the Authorized Participant and the Trust—not the Authorized Participant—is responsible for selecting the SOL Trading Counterparty to deliver the SOL. Further, the SOL Trading Counterparty will not be acting as an agent of the Authorized Participant with respect to the delivery of the SOL to the Trust or acting at the direction of the Authorized Participant with respect to the delivery of the SOL to the Trust. The Trust redeems shares by delivering SOL to a SOL Trading Counterparty that is not the Authorized Participant and the Trust—not the Authorized Participant—is responsible for selecting the SOL Trading Counterparty to receive the SOL. Further, the SOL Trading Counterparty will not be acting as an agent of the Authorized Participant with respect to the receipt of the SOL from the Trust or acting at the direction of the Authorized Participant with respect to the receipt of the SOL from the Trust. The SOL Trading Counterparty is unaffiliated with the Trust and the Sponsor.

SOL purchased payable represents the quantity of SOL purchased for the creation of Shares where the SOL has not yet settled. Generally, SOL is transferred within two Business Days of the trade date. As of September 30, 2025, the Trust held \$0 of SOL in purchased payables.

SOL sold receivable represents the quantity of SOL sold for the redemption of Shares where the SOL has not yet been settled. Generally, SOL is transferred within two Business Days of the trade date. As of September 30, 2025, the Trust held \$0 of SOL in sold receivables.

#### 6. Related Parties

The Sponsor is a related party to the Trust. The Trust's operations are supported by its Sponsor, who is in turn supported by its parent company and affiliated companies and external service providers.

As of September 30, 2025, the Sponsor owned 2 Shares of the Trust. On or about October 1, 2025, the Sponsor redeemed its Initial Seed Creation Basket of 2 Shares.

As of September 30, 2025, other payable of \$104 due to the Sponsor relates to non-recurring test transactions executed for account setup verification purposes.

The Sponsor arranged for the creation of the Trust and is responsible for the ongoing registration of the Shares for their public offering in the United States and the listing of Shares on the Exchange.

#### 7. Commitments and Contingent Liabilities

In the normal course of business, the Trust may enter into contracts that contain a variety of general indemnification clauses. The Trust's maximum exposure under these arrangements is unknown as this would involve future claims that may be made against the Trust which have not yet occurred and cannot be predicted with any certainty. However, the Sponsor believes the risk of loss under these arrangements to be remote.

#### 8. Concentration Risk

Unlike other funds that may invest in diversified assets, the Trust's investment strategy is concentrated in a single asset within a single asset class. This concentration maximizes the degree of the Trust's exposure to a variety of market risks associated with SOL and digital assets. By concentrating its investment strategy solely in SOL, any losses suffered as a result of a decrease in the value of SOL can be expected to reduce the value of an interest in the Trust and will not be offset by other gains if the Trust were to invest in underlying assets that were diversified.

## 9. Indemnification

The Sponsor will not be liable to the Trust, the Trustee or any Shareholder for any action taken or for refraining from taking any action in good faith, or for errors in judgment or for depreciation or loss incurred by reason of the sale of any SOL or other assets of the Trust. However, the preceding liability exclusion will not protect the Sponsor against any liability resulting from its own gross negligence, bad faith, or willful misconduct.

The Sponsor and each of its shareholders, members, directors, officers, employees, affiliates, and subsidiaries will be indemnified by the Trust and held harmless against any losses, liabilities or expenses incurred in the performance of its duties under the Trust Agreement without gross negligence, bad faith, or willful misconduct. The Sponsor may rely in good faith on any paper, order, notice, list, affidavit, receipt, evaluation, opinion, endorsement, assignment, draft, or any other document of any kind *prima facie* properly executed and submitted to it by the Trustee, the Trustee's counsel or by any other person for any matters arising under the Trust Agreement. The Sponsor shall in no event be deemed to have assumed or incurred any liability, duty, or obligation to any Shareholder or to the Trustee other than as expressly provided for in the Trust Agreement. Such indemnity includes payment from the Trust of the costs and expenses incurred in defending against any indemnified claim or liability under the Trust Agreement.

The Trustee will not be liable or accountable to the Trust or any other person or under any agreement to which the Trust or any series of the Trust is a party, except for the Trustee's breach of its obligations pursuant to the Trust Agreement or its own willful misconduct, bad faith or gross negligence. The Trustee and each of the Trustee's officers, affiliates, directors, employees, and agents will be indemnified by the Trust from and against any losses, claims, taxes, damages, reasonable expenses, and liabilities incurred with respect to the creation, operation or termination of the Trust, the execution, delivery or performance of the Trust Agreement or the transactions contemplated thereby; provided that the indemnified party acted without willful misconduct, bad faith or gross negligence.

## 10. Subsequent Events

On October 1, 2025, the Sponsor, in its capacity as Seed Capital Investor, purchased the Seed Creation Baskets comprising 20,000 Shares (the "Seed Creation Baskets"). In its capacity as the Seed Capital Investor, the Sponsor has acted as a statutory underwriter in connection with such purchase. The total proceeds to the Trust from the sale of the Seed Creation Baskets were \$439,859. On October 1, 2025, the Trust purchased SOL with the proceeds of the Seed Creation Baskets by transacting with a SOL Counterparty to acquire SOL on behalf of the Trust in exchange for cash provided by the Sponsor in its capacity as Seed Capital Investor. All SOL acquired in connection with the Seed Creation Baskets is held by the one or more of the Custodians. The residual amount from the capital contribution received in advance and proceeds from the purchase of the Seed Creation Baskets was returned to the Sponsor on October 2, 2025.

On November 18, 2025, the Trust commenced operations and the Trust's shares were listed for trading under the ticker symbol "TSOL" on the Cboe BZX Exchange, Inc.

The Trust has evaluated all subsequent events through the issuance of the financial statements and has noted no other events requiring adjustment or additional disclosure in the financial statements other than the items noted above.

### Organization and Trust Overview

The Trust is a Delaware statutory trust, formed on June 3, 2024, pursuant to the DSTA. The Trust operates pursuant to the Amended and Restated Trust Agreement (the “Trust Agreement”). The Trust is not registered as an investment company under the Investment Company Act of 1940, as amended (the “1940 Act”) and is not a commodity pool for purposes of the Commodity Exchange Act (“CEA”). The Trust is managed and controlled by the Sponsor. The Sponsor is a limited liability company formed in the state of Delaware on June 16, 2021, and is a wholly owned subsidiary of Jura Pentium Inc., whose ultimate parent company is FalconX Holdings Limited. The Sponsor is not subject to regulation by the Commodity Futures Trading Commission (“CFTC”) as a commodity pool operator with respect to the Trust, or a commodity trading advisor with respect to the Trust. The Trust is an exchange-traded fund that issues units of beneficial interest representing fractional undivided beneficial interests in its net assets that trade on the Cboe BZX Exchange, Inc. (the “Exchange”). The Shares are listed for trading on the Exchange under the ticker symbol “TSOL”.

The Sponsor served as the “Seed Capital Investor” to the Trust. On September 17, 2025, the Sponsor, in its capacity as Seed Capital Investor, subject to conditions, purchased seed creation baskets comprising 2 Shares at a per-Share price of \$50.00, as described in “Seed Capital Investor.” Total proceeds to the Trust from the sale of these Initial Seed Shares were \$100. Delivery of the Initial Seed Shares was made on September 17, 2025.

The Trust’s investment objective is to seek to track the performance of SOL, as measured by the performance of the Pricing Benchmark, adjusted for the Trust’s expenses and other liabilities, and to reflect rewards from staking a portion of the Trust’s SOL, to the extent the Sponsor in its sole discretion determines that the Trust may do so without undue legal or regulatory risk, such as, without limitation, the risk of jeopardizing the Trust’s ability to qualify as a grantor trust for U.S. Federal income tax purposes. CF Benchmarks Ltd. is the Pricing Benchmark Provider. The Pricing Benchmark is designed to reflect the performance of SOL in U.S. dollars. In seeking to achieve its investment objective, the Trust holds SOL at Coinbase Custody Trust Company, LLC (“Coinbase”), Anchorage Digital Bank N.A. (“Anchorage”), and BitGo Bank & Trust N.A. (“BitGo”) and together with Coinbase and Anchorage, as the context may require, the “Custodian”, “Custodians” and each a “Custodian”) and values its Shares daily based on the Pricing Benchmark. The Trust is a passive investment vehicle and is not a leveraged product. The Sponsor does not actively manage the SOL held by the Trust.

As of September 30, 2025, the Constituent Exchanges included in the Pricing Benchmark that is utilized by the Trust are Coinbase, Gemini, Kraken, LMAX Digital, Bitstamp and Crypto.com. Gemini’s headquarters are located in New York, New York, and Gemini is registered as a money services business with FinCEN and holds state licenses to engage in money transmission, or the state equivalent, in applicable U.S. states. Coinbase operates as a remote-first company and has no physical headquarters, and is registered as a money services business with FinCEN, and holds licenses to engage in money transmission, or the state equivalent, in the majority of U.S. states. Kraken’s headquarters are located in San Francisco, California, and is registered as a money services business with FinCEN and holds licenses to engage in money transmission, or the state equivalent, in the majority of U.S. states. LMAX Digital is a Gibraltar based exchange regulated by the GFSC as a DLT provider for execution and custody services. LMAX Digital does not hold a BitLicense and is part of LMAX Group, a U.K.-based operator of a FCA regulated Multilateral Trading Facility and Broker-Dealer. Bitstamp is a U.K.-based exchange registered as an MSB with FinCEN and licensed as a virtual currency business under the NYDFS BitLicense as well as money transmitter in various U.S. states. Crypto.com is a Singapore-based trading platform with a Digital Token License from the Monetary Authority of Singapore. Crypto.com is also registered as a Money Services Business with FinCEN.

The Trust issues Shares only in blocks of 10,000 Shares (a “Basket”) or multiples thereof. Baskets are issued and redeemed in exchange for cash. Individual Shares will not be redeemed by the Trust but are listed and traded on the Exchange under the ticker symbol “TSOL”. The Trust issues Shares in Baskets on a continuous basis at the applicable net asset value (“NAV”) per Share on the creation order date.

The Trust pays the unitary Sponsor fee of 0.21% of the Trust's SOL holdings. The Sponsor fee is paid by the Trust to the Sponsor as compensation for services performed under the Trust Agreement. The Sponsor fee accrues daily and is payable in SOL weekly in arrears. The administrator for the Trust (the "Administrator") calculates the Sponsor fee on a daily basis by applying an annualized rate to the Trust's total SOL holdings, and the amount of SOL payable in respect of each daily accrual is determined by reference to the Benchmark Provider. The Sponsor has agreed to pay all operating expenses (except for litigation expenses and other extraordinary expenses) out of the Sponsor fee.

The Trust is an "emerging growth company" as that term is used in the Securities Act, and, as such, the Trust may elect to comply with certain reduced public company reporting requirements.

#### Computation of Net Asset Value

The NAV of the Trust is used by the Trust in its day-to-day operations to measure the net value of the Trust's assets. The NAV is calculated on each day other than when the Exchange is closed for regular trading (a "Business Day") and is equal to the aggregate value of the Trust's assets less its liabilities based on the Benchmark Provider price. In determining the NAV of the Trust on any Business Day, the Administrator calculates the price of the SOL held by the Trust as of 4:00 p.m. ET on such day. The Administrator also calculates the "NAV per Share" of the Trust, which equals the NAV of the Trust divided by the number of outstanding Shares.

In addition to calculating NAV and NAV per Share, for purposes of the Trust's financial statements, the Trust determines the NAV of the SOL market that the Trust considers its "principal market" as of 4:00 p.m. ET on the valuation date (the "Principal Market NAV") and Principal Market NAV per Share on each valuation date for such financial statements. The determination of the Principal Market NAV and Principal Market NAV per Share is identical to the calculation of NAV and NAV per Share, respectively, except that the value of SOL is determined using the fair value of SOL based on the price in the SOL market that the Trust considers its "principal market" as of 4:00 p.m. ET on the valuation date, rather than using the Benchmark Provider.

NAV and NAV per Share are not measures calculated in accordance with GAAP and are not intended as substitutes for Principal Market and Principal Market NAV per Share, respectively.

#### Staking

The Trust's staking model aims to maximize the portion of the Trust's SOL available for staking while controlling for liquidity and redemption risks. The model determines an optimal utilization rate by balancing expected yield against potential costs (including borrowing costs during redemptions, assuming we have access to suitable credit).

The third-party staking services provider (the "Staking Services Provider") will exercise no discretion as to the amount of the Trust's SOL to be staked or the timing of the Trust's staking activities (the "Staking Activities"). While the Trust may stake a maximum of 100% of its SOL holdings, the amount of SOL that remains unstaked is determined based on the Trust's utilization rate analysis, and accordingly may vary from time to time. Based on utilization rate analysis applied to historical data, the Trust generally intends to stake between 70% and 90% of the SOL it holds, although the amount of SOL that is staked may be lesser or greater from time to time. The precise percentage to be staked will be based on the estimated liquidity needs of the Trust and other factors, as determined by the Sponsor. The Trust intends to make available on its website the current percentage of the Trust's SOL being staked on a daily basis.

The rewards owed or paid to the Custodians as compensation for the Staking Services Provider reduces the amount of SOL rewards that are generated from the Trust's Staking Activities that are available in the assets of the Trust. Each Staking Services Provider that generates staking rewards will be entitled to compensation determined as a portion of the staking rewards, which is generally expected to be determined by a low single-digit percentage of the overall rewards amount (the "Staking Provider Consideration"). The Staking Provider Consideration is paid directly to the Staking Services Provider from the staking rewards or indirectly through the Custodians' own accounts. The Trust will pay 10% of the staking rewards generated by the Trust's Staking Activities after deduction of the Staking Provider Consideration to the Sponsor, and retain the remainder.

Beginning in 2026, the Trust intends to pay cash distributions at least quarterly to Shareholders to distribute staking rewards earned by the Trust. The amount of any distribution, if any, will depend on the staking rewards actually earned by the Trust during each quarter and cannot be predicted with certainty. The amount of staking rewards earned will vary based on factors including, but not limited to, the amount of SOL held by the Trust, the percentage of the Trust's SOL that is staked, network staking participation rates, protocol reward rates on the Solana network, and network conditions. Accordingly, there can be no assurance as to the amount of distributions that will be paid in any quarter, and it is possible that no distributions will be paid in a given quarter if insufficient staking rewards are earned.

On the Solana network, in addition to staking rewards there are block rewards that are paid to validators. Block rewards are not newly minted SOL from inflation but are composed of transaction fees, with half the fee being burned and the other half going to the validator who produces and validates the block. Validators also earn through inflation rewards for securing the network and may receive additional revenue from MEV. Validators are paid immediately upon block production, and delegators receive their share of rewards from the validator they stake with, usually at the end of an epoch. As such, block rewards and transaction fees are not considered staking rewards and will not accrete to the Trust.

## Critical Accounting Estimates

The financial statements and accompanying notes are prepared in accordance with GAAP. The preparation of these financial statements relies on estimates and assumptions that impact the Trust's financial position and results of operations. These estimates and assumptions affect the Trust's application of accounting policies. Below is a summary of accounting policies on cash and investment valuation. There were no material estimates involving a significant level of estimation uncertainty that had or are reasonably likely to have had a material impact on the Trust's financial condition used in the preparation of the financial statements. In addition, please refer to Note 2 to the Financial Statements included in this report for further discussion of the Trust's accounting policies.

## **Cash**

Cash includes non-interest bearing, non-restricted cash maintained with one financial institution that does exceed U.S. federally insured limits and with one SOL Custodian.

## **Investment Valuation**

The Trust's policy is to value investments held at fair value. The Trust follows the provisions of ASC 820, Fair Value Measurements ("ASC 820"). ASC 820 provides guidance for determining fair value and requires increased disclosure regarding the inputs to valuation techniques used to measure fair value. ASC 820 determines fair value to be the price that would be received for SOL in a current sale, which assumes an exit price resulting from an orderly transaction between market participants on the measurement date. ASC 820-10 requires the assumption that SOL is sold in its principal market to market participants (or in the absence of a principal market, the most advantageous market).

The Trust utilizes an exchange traded price from the Trust's principal market for SOL as of 4:00 p.m. ET on the Trust's financial statement measurement date.

## Liquidity and Capital Resources

The Trust is not aware of any trends, demands, commitments, events, or uncertainties that are reasonably likely to result in material changes to its liquidity needs. The Trust's only ordinary recurring expense is expected to be the fee paid to the Sponsor at an annual rate of 0.21% of the Trust's total SOL holdings. In exchange for the Sponsor's fee, the Sponsor has agreed to assume the ordinary fees and expenses incurred by the Trust, including but not limited to the following: fees charged by Administrator, the Custodians, transfer agent and the trustee, fees payable to the marketing agent for services it provides to the Trust, the Exchange's listing fees, typical maintenance and transaction fees of the DTC, SEC registration fees, printing and mailing costs, website fees, tax reporting fees, audit fees, license fees and expenses, up to \$100,000 per annum in ordinary legal fees and expenses. The Sponsor bears expenses in connection with the Trust's organization and initial offering costs.

The Sponsor is not required to pay any extraordinary or non-routine expenses. Extraordinary expenses are fees and expenses which are unexpected or unusual in nature, such as legal claims and liabilities and litigation costs or indemnification or other unanticipated expenses. Extraordinary fees and expenses also include material expenses which are not currently anticipated obligations of the Trust. The Trust will be responsible for the payment of such expenses to the extent any such expenses are incurred. Routine operational, administrative, and other ordinary expenses are not deemed extraordinary expenses. The Trust will sell SOL on an as-needed basis to pay the Sponsor's fee.

## Off-Balance Sheet Arrangements

The Trust does not have any off-balance sheet arrangements.

## Item 3. Quantitative and Qualitative Disclosures about Market Risks

We are a smaller reporting company as defined by Rule 12b-2 of the Exchange Act and are not required to provide the information otherwise required under this item.

## Item 4. Disclosure Controls and Procedures

The duly authorized officers of the Sponsor performing functions equivalent to those a principal executive officer and principal financial officer of the Trust would perform if the Trust had any officers, have evaluated the effectiveness of the Trust's disclosure controls and procedures, and have concluded that the disclosure controls and procedures of the Trust were effective as of the end of the period covered by this report to provide reasonable assurance that information required to be disclosed in the reports that the Trust files or submits under the Securities Exchange Act of 1934, as amended, is recorded, processed, summarized and reported, within the time periods specified in the applicable rules and forms, and that it is accumulated and communicated to the duly authorized officers of the Sponsor performing functions equivalent to those a principal executive officer and principal financial officer of the Trust would perform if the Trust had any officers, as appropriate to allow timely decisions regarding required disclosure.

There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures.

## Changes in Internal Control over Financial Reporting

During the period ended September 30, 2025, there have been no changes in our internal control over financial reporting, as such term is defined in Rules 13a-15(f) and 15(d)-15(f) promulgated under the Exchange Act, that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

## PART II – OTHER INFORMATION

### Item 1. Legal Proceedings

From time to time, the Trust may be a party to certain legal proceedings in the ordinary course of business. As of September 30, 2025, the Trust was not subject to any material legal proceedings, nor, to our knowledge, are any material legal proceeding threatened against the Trust.

#### Item 1A. Risk Factors

You should carefully consider the risk factors discussed below as well as the risk factors discussed in “Risk Factors” in our Registration Statement on Form S-1 (333-280557) declared effective on November 18, 2025, which could materially affect our business, financial condition or future results. There have been no material changes in our risk factors from those disclosed therein.

The risks described below and in our Prospectus are not the only risks facing the Trust. You should also consider any risks and uncertainties described under the caption “Risk Factors” in any applicable prospectus, prospectus supplement, registration statement or other document that we file with the SEC before or after this date. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition and/or operating results.

*The exclusive jurisdiction for certain types of actions and proceedings and waiver of trial by jury clauses set forth in the Trust Agreement may have the effect of limiting a Shareholder’s rights to bring legal action against the Trust and could limit a purchaser’s ability to obtain a favorable judicial forum for disputes with the Trust.*

The Trust Agreement provides that the courts of the state of Delaware and any federal courts located in Wilmington, Delaware will be the exclusive jurisdiction for any claims, suits, actions or proceedings. The Trust has agreed that this shall not apply to causes of actions for violations of U.S. federal or state securities laws. Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder. Investors cannot waive compliance with the federal securities laws and the rules and regulations thereunder.

By purchasing Shares in the Trust, Shareholders waive certain claims that the courts of the state of Delaware and any federal courts located in Wilmington, Delaware is an inconvenient venue or is otherwise inappropriate. As such, Shareholders could be required to litigate a matter relating to the Trust in a Delaware court, even if that court may otherwise be inconvenient for the Shareholder.

The Trust Agreement also waives the right to trial by jury in any such claim, suit, action or proceeding, provided that causes of actions for violations of the Exchange Act or the Securities Act will not be governed by the waiver of the right to trial by jury provision of the Trust Agreement. If a lawsuit is brought against the Trust, it may be heard only by a judge or justice of the applicable trial court, which would be conducted according to different civil procedures and may result in different outcomes than a trial by jury would have, including results that could be less favorable to the plaintiffs in any such action. By purchasing Shares in the Trust, Shareholders waive a right to a trial by jury which may limit a Shareholder’s ability to bring a claim in a judicial forum that it finds favorable for disputes with the Trust.

## **Tax Risk**

### ***The ongoing activities of the Trust may generate tax liabilities for Shareholders.***

It is expected that each Shareholder will include in the computation of their taxable income their proportionate share of the taxable income and expenses of the Trust, including gains and losses realized in connection with the use or sale of SOL to pay Trust expenses or facilitate redemption transactions, as well as any amounts received in connection with staking, as applicable. The Trust expects to make cash distributions at least quarterly to Shareholders, but even if it did not, any tax liability that a Shareholder incurs as a result of holding Shares will need to be satisfied from some other source of funds. If a Shareholder sells Shares in order to raise funds to satisfy such a tax liability, the sale itself may generate additional taxable gain or loss.

### ***SOL staking may result in adverse tax consequences for Shareholders.***

To the extent the Sponsor determines to stake a portion of the Trust's SOL, the staking of the Trust's SOL is expected to result in the Trust's receipt of amounts received in connection with staking in the form of additional SOL. Any such rewards are expected to be treated as ordinary income for U.S. federal income tax purposes. Thus, the Trust's receipt of rewards derived from SOL staking activities could result in beneficial owners of Shares incurring tax liability which may not correspond in amount or timing with a cash distribution from the Trust. Additionally, the Trust's receipt of amounts received in connection with staking could have implications for investors sensitive to unrelated business taxable income, U.S. withholding taxes or taxable income effectively connected with a U.S. trade or business. The U.S. federal income tax treatment of staking may change from that described in the Trust's prospectus filed with the SEC on November 18, 2025, possibly with retroactive effect.

### ***The treatment of staking in a grantor trust for U.S. federal income tax purposes is still developing.***

As a grantor trust, the Trust can undertake only certain types of activities. For example, generally, the Trust cannot vary its investment portfolio to take advantage of market fluctuations. The Trust may receive income from investment activities that do not require such decision-making. On November 10, 2025, the Treasury Department and IRS issued guidance providing a safe harbor for certain staking activities with an investment trust treated as a grantor trust for U.S. federal income tax purposes. The requirements under the safe harbor and under existing law are subject to interpretation. If the Trust were viewed as undertaking the types of activities that would not be allowable for U.S. federal income tax purposes, then the Trust could lose its income tax status as a grantor trust, and the Trust could be reclassified as a partnership. If the Trust were reclassified as a partnership, a more complex reporting regime would apply, and Shareholders would receive a Form K-1. If the Trust were reclassified as a partnership but did not satisfy a safe harbor or exception to the publicly traded partnership rules, it could be reclassified as a corporation, which would subject the Trust to corporate level tax, and the Shareholder's return on investment would likely be affected.

Initially, the principal office of the Trust shall be at c/o 21shares US LLC, 477 Madison Avenue, New York, New York 10022.

#### SECTION 1.4 Declaration of Trust.

The Trust Estate shall be held in trust for the Shareholders. It is the intention of the parties hereto that the Trust shall be a statutory trust, under the Delaware Trust Statute and that this Trust Agreement shall constitute the governing instrument of the Trust. It is not the intention of the parties hereto to create a general partnership, limited partnership, limited liability company, joint stock association, corporation, bailment or any form of legal relationship other than a Delaware statutory trust that is treated as a grantor trust for U.S. federal income tax purposes and for purposes of applicable state and local tax laws. Nothing in this Trust Agreement shall be construed to make the Shareholders partners or members of a joint stock association. Effective as of the date hereof, the Trustee and the Sponsor shall have all of the rights, powers and duties set forth herein and in the Delaware Trust Statute with respect to accomplishing the purposes of the Trust. The Trustee has filed the certificate of trust required by Section 3810 of the Delaware Trust Statute in connection with the formation of the Trust under the Delaware Trust Statute.

#### SECTION 1.5 Purposes and Powers.

(a) The purposes of the Trust shall be to accept subscriptions or Creation Orders for Shares in SOL or cash in accordance with Article III hereof, to distribute SOL or cash upon Redemption Orders of Shares in accordance with Article III hereof, reflect rewards from staking a portion of the Trust's SOL, to the extent the Sponsor in its sole discretion determines that the Trust may engage in Staking without undue legal or regulatory risk, such as, without limitation, the risk of jeopardizing the Trust's ability to qualify as a grantor trust for U.S. federal income tax purposes, and to enter into any lawful transaction and engage in any lawful activities in furtherance of or incidental to the foregoing. The Trust shall not engage in any business activity and shall not acquire or own any assets other than SOL, cash or cash from the sale of SOL, pending use of such cash for payment of Additional Trust Expenses or distribution to the Shareholders, as provided in this Trust Agreement, or take any of the actions set forth in Section 1.11. Notwithstanding the preceding sentence, from time to time the Trust may receive Incidental Rights as a result of an airdrop or hard fork or similar method. The Trust shall have all of the powers specified in Section 2.1 hereof as powers which may be exercised by a Sponsor on behalf of the Trust under this Trust Agreement. Nothing in this Trust Agreement shall be construed to give the Trustee or the Sponsor the power to vary the investment of the Shareholders within the meaning of the Treasury Regulations, nor shall the Trustee or the Sponsor take any action that would vary the investment of the Shareholders.

(b) The Trust may earn Staking rewards by investing in Liquid Staking Protocols or acquiring Liquid Staking Tokens to the extent the Sponsor, in its sole discretion, determines that a Liquid Staking Token represents beneficial ownership of the underlying ether for U.S. federal income tax purposes and that acquisition of a Liquid Staking Token does not vary the investments of the Trust.

#### SECTION 1.6 Assets of the Trust

The Trust shall not acquire or own any assets other than SOL, cash in connection with Creation Orders or Redemption Orders or cash from the sale of SOL pending use of such cash for payment of Additional Trust Expenses or distribution to the Shareholders, as provided in this Trust Agreement, or from time to time, Incidental Rights.

#### SECTION 1.7 Tax Treatment.

Unless the IRS determines otherwise in published guidance controlling as to the tax classification of the Trust or in a private letter ruling issued to the Trust or to the Sponsor on behalf of the Trust, the Trust shall be treated for U.S. federal income tax purposes, and for all applicable state and local tax purposes, as a grantor trust and the Shares shall qualify under applicable tax law as interests in a grantor trust which holds the Trust Estate. Each party agrees to use reasonable efforts to notify the other parties promptly upon a receipt of any notice from any taxing authority having jurisdiction over such holders of Shares with respect to the treatment of the Shares as anything other than interests in a grantor trust.

#### SECTION 1.8 Legal Title.

Legal title to all of the Trust Estate shall be vested in the Trust as a separate legal entity; provided, however, that if applicable law in any jurisdiction requires legal title to any portion of the Trust Estate to be vested otherwise, the Sponsor may cause legal title to such portion of the Trust Estate to be held by or in the name of the Sponsor or any other Person (other than a Shareholder or the Trustee unless, in the case of the Trustee, the Sponsor receives the Trustee's prior written consent) as nominee.

#### SECTION 1.9 Assets of the Trust.

The Trust Estate shall irrevocably belong to the Trust for all purposes, subject only to the rights of creditors of the Trust and shall be so recorded upon the books of account of the Trust.

#### SECTION 1.10 Liabilities of the Trust.

The Trust Estate shall be charged with the liabilities of the Trust and with all expenses, costs, charges and reserves attributable to the Trust. The Sponsor shall have full discretion, to the extent not inconsistent with applicable law, to determine which items shall be treated as income and which items as capital, and each such determination and allocation shall be conclusive and binding upon the Shareholders.

#### SECTION 1.11 General Prohibitions.

The Trust shall not:

- (a) Receive any property other than SOL upon the issuance of Shares;
- (b) Hold any property other than SOL, Incidental Rights, IR Virtual Currency, or cash from the sale of SOL or interests in any liquidating trust or other vehicle formed to hold pending distribution of such interests to the Shareholders;
- (c) Hold any cash from the sale of SOL, Incidental Rights or IR Virtual Currency for more than thirty (30) Business Days prior to using such cash to pay Additional Trust Expenses and distributing any remaining cash to the Shareholders;
- (d) Redeem the Shares other than (i) to satisfy a Redemption Order from an Authorized Participant, (ii) as provided in Section 6.8 or (iii) upon the dissolution of the Trust;
- (e) Borrow money from or loan money to any Shareholder (including the Sponsor) or any other Person;
- (f) Create, incur, assume or suffer to exist any lien, mortgage, pledge conditional sales or other title retention agreement, charge, security interest or encumbrance on or with respect to the Trust Estate, except liens for taxes not delinquent or being contested in good faith and by appropriate proceedings and for which appropriate reserves have been established;
- (g) Commingle the Trust Estate with the assets of any other Person;

- (h) Permit rebates to be received by the Sponsor or any Affiliate of the Sponsor, or permit the Sponsor or any Affiliate of the Sponsor to engage in any reciprocal business arrangements which would circumvent the foregoing prohibition;
- (i) Enter into any contract with the Sponsor or an Affiliate of the Sponsor (A) that, except for selling agreements for the sale of Shares, has a term of more than one year and that does not provide that it may be cancelled by the Trust without penalty on sixty (60) days prior written notice or (B) for the provision of services, except at rates and terms at least as favorable as those that may be obtained from third parties in arm's length negotiations;
- (j) Cause the Trust to elect to be treated as an association taxable as a corporation for U.S. federal income tax purposes; or
- (k) Take any action that would result in the Trust being treated other than a grantor trust for U.S. federal tax purposes.

## ARTICLE II

### SHARES; CAPITAL CONTRIBUTIONS

#### SECTION 2.1 General.

The Sponsor shall have the power and authority, without action or approval by the Shareholders, to cause the Trust to issue Shares from time to time as it deems necessary or desirable and in the interest of the Trust. The number of Shares authorized shall be unlimited, and the Shares so authorized may be represented in part by fractional Shares, calculated to one one-hundred-millionth of one SOL (i.e., carried to the eighth decimal place). From time to time, the Sponsor may cause the Trust to divide or combine the Shares into a greater or lesser number without thereby changing the proportionate beneficial interests in the Trust Estate, or in any way affecting the rights, of the Shareholders, without action or approval by the Shareholders. The Trust shall issue Shares solely in exchange for contributions of SOL (or for no consideration if pursuant to a Share distribution or split-up) in accordance with the procedures set forth herein and in any applicable Authorized Participant Agreement. All Shares when so issued shall be fully paid and non-assessable. Every Shareholder, by virtue of having purchased or otherwise acquired a Share, shall be deemed to have expressly consented and agreed to be bound by the terms of this Trust Agreement and shall be a party to this Trust Agreement without any requirement to execute this Trust Agreement.

#### SECTION 2.2 Book-Entry-Only System.

Shares shall be held in book-entry form by the Transfer Agent. The Sponsor or its delegate shall direct the Transfer Agent to (i) credit or debit the number of Creation Baskets or Redemption Baskets to the account of the applicable Shareholder or Authorized Participant, as applicable and (ii) issue or cancel Creation Baskets or Redemption Baskets, as applicable, at the direction of the Sponsor or its delegate.

#### SECTION 2.3 Distributions.

- (a) The Sponsor may, in its absolute discretion, cause the Trust to make distributions to the Shareholders from the Trust Estate at any time, including if required in order to preserve its status as a grantor trust for U.S. federal income tax purposes. If the Trust sells SOL, any cash remaining after the payment of any Additional Trust Expenses shall promptly be distributed to the Shareholders.
- (b) All distributions on Shares shall be made pro rata to the Shareholders in proportion to their respective Percentage Interests at the date and time of record established for such distribution.
- (c) Distributions may be made in-kind or in cash, as determined in the sole discretion of the Sponsor.

#### SECTION 2.4 Voting Rights.

Shareholders shall only have such rights as set forth in Article VII hereof. Notwithstanding any other provision hereof, on each matter submitted to a vote of the Shareholders, each Shareholder shall be entitled to a proportionate vote based upon its Percentage Interest at such time.

## SECTION 2.5 Equality.

All Shares shall represent an equal proportionate beneficial interest in the Trust Estate subject to the liabilities of the Trust, and each Share's interest in the Trust Estate shall be equal to each other Share.

## ARTICLE III

### CREATIONS AND REDEMPTIONS

#### SECTION 3.1 Procedures for Creation and Issuance of Creation Baskets.

- (a) General. Shares may be created and issued directly by the Trust through Creation Orders (as described below) delivered by Authorized Participants.
- (b) Creation and Issuance Through Authorized Participants. The following procedures, as supplemented by the more detailed procedures specified in the Exhibits, annexes, attachments and procedures, as applicable, to each Authorized Participant Agreement (the "PA Procedures"), which may be amended from time to time in accordance with the provisions of the relevant Authorized Participant Agreement (provided that any such amendment shall not constitute an amendment of this Trust Agreement), shall govern the Trust with respect to the creation and issuance of Creation Baskets. Subject to the limitations upon, and requirements for, issuance of Creation Baskets stated herein and in the PA Procedures, the number of Creation Baskets that may be issued by the Trust is unlimited.
  - (i) On any Business Day, an Authorized Participant may place an order for one or more Creation Baskets (each, a "Creation Order") in the manner provided in the PA Procedures. Cash creation orders must be placed by 12:00 p.m. ET, or the close of regular trading on the Exchange, or at a time as determined by the Sponsor. The day on which an order is received by the Transfer Agent is considered the purchase order date.
  - (ii) The Sponsor or its delegate shall process Creation Orders only from Authorized Participants with respect to which an Authorized Participant Agreement is in full force and effect. The Sponsor or its delegate shall maintain and make available to any Shareholder at the Trust's principal offices during normal business hours a current list of the Authorized Participants with respect to which an Authorized Participant Agreement is in full force and effect.
  - (iii) The Trust shall create and issue Creation Baskets in exchange for deposit with the SOL Custodian on the applicable Creation Settlement Date of the applicable Aggregate Basket Deposit, the delivery of which may be facilitated by the SOL Counterparty as part of a cash-settled transaction with the relevant Authorized Participant.
  - (iv) The Sponsor or its delegate has final determination of all questions as to the calculation of the Aggregate Basket Deposit at any time.
  - (v) Deposits other than cash received from an Authorized Participant and SOL from the SOL Counterparty shall be rejected.
- (vi) To effectuate a creation order, the Authorized Participant will be required to prefund with cash the Trust's purchase of SOL in an amount set by the Sponsor. The Authorized Participant will be required to transfer the cash deposit amount associated with such creation order to the Trust's account with the Cash Custodian. The Sponsor, on behalf of the Trust, will instruct a SOL Counterparty to purchase the amount of SOL equivalent in value to the cash deposit amount associated with the creation order, with such purchase transaction prearranged to be executed, in the Sponsor's reasonable efforts, at the Pricing Benchmark price used by the Trust to calculate NAV, taking into account any spread, commissions, or other trading costs on the date of the applicable Creation Order. The resulting SOL will be deposited in the Trust's account with the SOL Custodian. Any slippage incurred (including, but not limited to, any trading fees, spreads, or commissions), on a cash equivalent basis, will be the responsibility of the Authorized Participant and not of the Trust or Sponsor. To the extent the execution price of the SOL acquired by the SOL Counterparty at settlement is less than the cash deposit amount, such cash difference will be remitted to the Authorized Participant. To the extent the execution price of the SOL acquired by the SOL Counterparty exceeds the cash deposit amount, such cash difference will be the responsibility of the Authorized Participant and not the Trust or Sponsor.

(vii) Determination of the Basket Deposit. Each Share issued in the initial offering of Shares will represent 0.1 of one SOL. For each Creation Order thereafter, the total cash deposit amount required to create each Basket (“Basket Deposit”) is the amount of cash equivalent to the amount of SOL that is in the same proportion to the total assets of the Trust, net of accrued expenses and other liabilities, on the date the order to purchase is properly received, as the number of Shares to be created under the purchase order is in proportion to the total number of Shares outstanding on the date the order is received, plus a cash buffer set by the Sponsor. The Basket Deposit changes from day to day. On each day that the Exchange is open for regular trading, the Administrator adjusts the quantity of SOL represented by the Basket Deposit as appropriate to reflect accrued expenses and any loss of SOL that may occur. The computation is made by the Administrator as practicable after 4:00 p.m. ET. Each night, the Sponsor will publish the amount of SOL that represented by each Basket Deposit.

(c) All questions as to the calculation of the Basket Deposit will be conclusively determined by the Sponsor and will be final and binding on all persons interested in the Trust. The Basket Deposit multiplied by the number of Baskets being created for any Creation Order is the “Aggregate Basket Deposit.”

(d) Rejection.

The Sponsor or its designee has the absolute right, but does not have any obligation, to reject any purchase order or Basket Deposit if the Sponsor determines that:

(i) the purchase order or Basket Deposit is not in proper form;

(ii) it would not be in the best interest of the Shareholders of the Trust;

(iii) the acceptance of the purchase order or the Basket Deposit would have adverse tax consequences to the Trust or its Shareholders;

(iv) the acceptance or receipt of which would, in the opinion of counsel to the Sponsor, be unlawful; or

(v) circumstances outside the control of the Trust, the Sponsor, the Marketing Agent or the SOL Custodian make it, for all practical purposes, not feasible to process Creations Baskets (including if the Sponsor determines that the investments available to the Trust at that time will not enable it to meet its investment objective).

None of the Sponsor, the Transfer Agent or the SOL Custodian will be liable for the rejection of any purchase order or Basket Deposit.

(e) Conflict. In the event of any conflict between the procedures described in this Section 3.1 and the PA Procedures, the PA Procedures shall control.

### SECTION 3.2 Alternate Procedures.

(a) Alternate Procedures. Notwithstanding any of the foregoing, the SOL Custodian may accept delivery of SOL by such other means as the Sponsor, from time to time, may determine to be acceptable for the Trust. The Sponsor or its delegates from time to time may, but shall have no obligation to, establish procedures with respect to subscription of Shares in lot sizes smaller than the Creation Basket and permitting the creation distribution to be delivered in a manner other than that specified in Section 3.1.

(b) Alternate Procedures If Successor Custodian Is Appointed. In addition, if a successor or alternative to the SOL Custodian shall be employed, the Trust and the Sponsor shall establish procedures acceptable to such successor with respect to the matters addressed in this Article III.

### SECTION 3.3 Redemption of Redemption Baskets.

(a) General. Shares may be redeemed by the Trust only through Redemption Orders (as described below) delivered by Authorized Participants.

The following procedures, as supplemented by the PA Procedures, which may be amended from time to time in accordance with the provisions of the Authorized Participant Agreement (provided that any such amendment shall not constitute an amendment of this Trust Agreement), shall govern the Trust with respect to Redemption Orders.

(i) On any Business Day, an Authorized Participant may place an order to redeem Redemption Baskets (each, a “Redemption Order”) in the manner provided in the PA Procedures. Redemption orders must be placed by 12:00 p.m. ET, or the close of regular trading on the Exchange, or another time as determined by the Sponsor.

(ii) The Sponsor or its delegates shall process Redemption Orders only from Authorized Participants with respect to which an Authorized Participant Agreement is in full force and effect.

(iii) The Trust shall redeem Redemption Baskets only in exchange for deposit with the Transfer Agent on the Redemption Settlement Date Shares equal to the total number of Baskets indicated in the Redemption Order.

(iv) To effectuate a redemption order via a cash transaction, the Authorized Participant will be required to prefund a cash amount determined by the Sponsor to the Trust’s account with the Transfer Agent no later than 2:00 pm ET on the sell order date or at another time as determined by the Sponsor. Upon receipt of the required cash indicated in the redemption order, the Sponsor, on behalf of the Trust, will instruct the SOL Counterparty to convert this SOL into cash by effectuating a SOL sale executed, in the Sponsor’s reasonable efforts, at the Pricing Benchmark price used by the Trust to calculate NAV, and deposit the cash proceeds of such sale in the Trust’s account with the Cash Custodian for settlement with the Authorized Participant (taking into account any spread, commission, or other trading costs).

(v) The redemption distribution from the Trust is delivered to the SOL Counterparty on the redemption distribution date if the Trust's Depository Trust Company ("DTC") account has been credited with the Baskets to be redeemed. Once the Sponsor determines that the Shares have been received in the Trust's DTC account, the Sponsor authorizes the SOL Custodian to transfer the redemption SOL amount from the Trust's SOL Custodian account to the SOL Counterparty for conversion to cash to be distributed to the Authorized Participant upon settlement.

(vi) Upon receipt of the redemption distribution of SOL by the SOL Counterparty, the SOL Counterparty, as a counterparty to the Trust, shall convert the SOL associated with the redemption order to cash for settlement with the Trust. Under most circumstances, this transfer of SOL will be made from the Trust's Cold Vault Balance with the SOL Custodian, although in some circumstances, SOL may be transferred from outside of cold storage.

(vii) The Sponsor or its delegate has final determination of all questions as to the determination of the Aggregate Basket Deposit at any time.

(viii) The Aggregate Basket Deposit shall only be delivered only to the Trust's account at the Cash Custodian or a cash account at the SOL Custodian.

(ix) The Aggregate Basket Deposit shall be subject to the deduction of any applicable tax or other governmental charges that may be due.

(b) Rejection.

(i) The Sponsor or its delegate shall reject a Redemption Order if (1) the Redemption Order is not in proper form; (2) the fulfillment of the Redemption Order, in the opinion of its counsel, might be unlawful; (3) the acceptance of the Redemption Order would have adverse tax consequences to the Trust or its Shareholders; or (4) it would not be in the best interest of the Shareholders of the Trust.

(ii) The redemption of Baskets may be suspended generally, or refused with respect to a particular Redemption Order, during any period when the transfer books of the Transfer Agent are closed or if circumstances outside the control of the Sponsor or its delegate make it for all practicable purposes not feasible to process Redemption Orders. None of the Sponsor, its delegates or the SOL Custodian shall be liable for the suspension or rejection of any Redemption Order.

(c) Conflict. In the event of any conflict between the procedures described in this Section 3.3 and the PA Procedures, the PA Procedures shall control.

#### SECTION 3.4 Other Redemption Procedures.

The Sponsor or its delegates from time to time may, but shall have no obligation to, establish procedures with respect to redemption of Shares in lot sizes smaller than a Redemption Basket and permitting the redemption distribution to be delivered in a manner other than that specified herein.

### ARTICLE IV

#### TRANSFERS OF SHARES

##### SECTION 4.1 Transfer of Shares

Any transfer of Shares must comply with the provisions of this Article IV. Any act or transaction that does not comply with this Article IV shall be deemed void ab initio and not be binding or recognized by the Trust (regardless of whether the Sponsor shall have knowledge of such act or transaction) unless approved in writing by the Sponsor in its sole discretion.

Subject to the provisions of this Article IV, Shares shall be transferable on the books of the Trust only by the record holder thereof or by his or her duly authorized agent upon delivery to the Sponsor or the Trust's Transfer Agent or similar agent of a duly executed instrument of transfer, together with a Share certificate if one is outstanding, and such evidence of the genuineness of each such execution and authorization and of such other matters as may be required by the Sponsor. Upon such delivery, and subject to any further requirements specified by the Sponsor, the transfer shall be recorded on the books of the Trust. Until a transfer is so recorded, the Shareholder of record of Shares shall be deemed to be the Shareholder with respect to such Shares for all purposes hereunder and neither the Sponsor nor the Trust, nor the Transfer Agent or any similar agent or registrar or any officer, employee or agent of the Trust, shall be affected by any notice of a proposed transfer. The record books of the Trust as kept by the Trust, or any transfer or similar agent, as the case may be, will be conclusive as to the identity of the Shareholders and as to the number of Shares held from time to time by each.

ARTICLE V  
THE TRUSTEE

SECTION 5.1 Term; Resignation; Removal; Successor Trustee.

(a) CSC Delaware Trust Company has been appointed and hereby agrees to serve as the Trustee of the Trust. The Trust shall have only one Trustee unless otherwise determined by the Sponsor. The Trustee shall serve until such time as the Trust is terminated or if the Sponsor removes the Trustee or the Trustee resigns. The Trustee is appointed to serve as the trustee of the Trust in the State of Delaware and shall at all times satisfy the requirements of Section 3807(a) of the Delaware Trust Statute and be authorized to exercise corporate trust powers under the laws of Delaware, having a combined capital, surplus and undivided profits of at least \$50,000,000 and subject to supervision or examination by federal or state authorities. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Article V the combined capital, surplus and undivided profits of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible to serve as trustee of the Trust in accordance with the provisions of this Section 5.1, the Trustee shall resign promptly in the manner and with the effect specified in this Article V. The Trustee may have normal banking and trust relationships with the Sponsor and their respective affiliates; provided that none of (i) the Sponsor, (ii) any Person involved in the organization or operation of the Sponsor or the Trust or (iii) any Affiliate of any of them may be the Trustee hereunder. The Trust shall have at least one trustee with a principal place of business in Delaware. It is understood and agreed by the parties hereto that the Trustee shall have none of the duties or liabilities of the Sponsor and shall have no obligation to supervise or monitor the Sponsor or otherwise manage the Trust and no such duties shall be implied. To the extent, at law or in equity, the Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Trust or the Sponsor, it is hereby understood and agreed by the parties hereto that such duties and liabilities are replaced by the duties and liabilities of the Trustee expressly set forth in this Trust Agreement.

(b) The Trustee is permitted to resign upon at least thirty (30) days' written notice to the Sponsor upon which date such resignation shall be effective. If no successor Delaware Trustee shall have accepted such appointment within forty five (45) days after the giving of such notice of resignation, the Delaware Trustee at the expense of the Trust may petition any court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(c) If at any time the Trustee shall cease to be eligible to serve as trustee of the Trust in accordance with the provisions of this Trust Agreement, or if at any time the Trustee shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then the Sponsor may remove the Trustee and appoint a successor trustee by written instrument, in duplicate, which instrument shall be delivered to the Trustee so removed and the successor trustee. The Sponsor may at any time, upon thirty (30) days' prior written notice to the Trustee, remove the Trustee and appoint a successor trustee by written instrument or instruments, in triplicate, signed by the Sponsor or its attorney-in-fact duly authorized, one complete set of which instruments shall be delivered to the Trustee so removed and one complete set to the successor so appointed.

(d) Any resignation or removal of the Trustee and appointment of a successor Trustee cannot become effective until a written acceptance of appointment is delivered by the successor Trustee to the outgoing Trustee and the Sponsor and any fees, expenses and indemnities due to the outgoing Trustee are paid by the outgoing Trustee. Following compliance with the preceding sentence, the successor will become fully vested with the rights, powers, duties and obligations of the outgoing Trustee under the Trust Agreement, with like effect as if originally named as Trustee, and the outgoing Trustee shall be discharged of its duties and obligations herein. The successor trustee shall file any necessary amendments to the Certificate of Trust as required under the Delaware Trust Statute.

(e) If the Trustee resigns and no successor trustee is appointed within 180 days after the date the Trustee issues its notice of resignation, the Sponsor will terminate and liquidate the Trust and distribute its remaining assets.

## SECTION 5.2 Powers.

Except to the extent expressly set forth in Section 1.3 and this Article V, the duty and authority to manage the affairs of the Trust is vested in the Sponsor, which duty and authority the Sponsor may further delegate as provided herein pursuant to Section 3806(b)(7) of the Delaware Trust Statute. The duties of the Trustee shall be limited to (i) accepting legal process served on the Trust in the State of Delaware, (ii) the execution of any certificates required to be filed with the Secretary of State of the State of Delaware which the Trustee is required to execute under Section 3811 of the Delaware Trust Statute, and (iii) any other duties specifically allocated to the Trustee in this Trust Agreement. The Trustee shall provide prompt notice to the Sponsor of its performance of any of the foregoing. The Sponsor shall reasonably keep the Trustee informed of any actions taken by the Sponsor with respect to the Trust that would reasonably be expected to affect the rights, obligations or liabilities of the Trustee hereunder or under the Delaware Trust Statute.

## SECTION 5.3 Compensation and Expenses of the Trustee.

The Trustee shall be entitled to receive from the Sponsor, as a Sponsor-paid Expense, reasonable compensation for its services hereunder as set forth in a separate fee agreement and shall be entitled to be reimbursed by the Sponsor for reasonable out-of-pocket expenses incurred by it in the performance of its duties hereunder, including without limitation, the reasonable compensation, out-of-pocket expenses and disbursements of counsel, any experts and such other agents as the Trustee may employ in connection with the exercise and performance of its rights and duties hereunder (together, the "Trust Expenses"). To the extent that the Sponsor fails to pay the Trust Expenses, the Trust will be responsible for such Trust Expenses. The Trustee may consult with counsel (who may be counsel for the Sponsor or for the Trustee). The reasonable legal fees incurred in connection with such consultation shall be reimbursed to the Trustee pursuant to this Section, provided that no such fees shall be payable to the extent that they are incurred as a result of the Trustee's gross negligence, bad faith or willful misconduct. The Trustee may earn compensation in the form of short-term interest ("float") on items like uncashed distribution checks (from the date issued until the date cashed), funds that the Trustee is directed not to invest, deposits awaiting investment direction or received too late to be invested overnight in previously directed investments.

#### SECTION 5.4 Indemnification.

(a) The Trust hereby agrees to be primary obligor and shall indemnify, defend and hold harmless the Trustee (including in its individual capacity) and any of the officers, affiliate, directors, employees and agents of the Trustee (the “Indemnified Persons”) from and against any and all losses, damages, liabilities (including liabilities under any state or federal securities laws), claims, actions, suits, costs, expenses, disbursements (including for each Indemnified Person the reasonable fees and expenses of counsel and fees and expenses (including legal fees and expenses) incurred in connection with enforcement of its indemnification rights hereunder), taxes and penalties of any kind and nature whatsoever (collectively, “Expenses”), to the extent that such Expenses arise out of or are imposed upon or asserted at any time against such Indemnified Persons with respect to the performance of this Trust Agreement, the creation, operation or termination of the Trust or the transactions contemplated hereby; provided, however, that the Trust shall not be required to indemnify any Indemnified Person for any Expenses which are adjudicated by a court of competent jurisdiction to be a direct result of the willful misconduct, bad faith or gross negligence of an Indemnified Person. If the Trust shall have insufficient assets or improperly refuses to pay an Indemnified Person within sixty (60) days of a request for payment owed hereunder, the Sponsor shall, as secondary obligor, compensate or reimburse the Trustee or indemnify, defend and hold harmless an Indemnified Person as if it were the primary obligor hereunder; provided, however, that the Sponsor shall not be required to indemnify any Indemnified Person for any Expenses which are adjudicated by a court of competent jurisdiction to be a direct result of the willful misconduct, bad faith or gross negligence of an Indemnified Person. To the fullest extent permitted by law, Expenses to be incurred by an Indemnified Person shall, from time to time, be advanced by, or on behalf of, the Sponsor prior to the final disposition of any matter upon receipt by the Sponsor of an undertaking by, or on behalf of, such Indemnified Person to repay such amount if it shall be determined by a court of competent jurisdiction that the Indemnified Person is not entitled to be indemnified under this Trust Agreement.

(b) As security for any amounts owing to the Trustee hereunder, the Trustee shall have a lien against the Trust property, which lien shall be prior to the rights of the Sponsor, or any other Shareholder.

(c) The obligations of the Sponsor and the Trust to indemnify the Indemnified Persons under this Section 5.4 shall survive the termination of this Trust Agreement and resignation or removal of the Trustee.

**SECTION 5.5 Successor Trustee.** Upon the resignation or removal of the Trustee, the Sponsor shall appoint a successor Trustee by delivering a written instrument to the outgoing Trustee. Any successor Trustee must satisfy the requirements of Section 3807 of the Delaware Trust Statute. The successor Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Trustee under this Trust Agreement, with like effect as if originally named as Trustee, and the outgoing Trustee shall be discharged of its duties and obligations under this Trust Agreement. Any business entity into which the Trustee may be merged or converted or with which it may be consolidated, or any entity resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, to the fullest extent permitted by law without the execution or filing of any paper or any further act on the part of any of the parties hereto.

**SECTION 5.6 Liability of Trustee.** Except as otherwise provided in this Article V, in accepting the trust created hereby, CSC Delaware Trust Company acts solely as Trustee hereunder and not in its individual capacity, and all Persons having any claim against CSC Delaware Trust Company by reason of the transactions contemplated by this Trust Agreement and any other agreement to which the Trust is a party shall look only to the Trust Estate for payment or satisfaction thereof.

The Trustee will not be liable for the acts or omissions of the Sponsor, nor will the Trustee be liable for supervising or monitoring the performance and the duties and obligations of the Sponsor or the Trust under the Trust Agreement. The Trustee will not be personally liable under any circumstances, except for its own willful misconduct, bad faith or gross negligence. In particular, but not by way of limitation:

- (a) the Trustee will not be personally liable for any error of judgment made in good faith except to the extent such error of judgment constitutes gross negligence on its part;
- (b) no provision of the Trust Agreement will require the Trustee to expend or risk its personal funds or otherwise incur any financial liability in the performance of its rights or powers hereunder, if the Trustee shall have reasonable grounds for believing that the payment of such funds or adequate indemnity against such risk or liability is not reasonably assured or provided to it;
- (c) under no circumstances will the Trustee be personally liable for any representation, warranty, covenant, agreement, or indebtedness of the Trust;
- (d) the Trustee will not be personally responsible for or in respect of the validity or sufficiency of the Trust Agreement or for the due execution hereof by the Sponsor;
- (e) the Trustee shall have no liability or responsibility for the validity or sufficiency of this Trust Agreement or for the form, character, genuineness, sufficiency, enforceability, collectability, location, existence, value or validity of the Trust Estate;
- (f) the Trustee has not prepared or verified, and shall not be responsible or liable for, any information, disclosure or other statement in the Trust's offering documents or in any other document issued or delivered in connection with the sale or transfer of the Shares;

(g) the Trustee shall not be liable for any actions taken or omitted to be taken by it in accordance with the instructions of the Sponsor or the Liquidating Trustee;

(h) the Trustee shall have no duty or obligation to supervise the performance of any obligations of the Trust, the Sponsor, the SOL Custodian or their respective delegates, any Authorized Participant or any other Person;

(i) no provision of this Trust Agreement shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights or powers hereunder;

(j) the Trustee will incur no liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. The Trustee may accept a certified copy of a resolution of any governing body of any corporate party as conclusive evidence that such resolution has been duly adopted by such body and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically prescribed herein, the Trustee may for all purposes hereof rely on a certificate, signed by an authorized officer of the Sponsor or any other corresponding directing party, as to such fact or matter, and such certificate will constitute full protection to the Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon;

(k) in the exercise or administration of the Trust hereunder, the Trustee (i) may act directly or through agents or attorneys pursuant to agreements entered into with any of them, and the Trustee will not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys will have been selected by the Trustee in good faith and with due care and (ii) may consult with counsel, accountants and other skilled persons to be selected by it in good faith and with due care and employed by it, and it will not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons;

(l) except as will be expressly provided in the Trust Agreement, the Trustee will act solely as a trustee under the Trust Agreement and not in its individual capacity, and all persons having any claim against the Trustee by reason of the transactions contemplated by the Trust Agreement will look only to the Trust's property for payment or satisfaction thereof;

(m) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement, or to institute, conduct or defend any litigation under this Trust Agreement or any other agreements to which the Trust is a party, at the request, order or direction of the Sponsor unless the Sponsor has advanced any necessary costs and offered to CSC Delaware Trust Company (in its capacity as Trustee and individually) security or indemnity satisfactory to it against the costs, expenses and liabilities that may be incurred by CSC Delaware Trust Company (including, without limitation, the reasonable fees and expenses of its counsel) therein or thereby;

(n) notwithstanding anything contained herein to the contrary, the Trustee shall not be required to take any action in any jurisdiction other than in the State of Delaware if the taking of such action will (i) require the consent or approval or authorization or order of, or the giving of notice to, or the registration with or taking of any action in respect of, any state or other governmental authority or agency of any jurisdiction other than the State of Delaware, (ii) result in any fee, tax or other governmental charge becoming payable by the Trustee under the laws of any jurisdiction or any political subdivision thereof other than the State of Delaware or (iii) subject the Trustee to personal jurisdiction, other than in the State of Delaware;

(o) to the extent that, at law or in equity, the Trustee has duties (including fiduciary duties) and liabilities relating thereto to the Trust, the Shareholders or any other Person, the Trustee, acting under this Trust Agreement, shall not be liable to the Trust, the Shareholders or any other Person for its good faith reliance on the provisions of this Trust Agreement, and the provisions of this Trust Agreement, to the extent that they restrict or eliminate the duties and liabilities of the Trustee otherwise existing at law or in equity are agreed by the parties hereto to replace such other duties and liabilities of the Trustee;

(p) whenever the Trustee is unable to decide between alternative courses of action permitted or required by the terms of this Trust Agreement or any other document to which the Trust is a party or is unsure as to how to proceed, the Trustee may request and rely on written direction from the Sponsor;

(q) the Trustee shall not be required to take any action hereunder if the Trustee shall have reasonably determined or been advised by counsel that such action is likely to result in liability on the part of the Trustee or is contrary to the terms hereof or of any document to which the Trust is a party or is otherwise contrary to law;

(r) the permissive right of the Trustee to perform any discretionary act or exercise any privilege enumerated shall not be construed as a duty;

(s) prior to taking or refraining from taking any action upon direction or request, the Trustee shall be entitled to request, receive, rely upon and act in accordance with, officer's certificates or opinions of counsel provided at the expense of the party requesting the Trustee to take such action or inaction;

(t) the Trustee shall have no (i) duty or obligation to manage, make any payment with respect to, register, record, sell, dispose of, or otherwise deal with the trust estate, or (ii) responsibility for the preparation, correctness, accuracy, existence, or filing of any financing or continuation statement in any public office at any time or the validity, existence, perfection or maintenance of the perfection of any security interest or lien granted to the Trust, nor shall the Trustee have any responsibility to monitor the performance of any assets, or to prepare or file any tax, qualification to do business, license, commission or other securities law filing, or other regulatory filing or report for the Trust;

(u) the Trustee shall not be obligated to give any bond or other security for the performance of its duties hereunder; and

(v) the Trustee will not be liable for punitive, exemplary, consequential, special or other similar damages under any circumstances.

SECTION 5.7 Reliance; Advice of Counsel.

(a) In the absence of bad faith, the Trustee may conclusively rely upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Trust Agreement in determining the truth of the statements and the correctness of the opinions contained therein, and shall incur no liability to anyone in acting or not acting on any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties and need not investigate any fact or matter pertaining to any such document; provided, however, that the Trustee shall have examined any certificates and opinions so as to reasonably determine compliance of such certificates and opinions with the requirements of this Trust Agreement. The Trustee may accept a certified copy of a resolution of the board of directors or other governing body of any corporate party as conclusive evidence that such resolution has been duly adopted by such body and that such resolution is in full force and effect. As to any fact or matter the method of the determination of which is not specifically prescribed in this Trust Agreement, the Trustee may for all purposes hereof rely on a certificate, signed by the president, any vice president, the treasurer or any other authorized officers of the relevant party, as to such fact or matter, and such certificate shall constitute full protection to the Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon.

(b) In the exercise or administration of the Trust hereunder and in the performance of its duties and obligations under this Trust Agreement, the Trustee, at the expense of the Trust (i) may act directly or through its agents, attorneys, custodians or nominees pursuant to agreements entered into with any of them, and the Trustee shall not be liable for the conduct or misconduct of such agents, attorneys, custodians or nominees if such agents, attorneys, custodians or nominees shall have been selected by the Trustee with reasonable care and (ii) may consult with counsel, accountants and other skilled professionals to be selected with reasonable care by it. The Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the opinion or advice of any such counsel, accountant or other such Persons.

SECTION 5.8 Payments to the Trustee.

Any amounts paid to the Trustee pursuant to this Article V shall be deemed not to be a part of the Trust Estate immediately after such payment. Any amounts owing to the Trustee under this Trust Agreement shall constitute a claim against the Trust Estate.

## ARTICLE VI

### THE SPONSOR

#### SECTION 6.1 Management of the Trust.

Pursuant to Section 3806(b)(1) of the Delaware Trust Statute, the Trust shall be managed by the Sponsor in accordance with this Trust Agreement. Pursuant to Section 3806(b)(7) of the Delaware Trust Statute, the Sponsor may delegate, as provided herein, the duty and authority to manage the Trust. Any determination as to what is in the interests of the Trust made by the Sponsor in good faith shall be conclusive and binding on all Shareholders and all other persons or entities having an interest in the Trust. In construing the provisions of this Trust Agreement, the presumption shall be in favor of a grant of power to the Sponsor. The enumeration of any specific power in this Trust Agreement shall not be construed as limiting the aforesaid power.

#### SECTION 6.2 Authority of Sponsor.

In addition to, and not in limitation of, any rights and powers conferred by law or other provisions of this Trust Agreement, and except as limited, restricted or prohibited by the express provisions of this Trust Agreement or the Delaware Trust Statute, the Sponsor shall have, and may exercise on behalf of the Trust, all powers and rights necessary, proper, convenient or advisable to effectuate and carry out the purposes of the Trust, which powers and rights shall include, without limitation, the following:

- (a) To enter into, execute, accept, deliver and maintain, and to cause the Trust to perform its obligations under, contracts, agreements and any or all other documents and instruments incidental to the Trust's purposes, including, but not limited to, contracts with third parties to provide various services, it being understood that any document or instrument so executed or accepted by the Sponsor in the Sponsor's name shall be deemed executed and accepted on behalf of the Trust by the Sponsor; provided, however, that such services may be performed by an Affiliate or Affiliates of the Sponsor so long as the Sponsor has made a good faith determination that: (A) the Affiliate that it proposes to engage to perform such services is qualified to do so (considering the prior experience of the Affiliate or the individuals employed by the Affiliate); (B) the terms and conditions of the agreement pursuant to which such Affiliate is to perform services for the Trust are no less favorable to the Trust than could be obtained from equally-qualified unaffiliated third parties; and (C) the maximum period covered by the agreement pursuant to which such Affiliate is to perform services for the Trust shall not exceed one year, and such agreement shall be terminable without penalty upon one hundred twenty (120) days' prior written notice by the Trust;
- (b) To cause legal title to any Trust property to be held by or in the name of the Sponsor, or to have any contract entered into in the name of the Sponsor, on such terms as the Sponsor may determine, with the same effect as if such property were held in the name of the Trust or such contract were entered into in the name of the Trust.

- (c) To establish, maintain, deposit into, and sign checks and/or otherwise draw upon, accounts on behalf of the Trust with appropriate custodial, storage, banking or other institutions;
- (d) To deposit, withdraw, pay, retain and distribute the Trust Estate or any portion thereof in any manner consistent with the provisions of this Trust Agreement;
- (e) To supervise the preparation of any offering materials for the Trust (including but not limited to offering memoranda and prospectuses) and supplements and amendments thereto;
- (f) To pay or authorize the payment of distributions to the Shareholders and expenses of the Trust;
- (g) To prepare, or cause to be prepared, and file, or cause to be filed, an application to enable the Shares to be traded on any listing exchange or over-the-counter quotation or listing platform as determined by the Sponsor in its sole discretion and to take any other action and execute and deliver any certificates or documents that may be necessary to effectuate such listing;
- (h) to administer a staking program with associated policies and procedures on behalf of the Trust, to the extent the Sponsor in its sole discretion determines that the Trust may do so without undue legal or regulatory risk, such as, without limitation, the risk of jeopardizing the Trust's ability to qualify as a grantor trust for U.S. federal income tax purposes;
- (i) To appoint one or more custodians or other security vendors as the Sponsor deems necessary in its sole discretion, including itself or any Affiliate, to provide for custodian, security services or to determine not to appoint any custodian or other security vendors, and to otherwise take any action with respect to the SOL Custodian or any custodians or other security vendors to safeguard the Trust Estate;
- (j) In the sole and absolute discretion of the Sponsor, to admit an Affiliate or Affiliates of the Sponsor as additional Sponsors;
- (k) Delegate those of its duties hereunder as it shall determine from time to time to one or more service providers, and add any additional service providers, including but not limited to any sub-adviser, administrator, transfer agent, custodian(s), index provider, Authorized Participants, marketing agent(s), insurer(s) and any other service provider(s) and cause the Trust to enter into contracts with such service provider(s) if needed and as applicable;
- (l) Perform such other services as the Sponsor believes that the Trust may from time to time require;
- (m) The Sponsor has the right, in its sole discretion, to determine what action to take in connection with the Trust's entitlement to or ownership of Incidental Rights or any IR Virtual Currency, and Trust may take any lawful action necessary or desirable in connection with the Trust's ownership of Incidental Rights, including the acquisition of IR Virtual Currency, as determined by the Sponsor in the Sponsor's sole discretion, unless such action would adversely affect the status of the Trust as a grantor trust for U.S. federal income tax purposes or otherwise be prohibited by this Trust Agreement, it being understood that the actions which the Sponsor may, in its sole discretion, determine the Trust shall take include:
  - (i) arranging for the sale of Incidental Rights and/or IR Virtual Currency and distributing the cash proceeds (net of expenses and any applicable withholding taxes) to DTC to be distributed to Shareholders,

- (ii) distributing Incidental Rights and/or IR Virtual Currency in-kind to DTC,
- (iii) using Incidental Rights and/or IR Virtual Currency to pay the Sponsor Fee and/or additional Trust expenses not assumed by the Sponsor, or
- (iv) electing not to acquire, claim, or obtain, and permanently and irrevocably abandoning, Incidental Rights or IR Virtual Currency for no consideration.

(v) Without limiting the generality of the foregoing, in the event of a hard fork of the SOL Network, the Sponsor may, in reasonable good faith, determine which peer-to-peer network, among a group of incompatible forks of the SOL Network, is generally accepted as the SOL Network and should therefore be considered the appropriate network for the Trust's purposes;

(n) In general, to do everything necessary, suitable or proper for the accomplishment of any purpose or the attainment of any objective or the furtherance of any power herein set forth, either alone or in association with others, and to do every other act or thing incidental or appurtenant to, or growing out of or connected with, the aforesaid purposes, objects or powers.

In addition, and without limiting the foregoing, the Sponsor will have full power and authority, in its sole discretion, without seeking the approval of the Trustee or the Shareholders (a) to establish and designate and to change in any manner and to fix such preferences, voting powers, rights, duties and privileges of the Trust as the Sponsor may from time to time determine, (b) to divide the beneficial interest in the Trust into an unlimited amount of shares, with or without par value, as the Sponsor will determine, (c) to issue shares without limitation as to number (including fractional shares), to such persons and for such amount of consideration, subject to any restriction set forth in the Trust Agreement, if any, at such time or times and on such terms as the Sponsor may deem appropriate, (d) to divide or combine the shares into a greater or lesser number without thereby materially changing the proportionate beneficial interest of the shares in the assets held, and (e) to take such other action with respect to the shares as the Sponsor may deem desirable.

The Sponsor may make such rules as it considers appropriate for the issuance of share certificates, transfer of Shares and similar matters.

#### SECTION 6.3 Obligations of the Sponsor.

Any fiduciary duties that would otherwise be imposed on the Sponsor under the Delaware Trust Statute, at law or in equity are hereby eliminated and replaced entirely by the terms of this Trust Agreement. The Sponsor shall, where applicable:

- (a) Devote such of its time to the business and affairs of the Trust as it shall, in its discretion exercised in good faith, determine to be necessary to carry out the purposes of the Trust, as set forth in Section 1.5, for the benefit of the Shareholders;

- (k) in connection with purchase orders, after accepting a purchase order and receiving the corresponding amount of SOL, either directly or through its delegates, direct the Trust's Transfer Agent to credit the Baskets to fill the Authorized Participant's purchase order;
- (l) receive directly or through its delegates from Authorized Participants and process or cause its delegates to process properly submitted redemption orders, as will be described in the Trust Agreement and in the Authorized Participant Agreement;
- (m) in connection with redemption orders, after receiving a redemption order specifying the number of Baskets that the Authorized Participant wishes to redeem and after the Transfer Agent's DTC account has been credited with the Baskets to be redeemed, directly or through its delegates transfer to the redeeming Authorized Participant the quantity of cash attributable to the Shares redeemed;

(n) assist in the preparation and filing of reports and proxy statements (if any) to the Shareholders, the periodic updating of the Registration Statement and Prospectus and other reports and documents for the Trust required to be filed by the Trust with the SEC and other governmental bodies;

(o) use its best efforts to maintain the status of the Trust as a grantor trust for U.S. federal income tax purposes, including making such elections, filing such tax returns, and preparing, disseminating and filing such tax reports, as it is advised by its counsel or accountants are from time to time required by any statute, rule or regulation of the United States, any State or political subdivision thereof, or other jurisdiction having taxing authority in respect of the Trust or its administration. The expense of accountants employed to prepare such tax returns and tax reports will be an expense of the Trust;

(p) perform such other services as the Sponsor believes the Trust may from time to time require; and

(q) in general, to carry out any other business in connection with or incidental to any of the foregoing powers, to do everything necessary, suitable or proper for the accomplishment of any purpose or the attainment of any object or the furtherance of any power herein set forth, either alone or in association with others, and to do every other act or thing incidental or appurtenant or growing out of or connected with the aforesaid business or purposes, objects or powers.

The foregoing clauses of Section 6.2 and this Section 6.3 shall be construed both as objects and powers, and the foregoing enumeration of specific powers shall not be held to limit or restrict in any manner the general powers of the Sponsor. Any action by the Sponsor hereunder shall be deemed an action on behalf of the Trust, and not an action in an individual capacity.

#### SECTION 6.4 Liability of Covered Persons.

A Covered Person shall have no liability to the Trust, any Shareholder or any other Covered Person for any loss suffered by the Trust which arises out of any action or inaction of such Covered Person if such Covered Person, in good faith, determined that such course of conduct was in the best interest of the Trust and such course of conduct did not constitute fraud, gross negligence, bad faith or willful misconduct of such Covered Person. Subject to the foregoing, neither the Sponsor nor any other Covered Person shall be personally liable for the return or repayment of all or any portion of the capital or profits of any Shareholder or assignee thereof, it being expressly agreed that any such return of capital or profits made pursuant to this Trust Agreement shall be made solely from the assets of the Trust without any rights of contribution from the Sponsor or any other Covered Person. A Covered Person shall not be liable for the conduct or misconduct of any delegatee selected by the Sponsor with reasonable care.

The Sponsor will not be liable to the Trust, the Shareholders or to any other person for its good faith reliance on the provisions of the Trust Agreement or the Prospectus.

## SECTION 6.5 Fiduciary Duty.

(a) To the extent that, at law or in equity, the Sponsor has duties (including fiduciary duties) and liabilities relating thereto to the Trust, the Shareholders or any other Person, (i) all fiduciary duties are hereby eliminated and replaced entirely by the terms of this Trust Agreement and (ii) the Sponsor acting under this Trust Agreement shall not be liable to the Trust, the Shareholders or to any other Person for its good faith reliance on the provisions of this Trust Agreement. The provisions of this Trust Agreement, to the extent that they otherwise restrict or eliminate the duties and liabilities of the Sponsor otherwise existing at law or in equity are agreed by the parties hereto to replace such other duties and liabilities of the Sponsor. To the fullest extent permitted by law, no Person other than the Sponsor and the Trustee shall have any duties (including fiduciary duties) or liabilities at law or in equity to the Trust, the Shareholders or any other Person.

(b) Unless otherwise expressly provided herein:

(i) whenever a conflict of interest exists or arises between the Sponsor or any of its Affiliates, on the one hand, and the Trust, any Shareholder or any other Person, on the other hand; or

(ii) whenever this Trust Agreement or any other agreement contemplated herein provides that the Sponsor shall act in a manner that is, or provides terms that are, fair and reasonable to the Trust, any Shareholder or any other Person, the Sponsor shall resolve such conflict of interest, take such action or provide such terms, considering in each case the relative interest of each party (including its own interest) to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interests, any customary or accepted industry practices, and any applicable generally accepted accounting practices or principles. In the absence of bad faith by the Sponsor, the resolution, action or terms so made, taken or provided by the Sponsor shall not constitute a breach of this Trust Agreement or any other agreement contemplated herein or of any duty or obligation of the Sponsor at law or in equity or otherwise.

(c) The Sponsor and any Affiliate of the Sponsor may engage in or possess an interest in profit-seeking or business ventures of any nature or description, independently or with others, whether or not such ventures are competitive with the Trust and the doctrine of corporate opportunity, or any analogous doctrine, shall not apply to the Sponsor. If the Sponsor acquires knowledge of a potential transaction, agreement, arrangement or other matter that may be an opportunity for the Trust, it shall have no duty to communicate or offer such opportunity to the Trust, and the Sponsor shall not be liable to the Trust or to the Shareholders for breach of any fiduciary or other duty by reason of the fact that the Sponsor pursues or acquires for, or directs such opportunity to, another Person or does not communicate such opportunity or information to the Trust. Neither the Trust nor any Shareholder shall have any rights or obligations by virtue of this Trust Agreement or the trust relationship created hereby in or to such independent ventures or the income or profits or losses derived therefrom, and the pursuit of such ventures, even if competitive with the purposes of the Trust, shall not be deemed wrongful or improper. Except to the extent expressly provided herein, the Sponsor may engage or be interested in any financial or other transaction with the Trust, the Shareholders or any Affiliate of the Trust or the Shareholders.

(d) To the fullest extent permitted by law and notwithstanding any other provision of this Trust Agreement or in any agreement contemplated herein or applicable provisions of law or equity or otherwise, whenever in this Trust Agreement a Person is permitted or required to make a decision (a) in its “sole discretion” or “discretion” or under a grant of similar authority or latitude, the Person shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation to give any consideration to any interest of or factors affecting the Trust, the Shareholders or any other Person, or (b) in its “good faith” or under another express standard, the Person shall act under such express standard and shall not be subject to any other or different standard. The term “good faith” as used in this Trust Agreement shall mean subjective good faith as such term is understood and interpreted under Delaware law.

#### SECTION 6.6 Indemnification of the Sponsor.

(a) The Sponsor and any Covered Person shall be indemnified by the Trust against any losses, judgments, liabilities, expenses and amounts paid in settlement of any claims arising out of or in connection with the performance of its obligations under the Trust Agreement or any actions taken in accordance with the provisions of the Trust Agreement, provided that (i) the Sponsor was acting on behalf of, or performing services for, the Trust and has determined, in good faith, that such course of conduct was in the best interests of the Trust and such liability or loss was not the result of fraud, gross negligence, bad faith, willful misconduct, or a material breach of this Trust Agreement on the part of the Sponsor and (ii) any such indemnification will be recoverable only from the Trust Estate. Any amounts payable to a Covered Person under the Trust Agreement may be payable in advance or will be secured by a lien on the Trust. The Sponsor will not be under any obligation to appear in, prosecute or defend any legal action that in its opinion may involve it in any expense or liability; provided, however, that the Sponsor may, in its discretion, undertake any action that it may deem necessary or desirable in respect of the Trust Agreement and the rights and duties of the parties hereto and the interests of the Shareholders and, in such event, the legal expenses and costs of any such action will be expenses and costs of the Trust and the Sponsor will be entitled to be reimbursed therefor by the Trust.

(b) All rights to indemnification permitted herein and payment of associated expenses shall not be affected by the dissolution or other cessation of existence of the Sponsor, or the withdrawal, adjudication of bankruptcy or insolvency of the Sponsor, or the filing of a voluntary or involuntary petition in bankruptcy under Title 11 of the Code by or against the Sponsor.

(c) Notwithstanding the provisions of Section 6.6(a) above, the Sponsor, any Authorized Participant and any other Person acting as a broker-dealer for the Trust shall not be indemnified for any losses, liabilities or expenses arising from or out of an alleged violation of U.S. federal or state securities laws unless (i) there has been a successful adjudication on the merits of each count involving alleged securities law violations as to the particular indemnitee and the court approves the indemnification of such expenses (including, without limitation, litigation costs), (ii) such claims have been dismissed with prejudice on the merits by a court of competent jurisdiction as to the particular indemnitee and the court approves the indemnification of such expenses (including, without limitation, litigation costs) or (iii) a court of competent jurisdiction approves a settlement of the claims against a particular indemnitee and finds that indemnification of the settlement and related costs should be made.

(d) The Trust shall not incur the cost of that portion of any insurance that insures any party against any liability, the indemnification of which is herein prohibited.

(e) Expenses incurred in defending a threatened or pending civil, administrative or criminal action suit or proceeding against the Sponsor shall be paid by the Trust in advance of the final disposition of such action, suit or proceeding if (i) the legal action relates to the performance of duties or services by the Sponsor on behalf of the Trust; and (ii) the Sponsor undertakes to repay the advanced funds with interest to the Trust in cases in which it is not entitled to indemnification under this Section 6.6.

(f) The term "Sponsor" as used only in this Section 6.6 shall include, in addition to the Sponsor, any other Covered Person performing services on behalf of the Trust and acting within the scope of the Sponsor's authority as set forth in this Trust Agreement.

(g) In the event the Trust is made a party to any claim, dispute, demand or litigation or otherwise incurs any loss, liability, damage, cost or expense as a result of or in connection with any Shareholder's (or assignee's) obligations or liabilities unrelated to Trust business, such Shareholder (or assignees cumulatively) shall indemnify, defend, hold harmless, and reimburse the Trust for all such loss, liability, damage, cost and expense incurred, including attorneys' and accountants' fees.

## SECTION 6.7 Expenses and Limitations Thereon.

### (a) Sponsor Fee.

(i) The Trust shall pay to the Sponsor a fee (the "Sponsor Fee"), payable in SOL, which shall accrue daily in U.S. Dollars at an annual rate equal to a percentage, to be determined by the Sponsor, of the SOL Holdings of the Trust as of 4:00 p.m. Eastern Time on each day, provided that for a day that is not a Business Day, the calculation shall be based on the Pricing Benchmark from the most recent Business Day. The amount of SOL payable in respect of each daily U.S. Dollar accrual shall be determined by reference to the same Pricing Benchmark used to determine such accrual. The Sponsor Fee is payable to the Sponsor weekly in arrears.

(ii) To cause the Trust to pay the Sponsor Fee, the Sponsor shall instruct the SOL Custodian to withdraw from the Custody Account the number of SOL equal to the accrued but unpaid Sponsor Fee and transfer such SOL to an account maintained by the SOL Custodian for the Sponsor at such times as the Sponsor determines in its absolute discretion.

(iii) After the payment of the Sponsor Fee to the Sponsor, the Sponsor may elect to convert the Sponsor Fee into U.S. Dollars. The Shareholders acknowledge that the rate at which the Sponsor converts such SOL to U.S. Dollars may differ from the rate at which the Sponsor Fee was initially converted into SOL. The Trust shall not be responsible for any fees and expenses incurred by the Sponsor to convert SOL received in payment of the Sponsor Fee into U.S. Dollars.

(iv) As partial consideration for receipt of the Sponsor Fee, the Sponsor shall assume and pay all fees and other expenses incurred by the Trust in the ordinary course of its affairs, excluding taxes, but including (i) the Marketing Fee, (ii) the Administrator Fee, if any, (iii) the SOL Custodian Fee, (iv) the Transfer Agent Fee, (v) the Trustee fee, (vi) the fees and expenses related to any future listing, trading or quotation of the Shares on any listing exchange or quotation system (including legal, marketing and audit fees and expenses), (vii) ordinary course legal fees and expenses that are not litigation-related, up to \$100,000 per annum, (viii) audit fees, (ix) regulatory fees, including if applicable any fees relating to the registration of the Shares under the Securities Act or Exchange Act, (x) printing and mailing costs, (xi) costs of maintaining the Sponsor's website and (xii) applicable license fees (each, a "Sponsor-paid Expense" and together, the "Sponsor-paid Expenses"), provided that any expense that qualifies as an Additional Trust Expense will be deemed to be an Additional Trust Expense and not a Sponsor-paid Expense.

(v) In addition, as partial consideration for arranging for Staking, the Sponsor shall be entitled to such additional compensation from the Trust or another third party as set forth in the Sponsor Agreement.

(b) Additional Trust Expenses.

(a) (i) The Trust may incur certain extraordinary, non-recurring expenses that are not Sponsor-paid Expenses, including, but not limited to, taxes and governmental charges, expenses and costs of any extraordinary services performed by the Sponsor (or any other service provider) on behalf of the Trust to protect the Trust or the interests of Shareholders, any indemnification of the SOL Custodian, Administrator or other agents, service providers or counterparties of the Trust, the fees and expenses related to the listing, and extraordinary legal fees and expenses, including any legal fees and expenses incurred in connection with litigation, regulatory enforcement or investigation matters (collectively, "Additional Trust Expenses"). In the Sponsor's sole discretion, all or any portion of a Sponsor-paid Expense may be redesignated as an Additional Trust Expense, if, among other reasons, the Sponsor determines that a Sponsor-paid Expense is an extraordinary, non-recurring expense of the Trust.

(c) The Sponsor or its delegates shall direct the SOL Custodian to withdraw SOL as needed from the Custody Account to pay the Sponsor Fees (as well as the Additional Trust Expenses, if any).

(d) The Sponsor or any Affiliate of the Sponsor may be reimbursed only for the actual cost to the Sponsor or such Affiliate of any expenses that it advances on behalf of the Trust for payment of which the Trust is responsible. In addition, payment to the Sponsor or such Affiliate for indirect expenses incurred in performing services for the Trust in its capacity as the Sponsor (or an Affiliate of the Sponsor) of the Trust, such as salaries and fringe benefits of officers and directors, rent or depreciation, utilities and other administrative items generally falling within the category of the Sponsor's "overhead," is prohibited.

#### SECTION 6.8 Voluntary Withdrawal of the Sponsor.

The Sponsor may withdraw voluntarily as the Sponsor of the Trust only upon one hundred and twenty (120) days' prior written notice to all Shareholders and the Trustee. Following receipt of such notice and if the withdrawing Sponsor is the last remaining Sponsor, Shareholders holding Shares equal to at least a majority (over 50%) of the Shares (not including Shares held by the Sponsor) may vote to elect and appoint, effective as of a date on or prior to the withdrawal, a successor Sponsor who shall carry on the business of the Trust. In the event of its withdrawal, the Sponsor shall be entitled to a redemption of its Shares for a number of SOL determined by dividing the number of SOL owned by the Trust at such time (reduced by the number of whole and fractional SOL constituting accrued but unpaid fees and expenses of the Trust at such time) by the number of Shares outstanding at such time (calculated to one one-hundred-millionth of one SOL) and multiplying the quotient obtained by the number of Shares to be redeemed. If the Sponsor withdraws and a successor Sponsor is named, the withdrawing Sponsor shall pay all expenses as a result of its withdrawal.

#### SECTION 6.9 Litigation.

The Sponsor is hereby authorized to prosecute, defend, settle or compromise actions or claims at law or in equity as may be necessary or proper to enforce or protect the Trust's interests. The Sponsor shall satisfy any judgment, decree or decision of any court, board or authority having jurisdiction or any settlement of any suit or claim prior to judgment or final decision thereon, first, out of any insurance proceeds available therefor, next, out of the Trust's assets and, thereafter, out of the assets (to the extent that it is permitted to do so under the various other provisions of this Trust Agreement) of the Sponsor.

#### SECTION 6.10 Ownership of Sponsor; Insolvency of Sponsor.

(a) To the fullest extent permitted by law, nothing in this Trust Agreement shall be deemed to prevent the merger of the Sponsor with another corporation or other entity, the reorganization of the Sponsor into or with any other corporation or other entity, the transfer of all the capital stock of the Sponsor, the assumption of the rights, duties and liabilities of the Sponsor by, in the case of a merger, reorganization or consolidation, the surviving corporation or other entity by operation of law or the transfer of the Sponsor's Shares; provided, however, that if such merger, reorganization, transfer, or assumption is with an entity that is not an Affiliate of the Sponsor immediately prior to such merger, reorganization, transfer or assumption, the Sponsor shall provide notice to Shareholders at least thirty (30) days prior to the completion of such transaction. Without limiting the foregoing, none of the transactions referenced in the preceding sentence shall be deemed to be a voluntary withdrawal for purposes of Section 6.8.

(b) The Sponsor shall not cease to be a Sponsor of the Trust merely upon the occurrence of its making an assignment for the benefit of creditors, filing a voluntary petition in bankruptcy, filing a petition or answer seeking for itself any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law or regulation, filing an answer or other pleading admitting or failing to contest material allegations of a petition filed against it in any proceeding of this nature or seeking, consenting to or acquiescing in the appointment of a trustee, receiver or liquidator for itself or of all or any substantial part of its properties.

## ARTICLE VII

### SHAREHOLDERS

#### SECTION 7.1 No Management or Control by Shareholders; Limited Liability; Exercise of Rights through an Authorized Participant.

The Shareholders shall not participate in the management or control of the Trust nor shall they enter into any transaction on behalf of the Trust or have the power to sign for or bind the Trust, said power being vested solely and exclusively in the Sponsor. Except as provided in Section 7.3, no Shareholder shall be bound by, or be personally liable for, the expenses, liabilities or obligations of the Trust in excess of such Percentage Interest of the Trust Estate. Except as provided in Section 7.3 hereof, each Share owned by a Shareholder shall be fully paid and no assessment shall be made against any Shareholder. No salary shall be paid to any Shareholder in his capacity as a Shareholder, nor shall any Shareholder have a drawing account or earn interest on its Percentage Interest of the Trust Estate. By the purchase and acceptance or other lawful delivery and acceptance of Shares, each Shareholder shall be a beneficiary of the Trust and vested with beneficial undivided interest in the Trust to the extent of the Shares owned beneficially by such Shareholder, subject to the terms and conditions of this Trust Agreement.

#### SECTION 7.2 Rights and Duties.

The Shareholders shall have the following rights, powers, privileges, duties and liabilities:

(a) All Shareholders shall receive the share of the distributions provided for in this Trust Agreement in the manner and at the times provided for in this Trust Agreement.

(b) Shareholders shall have the right to demand a redemption of their Shares only upon the dissolution and winding up of the Trust and only to the extent of funds available therefor as provided in Section 12.2. In no event shall a Shareholder be entitled to demand or receive property other than cash upon the dissolution and winding up of the Trust. No Shareholder shall have priority over any other Shareholder as to distributions. A Shareholder shall not have any right to bring an action for partition against the Trust. Shareholders shall not be entitled to any appraisal rights or similar rights of objecting Shareholders.

(c) Shareholders holding Shares representing at least a majority (over 50%) of the Shares (not including Shares held by the Sponsor and its Affiliates) may vote to appoint a successor Sponsor as provided in Section 6.8 or to continue the Trust as provided in Section 12.1(a)(xi). Except as set forth in this Section 7.2(c), Shareholders shall have no voting rights with respect to the Trust. For the avoidance of doubt, if the Sponsor is a Shareholder, the provisions of this Article VII shall not limit the rights of the Sponsor in its role as Sponsor.

### SECTION 7.3 Limitation of Liability.

(a) Except as provided in Section 6.6(f) and as otherwise provided under Delaware law, Shareholders shall be entitled to the same limitation of personal liability extended to stockholders of private corporations for profit organized under the General Corporation Law of Delaware and no Shareholder shall be liable for claims against or debts of the Trust in excess of such Shareholder's Percentage Interest of the Trust Estate, except in the case of a Shareholder that is an Authorized Participant, in the event that the liability is founded upon misstatements or omissions contained in such Shareholder's Authorized Participant Agreement. In addition, and subject to the exceptions set forth in the immediately preceding sentence, the Trust shall not make a claim against a Shareholder with respect to amounts distributed to such Shareholder or amounts received by such Shareholder upon redemption of such Shareholder's Shares unless, under Delaware law, such Shareholders are liable to repay such amount.

(b) The Trust shall indemnify to the full extent permitted by law and the other provisions of this Trust Agreement, and to the extent of the Trust Estate, each Shareholder against any claims of liability asserted against such Shareholder solely because he is a beneficial owner of one or more Shares as a Shareholder.

### SECTION 7.4 Derivative Actions.

In addition to the requirements set forth in Section 3816 of the Delaware Trust Statute, a Shareholder may bring a derivative action on behalf of the Trust only if the following conditions are met:

(a) The Shareholder or Shareholders must make a pre-suit demand upon the Trustee to bring the subject action unless an effort to cause the Sponsor to bring such an action is not likely to succeed. For purposes of this Section 7.4(a), a demand on the Sponsor shall only be deemed not likely to succeed and therefore excused if the Sponsor has a personal financial interest in the transaction at issue, and the Sponsor shall not be deemed interested in a transaction or otherwise disqualified from ruling on the merits of a Shareholder demand by virtue of the fact that the Sponsor receives remuneration for his or her service as the Sponsor of the Trust or as a Sponsor or director of one or more trusts that are under common management with or otherwise affiliated with the Trust;

(b) Two or more Shareholders who are eligible to bring such derivative action under the Delaware Trust Statute and who (i) are not Affiliates of one another and (ii) collectively hold at least 10% of the outstanding Shares shall join in the request for the Trustee to commence such action unless a demand is not required under paragraph (a) of this Section 7.4 and shall join in the bringing or maintaining of such action, suit or other proceeding unless a demand is not required under paragraph (a) of this Section 7.4;

(c) Unless a demand is not required under paragraph (a) of this Section 7.4, the Sponsor must be afforded a reasonable amount of time to consider such Shareholder request and to investigate the basis of such claim. The Sponsor shall be entitled to retain counsel or other advisors in considering the merits of the request and shall require an undertaking by the Shareholders making such request to reimburse the Trust for the expense of any such advisor in the event the Sponsor determines not to take action; and

(d) Any decision by the Sponsor to bring, maintain, or compromise (or not to bring, maintain, or compromise) such court action, proceeding or claim, or to submit the matter to a vote of Shareholders, shall be made by the Sponsor in good faith and shall be binding upon the Shareholders.

In addition to all suits, claims or other actions (collectively, “claims”) that under applicable law must be brought as derivative claims, each Shareholder agrees that any claim that affects all Shareholders of the Trust proportionately based on their number of Shares in the Trust must be brought as a derivative claim subject to this Section 7.4 irrespective of whether such claim involves a violation of the Shareholder’s rights under this Trust Agreement or any other alleged violation of contractual or individual rights that might otherwise give rise to a direct claim (and regardless, in each case, of whether such claims sound in tort, fraud or otherwise, or are based on common law, statutory, equitable, legal or other grounds). Notwithstanding the foregoing, however, if a provision of this Section 7.4 is found to violate the U.S. federal securities laws, including the 1940 Act, then such provision shall not apply to any claims asserted under such U.S. federal securities law.

#### SECTION 7.5 Appointment of Agents.

(a) By the purchase and acceptance or other lawful delivery, acceptance or holding of the Shares, the Shareholders shall be deemed to agree that the Sponsor may cause the Trust to appoint an agent to act on their behalf in connection with any distribution of Incidental Rights and/or IR Virtual Currency if the Sponsor has determined in good faith that such appointment is reasonably necessary or in the best interests of the Trust and the Shareholders in order to facilitate the distribution of any Incidental Rights and/or IR Virtual Currency. For the avoidance of doubt, the Sponsor may cause the Trust to appoint the Sponsor or any of its Affiliates to act in such capacity. Any Person appointed as agent of the Shareholders pursuant to this Section 7.5 shall receive an in-kind distribution of Rights and/or IR Virtual Currency on behalf of the Shareholders of record with respect to such distribution and following receipt of any such distribution, shall determine, in such Person’s sole discretion and without any direction from the Trust or the Sponsor (in its capacity as Sponsor of the Trust), whether and when to sell the distributed Incidental Rights and/or IR Virtual Currency on behalf of the record date Shareholders.

(b) Any agent appointed pursuant to Section 7.5(a) shall not receive any compensation in connection with its role as agent. The foregoing notwithstanding, any such agent shall be entitled to receive from any distribution of Incidental Rights and/or IR Virtual Currency, Incidental Rights and/or IR Virtual Currency with an aggregate fair market value equal to the amount of administrative and other reasonable expenses incurred by such agent in connection with such in-kind distribution of Incidental Rights and/or IR Virtual Currency, including expenses incurred by such agent in connection with any post-distribution sale of such Incidental Rights and/or IR Virtual Currency.

#### SECTION 7.6 Business of Shareholders.

Except as otherwise specifically provided herein, any of the Shareholders and any shareholder, officer, director, employee or other Person holding a legal or beneficial interest in an entity that is a Shareholder, may engage in or possess an interest in business ventures of every nature and description, independently or with others, and the pursuit of such ventures, even if competitive with the affairs of the Trust, shall not be deemed wrongful or improper.

#### SECTION 7.7 Authorization of Offering Materials.

Each Shareholder (or any permitted assignee thereof) hereby agrees that the Trust, the Sponsor and the Trustee are authorized to execute, deliver and perform the agreements, acts, transactions and matters contemplated hereby or described in, or contemplated by, the offering materials on behalf of the Trust without any further act, approval or vote of the Shareholders, notwithstanding any other provision of this Trust Agreement, or as otherwise would have been permissible under the Delaware Trust Statute or any applicable law, rule or regulation.

### ARTICLE VIII

#### BOOKS OF ACCOUNT AND REPORTS

##### SECTION 8.1 Books of Account.

Proper books of account for the Trust shall be kept and shall be audited annually by an independent certified public accounting firm selected by the Sponsor in its sole discretion, and there shall be entered therein all transactions, matters and things relating to the Trust as are required by the applicable law and regulations and as are usually entered into books of account kept by trusts. The books of account shall be kept at the principal office of the Trust and no Shareholder shall have any right to inspect any account, book or document of the Trust that is not publicly available, except as conferred by the Sponsor. Such books of account shall be kept, and the Trust shall report its profits and losses on, the accrual method of accounting for financial accounting purposes on a Fiscal Year basis as described in Article IX.

##### SECTION 8.2 Quarterly Updates, Annual Updates and Account Statements.

The Sponsor shall prepare and distribute or publish, as required, such reports (periodic or otherwise) as required by applicable rules and regulations.

### SECTION 8.3 Tax Information.

Appropriate tax information (adequate to enable each Shareholder to complete and file its U.S. federal tax return) shall be delivered by the Sponsor on behalf of the Trust as required by applicable law as soon as practicable following the end of each Fiscal Year but, to the extent possible, no later than April 1 or as otherwise required by applicable laws and regulations. All such information shall be prepared, and all of the Trust's tax filings shall be filed, in a manner consistent with the treatment of the Trust as a grantor trust. The Trust shall comply with all U.S. federal withholding requirements applicable to the trust with respect to distributions to, or receipts of amounts on behalf of, Shareholders that the Sponsor reasonably believes are applicable under the Code. The consent of Shareholders shall not be required for such withholding.

### SECTION 8.4 Calculation of NAV and NAV per Share.

The Sponsor or its delegate shall calculate and publish the Trust's SOL Holdings each Exchange Trading Day as promptly as practicable after 4:00 pm Eastern Time. In order to calculate the SOL Holdings, the Sponsor shall:

1. Multiply the value of the Pricing Benchmark by the aggregate number of SOL owned by the Trust as of 4:00 p.m., Eastern Time, on the immediately preceding day.
2. Add the U.S. Dollar value of SOL, as calculated using the Pricing Benchmark, receivable under pending Creation Orders, if any, determined by multiplying the number of the Creation Baskets represented by such Creation Orders by the Basket Deposit and then multiplying such product by the Pricing Benchmark.
3. Subtract the U.S. Dollar value of the SOL, as calculated using the Pricing Benchmark, constituting the Sponsor Fee, determined by multiplying the number of such SOL by the Pricing Benchmark.
4. Subtract the Additional Trust Expenses, if any.
5. Subtract the U.S. Dollar value of the SOL to be distributed under pending Redemption Orders, determined by multiplying the number of Redemption Baskets represented by such Redemption Orders by the Basket Deposit and then multiplying such product by the Pricing Benchmark.

In the event that the Sponsor determines that the methodology used to determine the Pricing Benchmark is not an appropriate basis for valuation of the Trust's SOL, the Sponsor shall use an alternative methodology as determined in the Sponsor's sole discretion.

### SECTION 8.5 Calculation of Principal Market NAV and Principal Market NAV per Share.

In addition to calculating NAV and NAV per Share, for purposes of the Trust's financial statements, The Sponsor or its delegate shall calculate the Principal Market NAV and Principal Market NAV per Share on each valuation date for such financial statements. The determination of the Principal Market NAV and Principal Market NAV per Share shall be identical to the calculation of NAV and NAV per Share, respectively, except that the value of SOL is determined using the fair value of SOL based on the price in the SOL market on the Principal Market as of 4:00 p.m., Eastern Time, on the valuation date, rather than using the Pricing Benchmark.

The Trust shall adopt a valuation policy, which provides for the procedure for valuing the Trust's assets. The policy shall also set forth the procedures to determine the Principal Market for purposes of determining the Principal Market NAV and Principal Market NAV per Share in accordance with Financial Accounting Standards Board Accounting Standards Codification 820-10.

The Sponsor on behalf of the Trust will determine in its sole discretion the valuation sources and policies used to prepare the Trust's financial statements in accordance with GAAP.

#### SECTION 8.6 Maintenance of Records.

The Sponsor shall maintain for a period of at least seven Fiscal Years (a) all books of account required by Section 8.1 hereof; (b) a copy of the Certificate of Trust and all certificates of amendment thereto; (c) copies of the Trust's U.S. federal, state and local income tax returns and reports, if any; (d) copies of any effective written Trust Agreements, Authorized Participant Agreements, including any amendments thereto; and (e) any financial statements of the Trust. The Sponsor may keep and maintain the books and records of the Trust in paper, magnetic, electronic or other format as the Sponsor may determine in its sole discretion, provided that the Sponsor shall use reasonable care to prevent the loss or destruction of such records. If there is a conflict between this Section 8.5 and the rules and regulations of any applicable regulatory authority or listing or quotation entity with respect to the maintenance of records, the records shall be maintained pursuant to the rules and regulations of such applicable regulatory authority or listing or quotation entity.

### ARTICLE IX

#### FISCAL YEAR

#### SECTION 9.1 Fiscal Year.

The fiscal year of the Trust for financial accounting purposes (the "Fiscal Year") is the calendar year. The Sponsor may select an alternate fiscal year if it deems it to be in the interest of the Trust.

### ARTICLE X

#### AMENDMENT OF TRUST AGREEMENT; MEETINGS

#### SECTION 10.1 Amendments to the Trust Agreement.

(a) Except as specifically provided herein, the Sponsor, in its sole discretion and without Shareholder consent, may amend or otherwise supplement this Trust Agreement by making an amendment, an agreement supplemental hereto, or an amended and restated trust agreement. Any such restatement, amendment and/or supplement hereto shall be effective on such date as designated by Sponsor in its sole discretion; provided that any amendment to this Trust Agreement which materially adversely affects the interest of the Shareholders shall not be effective any earlier than twenty (20) days after receipt by the affected Shareholders of a notice provided by the Sponsor with respect to any such amendment; and provided further that the Sponsor shall not be permitted to make any such amendment, or otherwise supplement this Trust Agreement, if such amendment or supplement would permit the Sponsor, the Trustee or any other Person to vary the investment of the Shareholders or would otherwise adversely affect the status of the Trust as a grantor for U.S. federal income tax purposes.

(b) Upon amendment of this Trust Agreement, the Certificate of Trust shall also be amended, if required by the Delaware Trust Statute, to reflect such change. At the expense of the Sponsor, the Trustee shall execute and file any amendment to the Certificate of Trust if so directed by the Sponsor.

(c) To the fullest extent permitted by law, no provision of this Trust Agreement may be amended, waived or otherwise modified orally but only by a written instrument adopted in accordance with this Section.

(d) No amendment affecting the rights or duties of the Trustee shall be binding upon or effective against the Trustee unless consented to by the Trustee in writing. No amendment shall be made to this Trust Agreement without the consent of the Trustee if the Trustee reasonably believes that such amendment adversely affects any of its rights, duties or liabilities. The Trustee shall be under no obligation to execute any amendment to the Trust Agreement or to any agreement to which the Trust is a party until it has received an instruction letter from the Sponsor, in form and substance reasonably satisfactory to the Trustee (i) directing the Trustee to execute such amendment, (ii) representing and warranting to the Trustee that such execution is authorized and permitted by the terms of the Trust Agreement and (if applicable) such other agreement to which the Trust is a party and does not conflict with or violate any other agreement to which the Trust is a party and (iii) confirming that such execution and acts related thereto are covered by the indemnity provisions of the Trust Agreement in favor of the Trustee and do not adversely affect the Trustee.

## SECTION 10.2 Meetings of the Trust.

Meetings of the Shareholders may be called by the Sponsor. The Sponsor shall provide written notice to all Shareholders thereof of the meeting and the purpose of the meeting, which shall be held on a date not less than thirty (30) nor more than sixty (60) days after the date of mailing of said notice, at a reasonable time and place. Any notice of meeting shall be accompanied by a description of the action to be taken at the meeting. Shareholders may vote in person or by proxy at any such meeting.

## SECTION 10.3 Action Without a Meeting.

Any action required or permitted to be taken by Shareholders by vote may be taken without a meeting by written consent setting forth the actions so taken. Such written consents shall be treated for all purposes as votes at a meeting. If the vote or consent of any Shareholder to any action of the Trust or any Shareholder, as contemplated by this Trust Agreement, is solicited by the Sponsor, the solicitation shall be effected by notice to each Shareholder given in the manner provided in Section 13.5 hereto. The vote or consent of each Shareholder so solicited shall be deemed conclusively to have been cast or granted as requested in the notice of solicitation, whether or not the notice of solicitation is actually received by that Shareholder, unless the Shareholder expresses written objection to the vote or consent by notice given in the manner provided in Section 13.5 and actually received by the Trust within twenty (20) days after the notice of solicitation is sent. The Covered Persons dealing with the Trust shall be entitled to act in reliance on any vote or consent that is deemed cast or granted pursuant to this Section 10.3 and shall be fully indemnified by the Trust in so doing. Any action taken or omitted in reliance on any such deemed vote or consent of one or more Shareholders shall not be void or voidable by reason of any communication made by or on behalf of all or any of such Shareholders in any manner other than as expressly provided in Section 13.5 hereto.

ARTICLE XI  
TERM

SECTION 11.1 Term.

The term for which the Trust is to exist shall be perpetual, unless terminated pursuant to the provisions of Article XII hereof or as otherwise provided by law.

ARTICLE XII  
TERMINATION

SECTION 12.1 Events Requiring Dissolution of the Trust.

(a) The Trust shall dissolve at any time upon the happening of any of the following events:

- (i) Shares are delisted from the Exchange and are not approved for listing on another national securities exchange within five business days of their delisting;
- (ii) 180 days have elapsed since the Trustee notified the Sponsor of the Trustee's election to resign or since the Sponsor removed the Trustee, and a successor trustee has not been appointed and accepted its appointment;
- (iii) the SEC determines that the Trust is an investment company under the 1940 Act, and the Sponsor has made the determination that termination of the Trust is advisable;
- (iv) the CFTC determines that the Trust is a commodity pool under the Commodity Exchange Act, and the Sponsor has made the determination that termination of the Trust is advisable;
- (v) the Trust is determined to be a "money service business" under the regulations promulgated by FinCEN under the authority of the US Bank Secrecy Act and is required to comply with certain FinCEN regulations thereunder or is determined to be a "money transmitter" (or equivalent designation) under the laws of any state in which the Trust operates and is required to seek licensing or otherwise comply with state licensing requirements, and the Sponsor has made the determination that termination of the Trust is advisable;
- (vi) a United States regulator requires the Trust to shut down or forces the Trust to liquidate its SOL;
- (vii) any ongoing event exists that either prevents the Trust from making or makes impractical the Trust's reasonable efforts to make a fair determination of the price of SOL for purposes of determining the NAV of the Trust;

(viii) the Sponsor determines that the aggregate net assets of the Trust in relation to the operating expenses of the Trust make it unreasonable or imprudent to continue the business of the Trust;

(ix) the Trust fails to qualify for treatment, or ceases to be treated, as a “grantor trust” under the Code or any comparable provision of the laws of any State or other jurisdiction where that treatment is sought, and the Sponsor determines that, because of that tax treatment or change in tax treatment, termination of the Trust is advisable;

(x) 60 days have elapsed since DTC or another depository has ceased to act as depository with respect to the Shares, and the Sponsor has not identified another depository that is willing to act in such capacity;

(xi) the Trustee, at the written direction of the Shareholders, elects to terminate the Trust after the Sponsor is conclusively deemed to have resigned effective immediately as a result of the Sponsor being adjudged bankrupt or insolvent, or a receiver of the Sponsor or of its property being appointed, or a trustee or liquidator or any public officer taking charge or control of the Sponsor or of its property or affairs for the purpose of rehabilitation, conservation or liquidation and a successor sponsor has not been appointed; or

(xii) the Sponsor elects to terminate the Trust after the Trustee, Administrator or the SOL Custodian (or any successor trustee, administrator or custodian) resigns or otherwise ceases to be the trustee, administrator or custodian of the Trust, as applicable, and no replacement trustee, administrator and/or custodian acceptable to the Sponsor is engaged.

In respect of termination events that rely on Sponsor determinations to terminate the Trust (e.g., if the SEC determines that the Trust is an investment company under the 1940 Act; the CFTC determines that the Trust is a commodity pool under the CEA; the Trust is determined to be a money transmitter under the regulations promulgated by FinCEN; the Trust fails to qualify for treatment, or ceases to be treated, as a grantor trust for U.S. federal income tax purposes; or, following a resignation by a trustee or custodian, the Sponsor determines that no replacement is acceptable to it), the Sponsor may consider, without limitation, the profitability to the Sponsor and other service providers of the operation of the Trust, any obstacles or costs relating to the operation or regulatory compliance of the Trust relating to the determination’s triggering event, and the ability to market the Trust to investors. To the extent that the Sponsor determines to continue operation of the Trust following a determination’s triggering event, the Trust will be required to alter its operations to comply with the triggering event. In the instance of a determination that the Trust is an investment company, the Trust and Sponsor would have to comply with the regulations and disclosure and reporting requirements applicable to investment companies and investment advisers. In the instance of a determination that the Trust is a commodity pool, the Trust and the Sponsor would have to comply with regulations and disclosure and reporting requirements applicable to commodity pools and commodity pool operators or commodity trading advisers. In the event that the Trust is determined to be a money transmitter, the Trust and the Sponsor will have to comply with applicable federal and state registration and regulatory requirements for money transmitters and/or money service businesses. In the event that the Trust ceases to qualify for treatment as a grantor trust for U.S. federal income tax purposes, the Trust will be required to alter its disclosure and tax reporting procedures and may no longer be able to operate or to rely on pass-through tax treatment. In each such case and in the case of the Sponsor’s determination as to whether a potential successor trustee or custodian is acceptable to it, the Sponsor will not be liable to anyone for its determination of whether to continue or to terminate the Trust.

(b) The death, legal disability, bankruptcy, insolvency, dissolution, or withdrawal of any Shareholder shall not result in the termination of the Trust, and such Shareholder, his estate, custodian or personal representative shall have no right to a redemption of such Shareholder's Shares. Each Shareholder (and any assignee thereof) expressly agrees that in the event of his death, he waives on behalf of himself and his estate, and he directs the legal representative of his estate and any person interested therein to waive, the furnishing of any inventory, accounting or appraisal of the Trust Estate and any right to an audit or examination of the books of the Trust, except for such rights as are set forth in Article VIII hereof relating to the books of account and reports of the Trust.

**SECTION 12.2 Distributions on Dissolution.** Upon the dissolution of the Trust, the Sponsor (or in the event there is no Sponsor, such person (the "Liquidating Trustee") as the majority in interest of the Shareholders may propose and approve and who agrees to serve hereunder) shall take full charge of the Trust Estate. Any Liquidating Trustee so appointed shall have and may exercise, without further authorization or approval of any of the parties hereto, all of the powers conferred upon the Sponsor under the terms of this Trust Agreement, subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers, and provided that the Liquidating Trustee shall not have general liability for the acts, omissions, obligations and expenses of the Trust. Thereafter, in accordance with Section 3808(e) of the Delaware Trust Statute, the affairs of the Trust shall be wound up and all assets owned by the Trust shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom shall be applied and distributed in the following order of priority: (a) to the expenses of liquidation and termination and to creditors, including Shareholders who are creditors, to the extent otherwise permitted by law, in satisfaction of liabilities of the Trust (whether by payment or the making of reasonable provision for payment thereof) other than liabilities for distributions to Shareholders, and (b) to the Shareholders pro rata in accordance with their respective Percentage Interests.

**SECTION 12.3 Termination; Certificate of Cancellation.** Following the dissolution and windup of the Trust, including distribution of the assets of the Trust, the Trust shall terminate and the Sponsor or the Liquidating Trustee, as the case may be, shall instruct in writing the Trustee to execute and cause such certificate of cancellation of the Certificate of Trust to be filed in accordance with the Delaware Trust Statute at the expense of the Sponsor or the Liquidating Trustee, as the case may be. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the Trust as a separate legal entity shall continue until the filing of such certificate of cancellation. Upon the termination of the Trust, the Sponsor will be discharged from all obligations under the Trust Agreement except for its certain obligations that survive termination of the Trust Agreement.

SECTION 12.4 Notice. The Sponsor will notify Shareholders at least 30 days before the date for termination of the Trust Agreement.

## ARTICLE XIII

### MISCELLANEOUS

SECTION 13.1 Governing Law. The validity and construction of this Trust Agreement and all amendments hereto shall be governed by the laws of the State of Delaware, and the rights of all parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflict of laws provisions thereof; provided, however, that (other than with respect to the Trustee) causes of action for violations of U.S. federal or state securities laws shall not be governed by this Section 13.1, and provided, further, that the parties hereto intend that the provisions hereof shall control over any contrary or limiting statutory or common law of the State of Delaware (other than the Delaware Trust Statute) and that, to the maximum extent permitted by applicable law, there shall not be applicable to the Trust, the Trustee, the Sponsor, the Shareholders or this Trust Agreement any provision of the laws (statutory or common) of the State of Delaware (other than the Delaware Trust Statute) pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of trustee accounts or schedules of trustee fees and charges, (b) affirmative requirements to post bonds for trustees, officers, agents, or employees of a trust, (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding or disposition of real or personal property, (d) fees or other sums payable to trustees, officers, agents or employees of a trust, (e) the allocation of receipts and expenditures to income or principal, (f) restrictions or limitations on the permissible nature, amount or concentration of trust investments or requirements relating to the titling, storage or other manner of holding of trust assets, or (g) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of trustees or managers that are inconsistent with the limitations on liability or authorities and powers of the Trustee or the Sponsor set forth or referenced in this Trust Agreement. Section 3540 of Title 12 of the Delaware Code shall not apply to the Trust. The Trust shall be of the type commonly called a “statutory trust,” and without limiting the provisions hereof, but subject to Sections 1.5 and 1.6, the Trust may exercise all powers that are ordinarily exercised by such a statutory trust under Delaware law. Subject to Sections 1.5 and 1.7, the Trust specifically reserves the right to exercise any of the powers or privileges afforded to statutory trusts and the absence of a specific reference herein to any such power, privilege or action shall not imply that the Trust may not exercise such power or privilege or take such actions.

## SECTION 13.2 Provisions In Conflict With Law or Regulations.

(a) The provisions of this Trust Agreement are severable, and if the Sponsor shall determine, with the advice of counsel, that any one or more of such provisions (the “Conflicting Provisions”) are in conflict with the Code, the Delaware Trust Statute, the Securities Act or other applicable U.S. federal or state laws or the rules and regulations of any applicable regulatory authority or listing or quotation entity, the Conflicting Provisions shall be deemed never to have constituted a part of this Trust Agreement, even without any amendment of this Trust Agreement pursuant to this Trust Agreement; provided, however, that such determination by the Sponsor shall not affect or impair any of the remaining provisions of this Trust Agreement or render invalid or improper any action taken or omitted prior to such determination. No Sponsor or Trustee shall be liable for making or failing to make such a determination.

(b) If any provision of this Trust Agreement shall be held invalid or unenforceable in any jurisdiction, such holding shall not in any manner affect or render invalid or unenforceable such provision in any other jurisdiction or any other provision of this Trust Agreement in any jurisdiction.

**SECTION 13.3 Merger and Consolidation.** Subject to the provisions of Section 1.5, the Sponsor may cause (i) the Trust to be merged into or consolidated with, converted to or to sell all or substantially all of its assets to, another trust or entity; (ii) the Shares of the Trust to be converted into beneficial interests in another statutory trust (or series thereof); or (iii) the Shares of the Trust to be exchanged for shares in another trust or company under or pursuant to any U.S. state or federal statute to the extent permitted by law. For the avoidance of doubt, subject to the provisions of Section 1.5, the Sponsor, with written notice to the Shareholders, may approve and effect any of the transactions contemplated under (i), (ii) and (iii) above without any vote or other action of the Shareholders.

**SECTION 13.4 Construction.** In this Trust Agreement, unless the context otherwise requires, words used in the singular or in the plural include both the plural and singular and words denoting any gender include all genders. The title and headings of different parts are inserted for convenience and shall not affect the meaning, construction or effect of this Trust Agreement.

**SECTION 13.5 Notices.** All notices or communications under this Trust Agreement (other than notices of pledge or encumbrance of Shares, and reports and notices by the Sponsor to the Shareholders) shall be in writing and shall be effective upon personal delivery, or if sent by mail, postage prepaid, or if sent electronically, including by electronic mail or other forms of electronic communication, by facsimile or by overnight courier, and addressed, in each such case, to the address set forth in the books and records of the Trust or such other address as may be specified in writing, of the party to whom such notice is to be given, upon the deposit of such notice in the United States mail, upon transmission and electronic confirmation thereof or upon deposit with a representative of an overnight courier, as the case may be. Notices of pledge or encumbrance of Shares shall be effective upon timely receipt by the Sponsor in writing.

This Trust Agreement, to the extent signed and delivered by means of a facsimile machine or other electronic transmission, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

**SECTION 13.7 Binding Nature of Trust Agreement.** The terms and provisions of this Trust Agreement shall be binding upon and inure to the benefit of the heirs, custodians, executors, estates, administrators, personal representatives, successors and permitted assigns of the respective Shareholders. SECTION 13.13 Corporate Transparency Act.

The Corporate Transparency Act (31 U.S.C. § 5336) and its implementing regulations (collectively, the “CTA”), may require the Trust to file reports with the U.S. Financial Crimes Enforcement Network. It shall be Sponsor’s duty, and not the Trustee’s duty, to prepare such filings, cause the Trust to make such filings, and to cause the Trust to comply with its obligations under the CTA, if any.
